**Dance With the Devil** James Dressler,2008-01-06 Tom Holloway and his Southern friends are excited about their prospects in joining the war effort but the only thing they know of battle is what they've read about in newspapers They envision the whole thing as an adventure something to prove their manhood to make them into men and a diversion from their sometimes boring school regimen Ultimately they anticipate becoming heroes on a winning team Words from a grizzled war veteran makes Tom wonder whether his ideas of war are more romantic than realistic As he marches off with his friends to battle with the Yankees he remembers the harsh illumination he'd been given from a soldier with experience Watching friends and comrades die in a volley of gun and cannon fire on blood soaked ground teaches the foursome the truth of war Will hell hunger cold fatigue fear and resignation be the only comrades they have left To arms! To arms! Morgan is coming! Charles Saint,2013-11-25 July of 1863 the War between the states has entered its second year and shows no sign of ceasing With the Army of Northern Virginia advancing through Maryland Confederate Brigadier General John Hunt Morgan leads a raid through Kentucky Indiana and Ohio to bring the war the North and try and draw Union troops away from other parts of the country In the town of Marietta Ohio many men including two friends enlist in the state militia to protect their homes and are sent to the old Fort Harmer and ordered to prepare for its defense However their officers are as green as the men and as they build and try to drill they wonder if Morgan will come their way and if he does how will they stand up against the best the South has to offer
