Blue Jay and Found Objects

Carmine Giordano, 2022-12-07 On the front jacket of this volume is a photograph I took at a museum ecology exhibit of a Blue Jay sculpted by trash artist artist Thomas Deininger from the collected flotsam and jetsam of the sea pieces of iron mesh wood plastic and other cast away items from many water ways items which appear close up on the back cover The artist's work is a literal reflection of the way the ragtag emotional and physical pieces of a life may also be compiled and wonderfully transformed through the language of poetry the way in this collection one's struggle with religious guilt is portrayed as an all night wrestle with an angel the way the arc of one's life is mirrored in the bud and blossom of potted amaryllis bulbs the way heaven might be traded in another poem for a slice of pizza the way one's troubling thoughts need to be extracted on another page with the help of an exorcist
