The Sign of the Cross Daniel Rancour-Laferriere,2017-09-08 This book presents a unique effort to create a new understanding of the Christian sign of the cross At its core it traces the conscious and unconscious influence of this visual symbol through time What began as the crucifixion of a Jewish troublemaker in Roman occupied Judea in the first century eventually gave rise to a broad spectrum of readings of the instrument used to accomplish such a punishment a cross The author argues that Jesus was a provocative grandiose masochist whose suffering and death initially signified redemption for believers This idea gradually morphed into a Christian sense of freedom to persecute and wage war against non believers however as can be seen in the Crusades wars of the cross Many believers even construed the murder of their savior as a crime perpetrated by the Jews and this paranoid notion culminated in the mass murder of European Jews under the sign of the Nazi hooked cross Hakenkreuz Rancour Laferriere s book is expertly written and argued it will be readable to a large audience because it touches on many areas of controversy interest and scholarship The work is critical but not unfair it employs psychoanalysis art history the study of the symbol of the cross in works of art religion and religious texts and world history generally The interweaving of these various themes is what gives this work its ability to draw in readers and will ultimately be what keeps the reader interested through the conclusion

The Bible Cyclopedia ,1843 **Behold, I AM** Joyce Lynn Wulf,2023-11-13 It was a childlike question but the answer was as stunning as it was profound If God is light what do the primary colors of the rainbow s spectrum signify The Gospel of John declares in eight mysterious signs that God is light and Jesus Christ in the flesh was God sent to bring the light of true life to us These enigmatic signs of light semeion imply the eight signs significance pointed to something other than what they appeared The themes of John s eight signs match the themes of the Feasts given to ancient Israel at Mount Sinai and a sequence of YHWH s covenant names Behold I AM is a rich in depth study into God s Holyday appointed times His eight Festivals of Light what they meant then what they mean today and how they are fulfilling prophecy

Like Unto Moses James Nohnberg,1995-05-22 This exhaustive and important study of the meaning of Moses in the Bible demonstrates conclusively the Mosaicization of the canon Nohnberg possesses a remarkable typological imagination No summary can do justice to the sheer brilliance of the congruities and

disparities he discovers on every page *Journal of Religion* LIKE UNTO MOSES proposes a series of challenging perspectives on the process of canon formation in the Bible James Nohrnberg's ability to trace connections among different elements of the biblical corpus is unflaggingly resourceful sometimes provocative and often deeply instructive Robert Alter an insightful study of the traditions of Moses in the Bible Choice This is a formidably argued large book It is also certainly the most sophisticated book on Moses and one of the most sophisticated readings of the Bible which I have ever had the pleasure of reading I think it is a brilliant achievement and would recommend it to every reader of the Bible R P Carroll The Society for Old Testament Study Book List The Moses of the Bible is a veiled figure who exists both inside and outside the text which describes and defines him Moses is a creation of Israelite literary and scriptural tradition an ideological construct a reinvented memory a projection of what Israel wished to see in Moses Nohrnberg examines the texts of Moses for their representation of the tradition's self doubt and its revisionary deuteronomic content *The Whole Works of the Late Reverend William Romaine, A.M.* William Romaine, 1837 Let Scripture Speak for Itself Paul Wilchek, 2023-01-11 LET Scripture SPEAK FOR ITSELF is intended to provide a layman's explanation of certain Scripture passages that are organized into various topics The actual Scripture passages are grouped by topics pointing out some of the hidden meanings symbolisms prophecies fulfilled and the many proofs in Scripture It includes actual Scripture responses of typical questions to assist in defending one's faith Certain Scripture passages are organized by key words to assist the reader as to where these are in Scripture Also it includes an explanation of the Apostles Disciples Early Church Fathers Brief History of the Church and even a chronological list of all popes that all lead to the growth of the Church
