Lewis,2020-08-10 World Beyond Reason The Orwellian Factor By James C Lewis World Beyond Reason The Orwellian Factor is the product of several years of focused research and investigation prompted by national and world occurrences There is a movement in this country

to change the United States from a merit based market economy typically referred to as capitalism to a Marxist nation by a group called Progressives These Progressives claim they believe collectivist thought under a Democratic Socialism ideology would best serve the nation and world James C Lewis s research has revealed that these Marxists fail to grasp they are being manipulated by a force whose ultimate goal is not socialism at all but a totalitarian ideology under the misleading title of New World Order But this goal is not merely for the United States but will cover the entire world Lewis s research reveals that many events that are occurring today such as the COVID 19 virus the coming activation of the 5G network Islamic terrorism the Deep State or shadow government failing countries millions of displaced refugees even the Progressive movement are all calculated to destabilize the Western world enough that the remedial outcome will allow those NWO forces to take over and usher in a one government world My goal is to expose all of this so the American people get a full understanding that this is all very serious and dangerous to our very existence as a country and as a free people Lewis as a retired paralegal spent his career in a field requiring careful legal and factual research an understanding about human nature criminal and constitutional law He brings those skills to the research of this book *The Kings of the Earth and the High Ones on High* Allan Cornford,2018-12-30 There is a war taking place for the souls of mankind which the majority fail to see having been blinkered by a fantasy world of falsehood materialism and toxic manufactured realities With this book I pass judgement on no man Nor do I attempt to determine the thoughts and sincerity of men both past and present whose actions and achievements have impacted world history I m just piecing together man s satanic agenda to generate a return to the Golden Age The New World Order which will rise like a Phoenix from the ashes of World War III This includes a re look at the Genesis creation account the true design of the Earth the growth of false religion the Synagogue of Satan the coming delusion and certain end time prophecy *THE SECRET OF GENESIS: THE MESSIANIC LINE AND THE LINE OF THE SERPENT FROM THE FALLEN ANGELS TO THE LORDS OF THE NEW WORLD ORDER* Cinzia Palmacci,2023-01-21 From those primordial faults humanity has been lying for eons under the influence of two opposing forces and struggles between them Good and Evil The Bible is revealing to those who know how to discern the true from the false The true origin of evil in the world and Lucifer s hatred towards Creation its harmful consequences on nature on man and on every aspect of life on this planet are explained in this book and have ancestral origins **Return of the Stargods** Richard Vizzutti,2003 Return of the Stargods reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism The book also takes the reader through the Bible showing a vast amount of scriptures that the churches ignore or will not deal with Scriptures reveal that there is a fifth column that lives among us that are working against God s children in establishing a New World Order as an ultimate goal They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule But this will not take place until the Rapture of the church takes place first The Bible is also very clear that a government of fallen angels now runs this earth They run all aspects of our matrix reality and remain hidden behind a

shadow government There are strong indications in scripture that here is also royalty of non humans called the Reptilians and Nephilim that rule over us They are the ones that have come from hell to transform themselves into rulers of this world The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators Return of the Stargods is an introduction to the reality that lies outside the box If you are a discerning Christian who regards scripture as the final authority and not church then this book is a must read **Bamn** Clyde C. BAMN is a serious educational and entertaining work that will leave you amazed at what you did not know and yearning to learn more Three Black Men from different locations experiences and backgrounds worked together with one voice The authors have demonstrated a great example of putting differences aside for the sake of unity I am honored that they would embark upon this journey from destee.com and encourage you all to buy the book You will not be disappointed Destee By reframing one of the most important controversial and misunderstood issues of modern times By Any Means Necessary BAMN puts forward insights into a powerful new plan for repairing and restoring the damaged minds of African Americans Yet at the same time they identify areas and issues that perpetuate mental dissonance spiritual confusion and deteriorating health conditions Pastor W O Bailey Dallas TX **The Matrix & The Forbidden Knowledge** Malik Bade,2023-10-07 The most important secrets that have been kept from the general public will now be exposed in this book In this publication I uncover a myriad of mysteries and uncomfortable truths about the world we live in It's time to get up and do something revolutionary to stop the evil that has been torturing us for decades This book tells you everything you need to know about the universe from secret societies and hidden agendas to extraordinary phenomena in the most in depth and evidential way possible It also gives you warnings about both upcoming and past events *More than Don't Let 'em Win* DC Vesser,2020-01-21 This book attacks a poison that for so very long we have called political correctness Political correctness PC is the act of avoiding expression or language that can perceptively be construed as marginalizing by specific minorities or demographic groups It is often difficult to argue against PC because supporters of PC are likely to claim that contrary to using PC one would instead use expressions or language that offends which is oft what I wind up doing This response is a false conflation of permitting and condoning but the fallaciousness usually doesn't deter those who want to win the argument It's easy to accuse someone of simply seeking justification to use epithets in order to put him on the defensive and into the unenviable position of having to assert that he's not a racist It's also dirty and hateful to do so and that's how such responses should be considered We also review Agenda 21 Document 7277 the Illuminati the Club of Rome and the Committee of 300 in brevity We discuss the New World Order and speculate about megaregions and their locations both in the United States and

abroad We take a very long train ride from the most southern tip of South America all the way to New Zealand and we discuss possibilities for a likely location for the capital of the world that may surprise you We even speculate about a location right here in the United States for a habitat for useless eaters We discuss how close we have come in our society to achieve all the goals of the New World Order I really hope you enjoy the read **Eden: The Knowledge Of Good and Evil 666**
