Blue Skye:

Sentimental Lady Cassie Bundy, 2012 Skye Manchester's mother Lorelei has just died of breast cancer while she was away at college. Driving home for the funeral she finds herself consumed with thoughts and questions. When she begins reading her mother's old diaries she thinks she's getting all the answers. The next morning Skye wakes up in a strange room and soon finds herself face to face with a teenage version of her mother. It's somehow 1978. Her mind is racing but soon she relaxes and learns to just go with it. Through school, concerts, dances, and just hanging out with Lorelei and her friends, Skye's many questions are answered. She witnesses great friendships, her parents' first date, and her mother's first love. Skye finds a friend in the woman she always called Mom. But will the guilt she feels about not being there when her mother passed ever go away?

Seven Skyes Under Manuel Skye, 2023-05-25 *Seven Skyes Under* contains modernized spiritual teachings for applications in all spheres of life. It is an updated version of the teachings I have been sharing with the world in incarnation after incarnation. Maybe you have been a student of mine, a warrior, or a friend. Maybe we connected when your soul was not even incarnated yet. What matters is that today, by opening this book, you have decided to take a step further in mastering your life and fulfilling your potential by retrieving your connection with the divine and your consciousness. This book covers psychic powers and what are known as supernatural phenomena, plus fitness, healing, and sexuality, which are also key in raising vibrations. I kept the book real and raw for I wanted it to feel like a conversation. Each spiritual concept is presented in a well-grounded, easy-to-grasp form. Our body of light and energy are presented in their simplest forms so your soul can remember their functions. Barriers and limitations created by our human minds and today's societal constructs can now vanish. All eighteen chapters, which could be books by themselves, are aimed to inspire you and make you realize that all the answers are already within your heart. I will simply allow you to believe in yourself by sharing my life story, which includes my body of evidence of true spiritual powers. I had the privilege of being born into a deeply spiritual family and having a clairaudient spiritual coach, which allowed me to flourish and complete the first part of this journey. For the next part of that journey, under the seven skies, I now need you to retrieve your immutable connection with our higher consciousness. So come with me where we can be the gods and goddesses we are meant to be.
