Blue Suit A Memoir Of Crime:

The Blue Suit Richard Rayner, 2013-10-25 Richard Rayner had a peripatetic childhood and it seemed he found some sense of place when he attended Cambridge University The study of philosophy combined with an obsession with books however served as the catalyst for a bizarre life of crime Mounting debts propelled the author into a series of adventures as he plundered bookstores for elusive first editions forged checks and acted as an accomplice in a Keystone Kops like attempted bank robbery In a memoir that's compelling edgy painfully alive Times Literary Supplement like stripped down Dostoevsky Time this is the personal story both tragic and comic of an absence of identity and a long checkered past of crimes and misdemeanors

My Criminal Memoir Louis Shalako, They say confession is good for the soul The author wouldn't know too much about that but there is such a thing as the Mirror of Eternal Truth where much may be revealed and much may be concealed and much may be left out An atheist doesn't actually have a soul but the principle remains the same The world's longest written confession My Criminal Memoir is not exactly an

apology It s not exactly an explanation It may be an act of contrition Consider it more of an acknowledgement a romp down memory lane as much as it is a history lesson Louis Shalako has made his peace with the Universe as he heads on to the next phase of his life
