**Twenty-First-Century Gothic** Brigid Cherry, Peter Howell, Caroline Ruddell, 2020-05-15 The essays in this volume reinterpret and contest the Gothic cultural inheritance each from a specifically twenty first century perspective Most are based on papers delivered at a conference held appropriately in Horace Walpole's Gothic mansion at Strawberry Hill in West London which is usually seen as the geographical origin of the first but not the last of the many Gothic revivals of the past 300 years In a contemporary context the Gothic sensibility could be seen as a mode particularly applicable to the frightening instability of the world in which we find ourselves at the beginning of the twenty first century The truth is probably less epochal that Gothic never went away when were we ever without fear or at least has persisted since its resurgence in the late nineteenth century Gothic is at least as modern as it is ancient and each essay in this collection contributes to current scholarship on the Gothic by exploring a particular aspect of Gothic's contemporaneity The volume contains papers on horror novels and cinema poetry popular music and fan cultures *Engines of Corruption* Larry Maisner, 1999-12 Power and apathy are fuel for the Engines of Corruption The power wielded by the ruthless and the apathy of law allow the independent crime lords of the underworld to collaborate and establish a powerful international crime cartel This underworld force headed by U S crime lord Cy Manat hides behind the protections afforded by constitutional law that allow them to acquire

commercial and industrial enterprises using racketeering methods The complacent law enforcement agencies see no danger But a police officer Harold Parkins does He can t confide in his superiors the crime lords have corrupted them as well So using his powers of persuasion personal friends and a great deal of chutzpah he recruits a cadre of powerful international personalities in industry and the government These movers and shakers create a benign but hi tech underworld of their own to fight the crime lords on equal terms Correcting the Upside Down Gospel, Form #17.065 Brook Stockton,2023-08-20
