Forensic Memory Johanne Helbo Bøndergaard, 2017-10-14 This book describes and analyses a particular literary mode that challenges the aesthetics of testimony by approaching the past through detection analysis and archaeological digging How does forensic literature narrate the past in terms of plot language narration and use of visual media This volume examines how forensic literature provides an important corrective to the forensic paradigm and a means of exploring the relationship between visual and material evidence and various forms of testimony This literary engagement with the past is investigated in order to challenge a forensic paradigm that aims to eliminate the problems related to human testimony through scientific objectivity resulting in a fresh and original text in which B ndergaard argues literature s potential to explore the mechanisms of representation interpretation and narration

[Ireland's 1916 Rising](#) Mark McCarthy, 2016-05-06 In light of its upcoming centenary in 2016 the time seems ripe to ask why how and in what ways has memory of Ireland s 1916 Rising persisted over the decades In pursuing answers to these questions which are not only of historical concern but of contemporary political and cultural importance this book breaks new ground by offering a wide ranging exploration of the

making and remembrance of the story of 1916 in modern times It draws together the interlocking dimensions of history making commemoration and heritage to reveal the Rising s undeniable influence upon modern Ireland s evolution both instantaneous and long term In addition to furnishing a history of the tumultuous events of Easter 1916 which rattled the British Empire s foundations and enthused independence movements elsewhere Ireland s 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present In doing so it unearths the far reaching political impacts and deep seated cultural legacies of the actions taken by the rebels as evidenced by the most pivotal episodes in the Rising s commemoration and the myriad varieties of heritage associated with its memory This volume also presents a wider perspective on the ways in which conceptualisations of heritage culture and identity in Westernised societies are shaped by continuities and changes in politics society and economy In a topical conclusion the book examines the legacy of Queen Elizabeth II s visit to the Garden of Remembrance in 2011 and looks to the Rising s 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance **The Cambridge**

Miller, 2014-09-23 Transatlantic Literature and Culture After 9 11 asks whether post 9 11 America has chosen the wrong side of paradise by waging war on terror rather than working for global peace Analyzing transatlantic literature and culture the book refocuses our view of Ground Zero through the lenses of imperial power and cosmopolitan exchange **From A Clear Blue Sky** Timothy Knatchbull, 2011-02-15 Winner of the Christopher Ewart Biggs Literary Award and nominated for the PEN JR Ackerley prize The powerful memoir of a Mullaghmore bombing survivor _____ On the August bank holiday weekend in 1979 14 year old Timothy Knatchbull went on a boat trip off the shore of Mullaghmore in County Sligo Ireland
