Ark of the Covenant Roderick Grierson,Stuart C. Munro-Hay,2000-03-02 At the heart of the city of Aksum in Ethiopia stands a small chapel whose entrance is constantly guarded Ethiopians believe that this chapel contains the Ark of the Covenant their religious epic The Glory of Kings gives an account of how Makeda the Queen of Sheba had a son by Solomon and how it was this son who removed the Ark from Jerusalem because of the disobedience of the people of Israel **Religion and its**

**Origins in Human Psychology: A View through History** Michael Kay,2024-03-01 In an era of scientific dominance why does religion still maintain an unshakeable grip over so many lives dramatically impacting world events Why did humanity first develop religious constructs and institutions How has our relationship with the divine evolved over civilisation's history This book chronicles religion's enduring role across millennia its profound shaping of both individuals and societies Reviewing psychological theories it explores the evolution of our inherent need to interact with gods and the supernatural Religion was our original science humanity's first response to the natural world and our place within it Since then two major transitions have revolutionised our religious approach First the emergence of teachers like Zoroaster Jesus and Mohammed

introduced personal and social accountability Today science and nationalism inherit many attributes once exclusive to faiths Throughout history religion also empowered rulers who claimed special divine sanction to exert authority and wage war Despite an uneasy coexistence with science religion perseveres because it continues answering profound human requirements at personal and collective levels This is the innate legacy that ensures religion s hold over life and world affairs is unlikely to ever diminish     Lost Histories Joel Levy,2007 Lost places Atlantis The Temple of Solomon The library of Alexandria Camelot El Dorado Lost artefacts works and relics The Ark of the Covenant The lost Dialogues of Aristotle The Holy Grail Shakespeare s lost plays Lost treasure The treasure of the Dead Sea scrolls King John s jewels The treasure of the Knights Templar Montezuma s hoard Captain Kidd s buried treasure The Oak Island money pit Lost people The lost army of Cambyses Boudicca s grave The tomb of Genghis Khan The Lost Colony of Roanoke Amelia Earhart s last flight Lost wrecks The Persian invasion fleets The White Ship Treasure galleons of the 1715 plate fleet The Franklin expedition     *Aethiopica* ,2006     **From Eden to Exile** Eric H. Cline,2012-12-04 Combining the academic rigor that has won the respect of his peers with an accessible style that has made him a favorite with readers and students alike he lays out each mystery evaluates all available evidence from established fact to arguable assumption to far fetched leap of faith and proposes an explanation that reconciles Scripture science and history Numerous amateur archaeologists have sought some trace of Noah s Ark to meet only with failure But though no serious scholar would undertake such a literal search many agree that the Flood was no myth but the cultural memory of a real catastrophic inundation retold and reshaped over countless generations Likewise some experts suggest that Joshua s storied victory at Jericho is the distant echo of an earthquake instead of Israel s sacred trumpets a fascinating geologically plausible theory that remains unproven despite the best efforts of scientific research Cline places these and other Biblical stories in solid archaeological and historical context debunks more than a few lunatic fringe fantasies and reserves judgment on ideas that cannot yet be confirmed or denied Along the way our most informed understanding of ancient Israel comes alive with dramatic but accurate detail in this groundbreaking engrossing entertaining book by one of the rising stars in the field     The Publishers Weekly ,     Apocryphité Centre d'études des religions du livre (France),2002     *The Message of Chronicles* Michael Wilcock,2022-04-21 1 2 Chronicles are first and foremost a sermon meant to foster a right relationship between God and his people With great perception the Chronicler shows how the records of Israel reveal the pattern of God s hand in the events of his nation s history and how within that pattern the Lord s constant mercy love and faithfulness shine through In this readable and thoughtful commentary Michael Wilcock explores how once that purpose is grasped the message of 1 2 Chronicles comes alive The Chronicler s sermon is a final and momentous look back over the entire Old Testament and the countless persons named are part of one people of the living God With perceptive insight Wilcock guides us through the two halves of the Chronicles paralleling them the vibrancy contrast and drama of the Book of Revelation in the New Testament and showing how the Chronicles make vivid to us the truths by which the Lord s

people in every generation are to live Part of the loved and trusted The Bible Speaks Today series of commentaries The Message of 1 2 Chronicles offers an accessible and thorough exposition of the Biblical text as well as pastoral exploration of the lessons it can teach Christians today Used by Bible students and teachers around the world The Bible Speaks Today commentaries are ideal for students and preachers who are looking to delve more deeply into the riches of Scripture This beautifully redesigned edition has also been sensitively updated to include modern references and use the NIV Bible text The Message of 1 2 Chronicles is perfect for anyone looking for commentaries on Chronicles that will help them understanding its meaning both in its original context and for modern Christians
