*If Sons, Then Heirs* Caroline Johnson Hodge,2007-07-13 By extending Christ's redemption to those who were not ethnically

Jewish Paul has long been credited with transforming Christianity into a universal ethnically neutral religion In this book Caroline Johnson Hodge challenges this interpretation through a detailed examination of kinship and ethnic language in Paul's letters Arguing against firmly entrenched claims that Paul's Epistles eliminate ethnicity from Christianity Johnson Hodge claims the exact opposite Paul treats ethnicity as a central element of the Gentile believer's entrance into communion with Jesus Paul creates a myth of origins for Gentiles through baptism Jews and Gentiles alike could share a common ancestor in Abraham In Johnson Hodge's reading Paul does not combine Jews and Gentiles under a new homogenous group of Christians but instead sees baptism as a way of creating two separate but related lineages of Abraham
