## Blue Deer:

*Heidegger's Volk* James Phillips, 2005 Heidegger's engagement and disillusionment with National Socialism can both be properly seen to rest on the notion of the people that he takes over from traditional German nationalism and elaborates in his philosophical critique of the modern subject

**The Shaman's Mirror** Hope MacLean, 2012-08-24 Huichol Indian yarn paintings are one of the world's great indigenous arts sold around the world and advertised as authentic records of dreams and visions of the shamans Using glowing colored yarns the Huichol Indians of Mexico paint the mystical symbols of their culture the hallucinogenic peyote cactus the blue deer spirit who appears to the shamans as they croon their songs around the fire in all night ceremonies deep in the Sierra Madre mountains and the pilgrimages to sacred sites high in the central Mexican desert of Wirikuta Hope MacLean provides the first comprehensive study of Huichol yarn paintings from their origins as sacred offerings to their transformation into commercial art Drawing on twenty years of ethnographic fieldwork she interviews Huichol artists who have innovated important themes and styles She compares the artists' views with those of art dealers and government officials to show how yarn painters respond to market influences while still keeping their religious beliefs Most innovative is her exploration of what it means to say a tourist art is based on dreams and visions of the shamans She explains what visionary experience means in Huichol culture and discusses the influence of the hallucinogenic peyote cactus on the Huichol's remarkable use of color She uncovers a deep structure of visionary experience rooted in Huichol concepts of soul energy and shows how this remarkable conception may be linked to visionary experiences as described by other Uto Aztecan and Meso American cultures

People of the Peyote Stacy B. Schaefer, Peter T. Furst, 1996 The first substantial study of a Mexican Indian society that more than any other has preserved much of its ancient way of life and religion

BOOK JACKET

*The River View* Jamie Harrison, 2024-08-06 Longlisted for the Reading the West Book Awards Former sheriff Jules Clement returns in this new installment of the celebrated mystery series set once again in the wild strange windy town of Blue Deer Montana where your neighbors or the tourists can be just as deadly as the weather

Jules Clement is back in Blue Deer working as an archaeologist and private investigator. He's a mostly happy man, he's a new father, and he and his wife Caroline are building their dream house on an idyllic patch of river bottomland. But everything that can go wrong will in terms of money, love, and murder. The horrible neighbors enlist Jules to spy on each other. The county hires him to find out if a road runs over some misplaced bodies in a long abandoned potter's field. A former priest with a side hustle in extortion ends up very dead. A crew of Russians in fast cars is running amok through the Montana landscape. All this as an old nemesis returns pulling Jules back to confront what he's been avoiding his entire life: the death of his father.

Published alongside newly reissued editions of the entire series, *The River View* is further proof that you haven't been west in any meaningful sense until you've been to Blue Deer. **The Little Devil and the Rose / El diablito y la rosa**

Viola Canales, 2014-04-30. In her ode to *The Umbrella*, Viola Canales remembers a family story about her mother who every Saturday as a child popped open her prized child's bright umbrella, as did her little sister, and followed their mother's adult one from their Paloma barrio home to downtown Main Street McAllen, walking like ducks in a row, street after street, until one Saturday the littlest one disappeared inside the wilderness of Woolworth's. Warm-hearted recollections of family members are woven through this collection of 54 poems in English and Spanish, which uses the images from *lotería* cards to pay homage to small-town Mexican American life along the Texas-Mexico border. Cultural traditions permeate these verses: from the *curanderas* who cure every affliction to the daily ritual of the afternoon *merienda* or snack of sweetbreads and hot chocolate. The community's Catholic tradition is ever present; holy days, customs, and saints are staples of daily life. San Martín de Porres or El Negrito was her grandmother's favorite saint, for although she was pale too, she'd lived through the vestiges of the Mexican war, the loss of land, culture, language, and control, and it was El Negrito to whom she turned for hope to bring enemies together. Fond childhood memories of climbing mesquite trees and eating *raspas* are juxtaposed with an awareness of the disdain with which Mexican Americans are regarded. Texas museums, just like its textbooks, feature cowboy boots worn by Texas Rangers but have no clue or sign of the *vaqueros*, the original cowboys, or the Tejas, the native Indians there. And some childhood memories aren't so happy. In *The Hand*, she writes, "In the morning I arrived at my first grade class knowing no English; at noon I got smacked by the teacher for speaking Spanish outside in the playground." Inspired by the archetypes found in the Mexican bingo game called *lotería*, these poems reflect the history of family, culture, and war rooted in the Southwest for hundreds of years.

**Jaguar in the Body, Butterfly in the Heart**, Ya'Acov Darling Khan, 2017. Shaman, which means intermediary between spirit and the natural world, is a much overused and maligned word. It is not a title one can give oneself; it is a vocation, and a student is traditionally given this job title by their elders and teachers at a certain point in their journey. This powerful spiritual memoir is the story of Ya'Acov Darling Khan's 30-year journey with shamanism. This healing

journey has taken him to the depths of the Amazon dance studios in New York the caves of South Wales and to the far North of the Arctic Circle In this fascinating and personal book Ya Acov shares how he has had to understand and work through the shadows and pitfalls of this ancient practice and find its contemporary expression in a culture that did its best to destroy it Ya Acov will share his experiences of studying with an extraordinary range of Native American and South American teachers and Gabrielle Roth and working alongside the Achuar and Sappara peoples of the Ecuadorian Amazon For thousands of years shamans helped their communities to remain in balance with themselves each other the natural world and the spirit world The marginalization and near extinction of shamans has coincided with our banishment from the Garden of Eden the results of which have been catastrophic on almost every level This beautifully written book is not only a powerful memoir but a guide book to all those wishing to return to their indigenous roots and especially to the many people around the world who are looking to bring in a new dream and a new world

**Going Local** Jamie Harrison, 2024-07-02 You haven't been west in any meaningful sense until you've been to Blue Deer Montana Rekindles our delight in Ms Harrison's offbeat sensibility and tart regional voice The New York Times Book Review What seems characteristic of the best crime writing is surpassingly true of Jamie Harrison she is creating entertainment and diversion but she is also writing social history as accurate in its essences as a road map and generating a most admirable work of literature Los Angeles Times Love and rodeos land and greed The inhabitants of Blue Deer are gearing up for the annual Fourth of July rodeo with tourists descending upon the town in a kind of berserk westward ho When the bodies of an environmental lawyer and his lover are found bobbing inside a tent in a reservoir Jules at first assumes jealousy but follows the evidence through the intricacies of mining law rodeos and explosions leading to a proposed resort in the Crazy Mountains Going Local continues the exploits of Sheriff Jules Clement in this exciting installment of the critically acclaimed mystery series
