Blue Streak Swearing Free Speech And Sexual Harassment:

Who's Swearing Now? The Social Aspects of Conversational Swearing Kristy Beers Fägersten, 2012-03-15 Who's Swearing Now represents an investigation of how people actually swear illustrated by a collection of over 500 spontaneous swearing utterances along with their social and linguistic contexts The book offers a solution to the controversial issue of defining swear words and swearing by limiting the investigation to the core set of words most common to previous swearing studies This specific focus results in accurate depictions of contextualized swearing utterances Precise frequency counts are thus enabled which along with offensiveness ratings of contextualized and non contextualized swearing enable a clarification of The Swearing Paradox referring to the phenomenon of frequently used swear words also being those which traditionally are judged to be the most offensive The book revisits the relationship between gender and swear word usage but considers the distribution based on the core subset of swear words revealing similarities where others have claimed differences Significantly Who's Swearing Now considers the aspect of race with regards to swear word usage and reveals behavioral differences between for example White and African American males and females with regards to word preferences as well as social impetuses for and effects of swearing Questionnaire and interview data supplement the swearing utterances revealing participants individual credos about their own use or non use of swear words and interestingly about others allowed or ideally prohibited use of swear words These sets of data present thought provoking and often entertaining statements regarding the unwritten set of rules governing swearing behavior Who's Swearing Now concludes with close analyses of four recent and highly publicized incidences of public swear word usage considered in light of the spontaneous swearing utterances speaker and addressee variables such as gender race and age and perceptions of offensiveness and propriety

Blue Streak Richard Dooling, 1996 This sure to be controversial book features direct and funny assaults on censorship plus entertaining and erudite explorations of the psychological religious social and historical landscape of obscenity Playful and sophisticated Blue Streak takes readers far beyond mere naughtiness and into the realm of literature **The Law of Sexual Harassment** Mane Hajdin, 2002 No previous familiarity with the law of sexual harassment is assumed other than the general knowledge that any casual reader of newspapers is bound to have The book is devoted to arguments that are addressed to all open minded readers who wish to think about the topic critically **BOOK JACKET** *Diachronic Pragmatics* Leslie K. Arnovick, 2000-02-15 The purpose of Diachronic Pragmatics is to exemplify historical pragmatics in its twofold sense of constituting both a subject matter and a methodology This book demonstrates how diachronic pragmatics with its complementary diachronic function to form mapping and diachronic form to function mapping can be used to trace pragmatic developments within the English language Through a set of case studies it explores the evolution of such speech acts as promises curses blessings and greetings and such speech events as flyting and sounding Collectively these illocutionary biographies manifest the workings of several important pragmatic processes and trends increased epistemicity

subjectification and discursization a special kind of pragmaticalization It also establishes the centrality of cultural traditions in diachronic reconstruction examining various de institutionalizations of extra linguistic context and their affect on speech act performance Taken together the case studies presented in Diachronic Pragmatics highlight the complex interactions of formal semantic and pragmatic processes over time Illustrating the possibilities of historical pragmatic pursuit this book stands as an invitation to further research in a new and important discipline

Advances in Discourse Approaches Marta Dynel, 2009-03-26 Taboo words Quentin Tarantino s films humorous dialogues from Sex and the City witty advertising slogans the Bible Barack Obama s speeches or legal discourse are only a few of the topics addressed in the volume The study of discourse is a diversified and fast developing field of language research embracing methodological proposals discourse analyses comparative research translation studies and teaching perspectives Within each of the approaches theoretical frameworks and postulates abound The list of research topics is inexhaustible especially that each year brings new real life material subject to analysis and issues to elaborate Each chapter is devoted to a different topic and deploys a separate theoretical framework The diversity of research data methodologies and theoretical viewpoints guarantees the volume s being a representative sample of multifarious developments in discourse approaches The book should thus be an interesting resource for enterprising researchers and students of linguistics

Freedom of Speech in the United States Thomas L. Tedford,Dale Herbeck,2001 This work covers the development of freedom of speech from Athens through Rome to England and the United States It contains an up to date treatment of defamation and privacy obscenity commercial speech prior restraint free press fair trial copyright and broadcasting and media access **ABA Journal** ,1997-03 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **The Stuff of Thought** Steven Pinker,2008-06-05 The Stuff of Thought is an exhilarating work of non fiction Surprising thought provoking and incredibly enjoyable there is no other book like it Steven Pinker will revolutionise the way you think about language He analyses what words actually mean and how we use them and he reveals what this can tell us about ourselves He shows how we use space and motion as metaphors for more abstract ideas and uncovers the deeper structures of human thought that have been shaped by evolutionary history He also explores the emotional impact of language from names to swear words and shows us the full power that it can have over us And with this book he also shows just how stimulating and entertaining language can be Freedom of Speech William Dudley,2005 Discusses the First Amendment including a history dating back to English law and recent rulings and debates **Fatti di parole** Steven Pinker,2010-10-07 Nel nostro modo di usare le parole da quelle pi nobili a quelle pi triviali racchiusa una teoria dello spazio e del tempo della materia e della causalit Nel linguaggio sia colto sia quotidiano sono radicati un modello anzi due di sessualit i concetti di divinit potere e giustizia le nozioni di intimit *Cattivi è meglio* Richard Stephens,2016-03-15 Finalmente la scienza lo dimostra le cattive abitudini fanno bene alla salute e non hanno effetti collaterali Cuss Control James V. O'Connor,2006-04-21 FINALLY THE CURE FOR THE COMMON CURSE Faced with an epidemic of profanity our country is in need of practical suggestions for breaking a habit that has ordinary citizens contributing to the decline of civility and good manners It s not always easy to resist the urge to cuss but foul language creates an unfavorable image is damaging to relationships and goes hand in hand with a negative attitude Now James V O Connor founder of the Cuss Control Academy offers the first book to explain why we swear and how we can learn to hold our tongues Cuss Control doesn t call for the total elimination of swearing just for its confinement to

situations where extreme emotion think hammer think thumb demand it His program for easing us off the gutter talk highway involves alternative potent phrases for classic curses including the F word ways to communicate clearly rather than use lazy language and tips on adjusting our attitude and abolishing obscenities Packed with practical exercises and tips as well as thoughtful reflection on how we've worked ourselves up into such a state of affairs Cuss Control is a refreshing celebration of the joys of a civil tongue O Connor is not ready to rid the world of dirty words He just thinks less cursing is the key to a less stressful world and maintains that even natural born cursers can learn to control their anger along with their language Knight Ridder Newspapers
