Blood On The Risers An Airborne Soldiers:

Blood on the Risers Michael O'Shea,2013 This artfully crafted saga depicts in vivid detail the arduous journey of a young impressionable patriot yearning to fulfill his destiny in the turmoil of the 1960 s The author draws you close to him as he encounters stiff challenges to his basic values his character as well as his faith in his fellow man You ll taste the bitter prop blast as you stand in the open door beside him holding your breath while he soars through the icy sky to the mountainous drop zone below Discover the true nature of this Nation s most valiant fighting men as he progressively learns what it takes to lead Green Berets into battle Share the distinct smell of death while he clutches on to the remnants of his tattered soul constantly violated while he processes the tragedy of life unfolding before him Witness the sheer resolve he and his men display in their commitment to their country despite the disrespect and utter contempt shown to them by their own countrymen This factual rendering allows you to eavesdrop on the innermost workings of a Special Forces A Team as they train and ultimately prepare for battle You ll be sprinting with a SOG Recon Team as they desperately work to elude the hordes of NVA soldiers feeling the impact of explosions and the crackling of rifle fire along the way This read will provide you with a renewed appreciation of what men endure when they make the commitment to defend their country and their way of life despite the intimate danger and life long consequences that accompany that decision With dialogue that keeps the pages turning Michael O Shea transports us directly back to the real American experience in Vietnam It s been nearly fifty years since the US inserted troops into jungles and villages more than 8 000 miles away Stories such as Blood on the Risers are important and necessary for today s readers and future generations veterans like O Shea are prized for sharing them Chris Henning Clarion Review

Blood on the Risers John Leppelman,2010-05-26 In three straight years he was a paratrooper and army seaman and a LRRP and he lived to tell about it As an FNG paratrooper in the 173d Airborne John Leppelman made that unit s only combat jump in Vietnam Then he spent months in fruitless search of the enemy watching as his buddies died because of poor leadership and lousy weapons Often it seemed the only way out of the carnage in the Central highlands was in a body bag But Leppelman did get out transferring first to the army s riverboats and then the all volunteer Rangers one of the ballsiest units in the war In three tours of duty that ended only when malaria forced him back to the States Leppelman saw the war as few others did a Vietnam that many American boys didn t live to tell about but whose valor and sacrifice survive on these pages

Armed with Abundance Meredith H. Lair,2011 Popular representations of the Vietnam War tend to emphasize violence deprivation and trauma By contrast in Armed with Abundance Meredith Lair focuses on the noncombat experiences of U S soldiers in Vietnam redrawing the landscape of the war

Rolling Coffins Brian Richard Esher,2015-01-06 An infantryman s honest account of his experiences during the controversial Vietnam War this book chronicles the courage and dedication that the American soldiers demonstrated while away from loved ones in a foreign land where hanging by a thread was the norm every day It openly discusses the challenges and sacrifices each man had to make

in order to survive and protect the lives of his comrades and it casts a light on the shortcomings of the US government and of those in authority who could have abated the terrifying number of casualties through proper planning and sound judgment. The author Brian Richard Esher had witnessed firsthand the horrors of the war and had many close encounters with death. He was sent to Vietnam in 1968 the worst year in terms of casualties. He served with the 25th Infantry Division 4th Battalion of the 23rd Infantry Mechanized and received several medals including the second highest military award for valor the Distinguished Service Cross.

Voices from the Vietnam War Xiaobing Li, 2010-06-11. The Vietnam War's influence on politics, foreign policy and subsequent military campaigns is the center of much debate and analysis. But the impact on veterans across the globe as well as the war's effects on individual lives and communities is a largely neglected issue. As a consequence of cultural and legal barriers, the oral histories of the Vietnam War currently available in English are predictably one-sided, providing limited insight into the inner workings of the Communist nations that participated in the war. Furthermore, many of these accounts focus on combat experiences rather than the backgrounds, belief systems and social experiences of interviewees, resulting in an incomplete historiography of the war. Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War: Stories from American, Asian and Russian Veterans*. Li spent seven years gathering hundreds of personal accounts from survivors of the war, accounts that span continents, nationalities and political affiliations. The twenty-two intimate stories in the book feature the experiences of American, Chinese, Russian, Korean and North and South Vietnamese veterans, representing the views of both anti-Communist and Communist participants, including Chinese officers of the PLA, a Russian missile training instructor and a KGB spy. These narratives humanize and contextualize the war's events while shedding light on aspects of the war previously unknown to Western scholars. Providing fresh perspectives on a long-discussed topic, *Voices from the Vietnam War* offers a thorough and unique understanding of America's longest war.

Search and Destroy Dean Hughes, 2015-07-21. RICK WARD WANTS TO GO TO WAR. And he's not sure why. Maybe he's running from his dad and his crazy temper. Maybe he's running from his girl who seems to think he's more of a joke than a man. Or maybe he's just running to find himself. But after Rick ventures into the Vietnam jungle, he discovers that no one—not protestors, politicians or writers—has got a clue. War is far bigger, scarier and more complicated than anything he ever could have imagined.

Tom and Huck Don't Live Here Anymore Ron Powers, 2002-09-14. From a Pulitzer Prize-winning author, *Tom and Huck Don't Live Here Anymore* is a powerful, disturbing and eye-opening dispatch from the homefront that will take its place alongside the works of Antony Lucas Robert Coles and Tracy Kidder. Ron Powers' hometown is Hannibal, Missouri, home of Mark Twain and therefore birthplace of our image of boyhood itself. Powers returns to Hannibal to chronicle the horrific story of two killings, both committed by minors and the trials that followed. Seamlessly weaving the narrative of the events in Hannibal with the national withering of the very concept of childhood, Powers exposes a fragmented adult society where children are left adrift, transforming isolation into violence. Powers's storytelling style keeps such good control over the

pace readers will know they're not headed for a disappointment at the end. Publishers Weekly *A Checklist of Vietnam War Literature*, 1994 Assembly West Point Association of Graduates (Organization), 1994 **Army**, 1955

Soldiers, 1972 *Not a Gentleman's War* Milam, 2010-07-13 Wars are not fought by politicians and generals; they are fought by soldiers. Written by a combat veteran of the Vietnam War, *Not a Gentleman's War* is about such soldiers: a gritty, against-the-grain defense of the much maligned junior officer. Conventional wisdom holds that the junior officer in Vietnam was a no-talent, poorly trained, unmotivated. **America's Army and the Language of Grunts** E. Kelly Taylor, 2009-11-12 a powerful sketch of America's Soldiers depicted in their unique lingo: legacy, a fascinating array of cultural jargon based on a proud history and known as the language of Grunts: compelling leadership lessons built on a legacy fashioned by Warriors celebrated by Veterans, shared with families and intriguing to citizens. Americans share the pride of ownership, all contributing to the rich cultural lingo of our Nation's Army: a timely insight into America's Army and her Citizen Soldiers viewed through a proud legacy of lingo steeped in tradition and filled with contemporary influences: the old and the new.

All Volunteer, 1983 *Recruiter Journal*, 1983 **Armies, Corps, Divisions, and Separate Brigades**, 1987

Fighting Elites John C. Fredriksen, 2011-12-12 From Army Rangers to Green Berets to the U.S. Navy SEAL team that killed Osama bin Laden, this book explains what makes Special Forces special: covering the rich and varied history of elite formations in American military history and describing their recruitment, intense training, and equipment in depth. Most civilians have only a vague idea of what the U.S. Special Forces are all about: who they are, how they differ from our normal military forces, what they've accomplished throughout our history, and how they operate today. *Fighting Elites: A History of U.S. Special Forces* examines the rich and varied history of U.S. Special Forces, identifies their contributions to specific conflicts from colonial times forward, and highlights their present operational excellence. In this first-ever reference guide to U.S. Special Forces, military historian John C. Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins, recruitment, training, tactics, and equipment, and defining military engagements if known. The text also contains 20 biographical entries of noted personalities associated with special purpose activities.

Grunts Kyle Longley, 2015-01-28 This book provides a fresh approach to understanding the American combat soldier's experience in Vietnam. It integrates such topics as the political culture, the experiences of training, the actual Vietnam experience, and the homecoming, and offers a remarkable overview of the 870,000 grunts who bore the brunt of the fighting in the jungles and highlands of South Vietnam and eventually Cambodia and Laos. The book addresses many of the stereotypes of the Vietnam combat veteran that have been perpetuated in popular culture and also considers how Vietnam veterans have been commemorated through memorials and other means, and how the veterans remember each other. The coverage also includes women who served in or near the front lines as well as on the home front. The author draws on memoirs and oral histories, including his personal interviews with veterans, but the book conveys a picture of the Vietnam

combat soldier s experience far more powerful than what individual memoirs can provide *Dak To and the Border Battles of Vietnam, 1967-1968* Michael A. Eggleston, 2017-01-25 In 1967 the North Vietnamese launched a series of offensives in the Central Highlands along the border with South Vietnam a strategic move intended to draw U S and South Vietnamese forces away from major cities before the Tet Offensive A series of bloody engagements known as the border battles followed with the principle action taking place at Dak To Drawing on the writings of key figures veterans memoirs and the author s records from two tours in Vietnam this book merges official history with the recollections of those who were there revealing previously unpublished details of these decisive battles *Armies, Corps, Divisions, and Separate Brigades* ,1999 Includes the lineages and honors for all armies corps divisions and separate combined arms brigades in order to perpetuate and publicize their traditions honors and heraldic entitlements organized under Tables of Organization and Equipment that have been active in the Regular Army Army Reserve and Army of the United States since the beginning of World War II Included in this edition is the 12th Infantry Division formerly the Philippine Division which did not appear in the earlier one The lineages are current though 1 October 1997 Brigade headquarters and headquarters companies or headquarters except for aviation and engineer brigades organic to the above mentioned combat divisions since ROAD Reorganization Objective Army Divisions in the early 1960s have also been incorporated Divisional aviation and engineer brigades are branch specific and therefore have been omitted The lineages and honors for Army National Guard divisions and separate combined arms brigades that were active on 1 October 1997 are also included Preface

Blood On The Risers An Airborne Soldiers Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Blood On The Risers An Airborne Soldiers free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Blood On The Risers An Airborne Soldiers free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Blood On The Risers An

Airborne Soldiers free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Blood On The Risers An Airborne Soldiers. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Blood On The Risers An Airborne Soldiers any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Blood On The Risers An Airborne Soldiers Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Blood On The Risers An Airborne Soldiers is one of the best book in our library for free trial. We provide copy of Blood On The Risers An Airborne Soldiers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Blood On The Risers An Airborne Soldiers. Where to download Blood On The Risers An Airborne Soldiers online for free? Are you looking for Blood On The Risers An Airborne Soldiers PDF? This is definitely going to save you time and cash in something you should think about.
