Blue Dragon White Tiger Taoist Rites Of Passage:

Blue Dragon, White Tiger Michael R. Saso, 1990 A view of Chinese religion from the Taoist perspective derived from field work in Taiwan Hong Kong and the People's Republic of China this book is based on the Taoist hypothesis that all Chinese rites of passage and festivals are structured by Yin yang Five Element cosmology Buddhist and Taoist meditation of emptying marriage birthing initiation burial ancestor rituals and the annual festivals are described through the eyes of the experts called on to serve family and village needs The work ends with a view of religion in the People's Republic of China during a period of renewal and restoration *Rites of Passage* Jean Holm, John Bowker, 1994-01-01 No Marketing Blurb

The Daoist Tradition Louis Komjathy, 2013-08-22 An introduction to Daoism as a living and lived religion covering key themes and topics as well as its history The Promise of Salvation Martin Riesebrodt, 2010-02-15 Why has religion persisted across the course of human history Secularists have predicted the end of faith for a long time but religions continue to attract followers Meanwhile scholars of religion have expanded their field to such an extent that we lack a basic framework for making sense of the chaos of religious phenomena To remedy this state of affairs Martin Riesebrodt here undertakes a task that is at once simple and monumental to define understand and explain religion as a universal concept Instead of propounding abstract theories Riesebrodt concentrates on the concrete realities of worship examining religious holidays conversion stories prophetic visions and life cycle events In analyzing these practices his scope is appropriately broad taking into consideration traditions in Judaism Christianity Islam Buddhism Daoism and Shinto Ultimately Riesebrodt argues all religions promise to avert misfortune help their followers manage crises and bring both temporary blessings and eternal salvation And as *The Promise of Salvation* makes clear through abundant empirical evidence religion will not disappear as long as these promises continue to help people cope with life **Daoist China: Governance, Economy, Culture** Livia Kohn, 2018 Traveling in China today and walking about in various cities it is easy to observe the continued unbridled construction of huge megalithic high rise complexes in vast stretches of the country complete with the untrammelled despoiling of nature and intensification of pollution as well as the ever increasing vibrancy of the Chinese people glued to their cell phones and actively connected online always moving about and hustling for yet another deal At the same time using the internet without a VPN and talking to academics at various universities it becomes obvious that there is a massive increase in repressive measures by the state the tightening of the intellectual control of both content and expression the fluctuating inaccessibility of information sources that used to be perfectly fine What the question arises is going on here Where China stands today and where is it headed from here And what in all of this is the role and place of Daoism These sixty vignettes on Daoist China present different aspects of life in China in each case describing the current situation and connecting it to the role and changing facets of Daoism today focusing in turn on dimensions of governance economics and culture 101 Questions and Answers on Confucianism, Daoism, and Shinto John Renard, 2002 A reader

friendly introduction to the history beliefs structures and practices of three major indigenous religious traditions of East Asia Confucianism Daoism and Shinto **Daoism Handbook** Livia Kohn,2018-12-24 Thirty major scholars in the field wrote this new authoritative guide to the main features and development of Daoism The chapters are devoted to either specific periods or topics such as Women in Daoism Daoism in Korea and Daoist Ritual Music Each chapter rigidly deals with a fixed set of aspects such as history texts worldview and practices Clear markings in the chapters themselves and a detailed index make this volume the most accessible key resource on Daoism past and present *Taoism* Eva Wong,2011-03-08 A leading scholar feng shui master presents the great depth and diversity of Taoist philosophy practices and history in this accessible manual to the oft misunderstood spiritual tradition Millions of readers have come to the philosophy of Taoism thanks to the classics Tao Te Ching and the I Ching or through the practices of t ai chi and feng shui but the Tao is less known for its unique traditions of meditation physical training magical practice and internal alchemy Eva Wong a leading Taoist practitioner and translator provides a solid introduction to the Way All of Taoism s most important texts figures and events are covered as well as its extraordinarily rich history and remarkable variety of practice Sections include The History of Taoism traces the development of the tradition from the shamans of prehistoric China through the classical period including the teachings of the famous sage Lao tzu the beginnings of Taoism as a religion the rise of mystical and alchemical Taoism and the synthesis of Taoism Buddhism and Confucianism Systems of Taoism explores magical sects divination practices devotional ceremonies internal alchemy and the way of right action Taoist Practices discusses meditation techniques of cultivating the body and rites of purification ceremony and talismanic magic This roadmap to the spiritual landscape of Taoism not only introduces the important events in the history of Taoism the sages who wrote the Taoist texts and the various schools of Taoist thinking but also gives readers a feel for what it means to practice Taoism today A comprehensive bibliography for further study completes this valuable reference work Sacred Custodians of the Earth? Elaine M. Low,Soraya Tremayne,2001 Challenging the assumption that women have a special affinity with the Earth and therefore a historic mission for the care of the environment this book asks whether women are truly sacred custodians of the Earth Up in Flames Ellen Johnston Laing,Helen Hui-Ling Liu,2004 This comprehensive study of the traditional Chinese craft of paper sculpture documents the ancient craft as it exists today in Taiwan *Mysticism and the Spiritual Quest* Phyllis Zagano,2013 A crosscultural exploration of the meanings definitions practices and common themes of mysticism via a study of original texts in translation from different parts of the world It brings together the writings of the mystics from Christianity Judaism Islam Buddhism Hinduism Taoism and Confucianism in one volume *The Tao of Gender* Tarynn M. Witten,2002-04-25 The concept of gender is one that is static for many and malleable for some Many mistakenly interchange gender with sexuality Some argue that it is cultural environmental while other say that it is genetic What is gender The answer continues to elude Tarynn Whitten s introspective work seeks to explore the mystery of gender identity through an integration of various principles of

Taoism The Tao of Gender grew out of a personal need to provide peaceful reading for those who seek The Way on their journey through life in a world where transgenderism and transsexuality are all too often misunderstood The author hopes to help those on this journey to find balance by tapping into their infinite capacity for resourcefulness and wisdom within What readers are saying This book is a gift of inspiration and insight for those who experience gender fluidity or want to explore the nature of trans genderism Tarynn artfully weaves the personal and the philosophical creating a tapestry of gender and Taoism with threads of self discovery and renewal Randi Ettner Ph D author of Gender Loving Care and Confessions of a Gender Defender

Maoist Model Theatre Rosemary A. Roberts, 2010 Here is a convincing reflection that changes our understanding of gender in Maoist culture esp for what critics from the 1990s onwards have termed its erasure of gender and sexuality In particular the strong heroines of the yangbanxi or model works which dominated the Cultural Revolution period have been seen as genderless revolutionaries whose images were damaging to women Drawing on contemporary theories ranging from literary and cultural studies to sociology this book challenges that established view through detailed semiotic analysis of theatrical systems of the yangbanxi including costume props kinesics and various audio and linguistic systems Acknowledging the complex interplay of traditional modern Chinese and foreign gender ideologies as manifest in the model works it fundamentally changes our insights into gender in Maoist culture

Women as Sacred Custodians of the Earth? Alaine Low, Soraya Tremayne, 2001-12-01 Literature on women development and environment is abundant The relationship between women and ecology has been analyzed by various disciplines by specialists from the North as well as the South This book offers a new perspective specifically to challenge the assumption that women have a special affinity with the Earth and therefore a historic mission for the care of the environment The book explores spiritual religious and philosophical beliefs concerning women and ecology and whether women are truly sacred custodians of the Earth This concept has evolved from ideas developed by eco feminists Whether and how different belief systems can be put to use to create an awareness to protect preserve and improve ecological conditions is discussed The collection of papers demonstrates the complexity of the issues and the variations and vulnerability of the assumed relationship between women and the environment in different cultural and political contexts The book challenges policy solutions which are devised to be on a global scale and to create unrealistic global aspirations and the value of targeting women in a particular attempt to achieve environmentally sustainable development

All Under Heaven John H. Berthrong, 1994-03-22 This book is a study of comparative philosophy and theology The themes are the critical issues arising from the modern interpretation of Confucian doctrine as they confront the Christian beliefs of the nineteenth and twentieth centuries

A Comparative Sociology of World Religions Stephen Sharot, 2001-08 A Sociology of World Religions presents a comparative analysis of the world's religions focusing on the differences and interrelationships between religious elites and lay masses In each case the volume contextualizes how the relationships between these two religious forms fit within and are influenced by the wider socio

political environment After introducing the book's major themes the volume introduces and builds upon an analysis of Weber's model of religious action drawing on Durkheim Marxist scholars and the work of contemporary sociologists and anthropologists The following chapters each focus on major religious cultures including Hinduism Buddhism Catholicism Protestantism Islam Judaism and the religions of China and Japan This ambitious project is the first to offer a comparison of the popular or folk forms of religion around the world Sharot's accessible introductions to each of the world religions synthesizing a vast literature on popular religion from sociology anthropology and historians of religion make the project ideal for course use His comparative approach and original analyses will prove rewarding even for experts on each of the world religions Taoism Jennifer Oldstone-Moore, 2003 Focusing on origins beliefs practices holy texts and sacred places this compact introduction to Taoism blends vividly written accurate commentary with colorful illustrations and photos
