**Julia Schneider**

## **Arizona Wild Free:**

**Arizona, Wild & Free** Stewart L. Udall, Randy Udall, 1993 If there is a consummate place where native animals and plants thrive unencumbered in an environment that is wild and free that place could very well be Arizona Huge tracts of the state are untrammelled by humans remaining wild beautiful and undeveloped as when the Creator finished them providing countless opportunities for the spirit to take flight and soar free over an endless variety of verdant grasslands warm deserts dense forests and teeming wetlands Once viewed by our culture as something to be tamed and put to productive use these wild lands today are recognized as having an intrinsic value of their own and are often set aside as sanctuaries where the spirit can reconnect with nature and once again hear the songs of the Earth Listen to the music emanating from Arizona s wilderness and you will hear a symphony In *Arizona Wild Free* former Secretary of the Interior Stewart L Udall shares some of the truths he has learned in a lifetime of roaming Arizona s wide open spaces and listening to her natural music His experiences bring new insight and appreciation for this sanctuary and man s place within it In surveying Arizona s phenomenal variety of wildlife some speculate that Arizona must be where Noah s ark landed releasing its cargo to roam wild and free over spectacular habitats that include a kaleidoscopic range of shapes colors and textures A talented group of Arizona Highways photographic contributors have captured the colorful flora nd fauna of Arizona Wild Free in more than 100 images The accompanying captions bring to life intriguing aspects of the land the plants and the personalities of the creatures that live there *Monthly Catalog of United States Government Publications* United States. Superintendent of Documents, 1985 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index *Exploring Arizona's Wild Areas* Scott S. Warren, 1996 This latest volume in The Mountaineers popular Exploring Wild Areas series takes a look at the year round recreational opportunities available in the Grand Canyon State Whether you re a hiker cross country skier climber paddler or back packer this handy guide will show you the best ways to explore these diverse wilderness areas With detailed profiles on the state s forests deserts canyons and meadows Exploring Arizona s Wild Areas includes 84 area and trail maps information on terrain and elevation historical background special tips for keeping your cool in warmer temperatures and more Cover **Range Issues and Problems with the Wild Horse and Burro Act and Its Implementation** United States.
