Guide to Arizona's Wilderness Areas Tom Dollar,1998 Arizona is known for its exceptional variety of topography and ecosystems From stands of saguaro cacti and plunging canyons to high alpine forests many are fragile areas in need of protection All told Arizona has some 92 wilderness areas and author Tom Dollar provides informative descriptions for backcountry travelers wishing to explore those 65 areas accessible to the public Many areas are so remote they are virtually inaccessible This guidebook includes suggestions for hikers along with insights into the unique natural history of such areas as Paria Canyon Mazatzal Organ Pipe and Kachina Peaks wildernesses Outdoor photographer Jerry Sieve s dramatic photographs illustrate each of the areas described **Guide to the Plants of Arizona's White Mountains** ,2019-09-15

George C West provides a simple and quick guide written especially for amateur plant lovers nature enthusiasts interested hikers tourists and botanists who want to learn more about the plants of the White Mountains in east central Arizona The book is neatly organized into three parts which include woody trees all other annual biennial and perennial flowers shrubs and vines and ferns This useful guide is written in accessible language that makes it easy to identify over five hundred plant species found in the region More than a thousand incredible color photographs of flowers leaves and other features provide nuanced detail that helps the reader differentiate various species of flowering plants trees and ferns Guide to the Plants of Arizona s White Mountains is a must have reference for all outdoor enthusiasts exploring this popular region of the Southwest

American Guides Wendy Griswold,2016-08-26 In the midst of the Great Depression Americans were nearly universally literate and they were hungry for the written word With an eye to this market and as a response to unemployment Roosevelt s Works Progress Administration created the Federal Writers Project They produced the Project s American Guides an impressively produced series that set out not only to direct travelers on which routes to take and what to see throughout the country but also to celebrate the distinctive characteristics of each individual state The series unintentionally diversified American literary culture s cast of characters promoting women minority and rural writers while it also institutionalized the innovative idea that American culture comes in state shaped boxes *Utah* Federal Writers' Project,Writers' Program
