*Arkansas Mischief* Jim McDougal, Curtis Wilkie, 2015-07-21 Until his recent death in federal prison Jim McDougal was the irrepressible ghost of the Clintons Arkansas past As Bill Clinton s political and business mentor McDougal with his knowledge of embarrassing real estate and banking deals bribes and obstructions of justice has long haunted the White House Jim McDougal s vivid self portrait completed only days before his death and coauthored by veteran journalist Curtis Wilkie takes on the rich particularity of character and plot to reveal the hidden intersections of politics and special interests in Arkansas and the betrayals that followed It is the story of how ambitious men and women climbed out of rural obscurity and how friendships break down and lives are ruined *The Road to Camelot* Thomas Oliphant, Curtis Wilkie, 2017-05-09 John F Kennedy and his young warriors invented modern presidential politics They turned over accepted wisdom that his Catholicism was a barrier to winning an election and plotted a successful course to that constituency They hired Louis Harris a polling entrepreneur to become the first presidential pollster They twisted arms and they charmed They lined up party bosses young enthusiasts and fellow Catholics and turned the traditional party inside out The last minute invitation to Lyndon B Johnson for vice president in 1956 surprised them only because they had failed to notice that he wanted it They invented The Missile Gap in the Cold War and out glamoured Richard Nixon in the TV debates Now journalists Tom Oliphant and Curtis Wilkie provide the most comprehensive account based on a depth of personal reporting interviews and archives The authors have examined more than 1 600 oral histories at the John F Kennedy library they ve interviewed surviving sources including JFK s sister Jean Smith and they draw on their own interviews with insiders including Ted Sorensen and Arthur Schlesinger Jr From the start of the campaign in 1955 when his father tried to persuade President Johnson to run with JFK as his running mate *The Road to Camelot* reveals him as a tough shrewd political strategist who kept his eye on the prize

**Prosecuting the President** Andrew Coan, 2019 Prosecuting the President explains what every American needs to know about special prosecutors perhaps the most consequential and the most mysterious public officials of our time For more than a century they have struck fear into the hearts of Presidents who have the power to fire them at any time How could this be And how could the nation have entrusted such a high responsibility to such subordinate officials As this book shows the answer is that special prosecutors serve as catalysts for democracy By raising the visibility of presidential misconduct they enable the American people to hold the President accountable for his actions Ultimately the choice is ours **The Death of American Virtue** Ken Gormley, 2010-02-16 Ten years after one of the most polarizing political scandals in American history author Ken Gormley offers an insightful balanced and revealing analysis of the events leading up to the impeachment trial of President William Jefferson Clinton From Ken Starr s initial Whitewater investigation through the Paula Jones sexual harassment suit to the Monica Lewinsky affair and Brett Kavanaugh s role in the subsequent inquiry *The Death of American Virtue* is a gripping chronicle of an ever escalating political feeding frenzy In exclusive interviews Bill Clinton Ken Starr

Monica Lewinsky Paula Jones Susan McDougal and many more key players offer candid reflections on that period Drawing on never before released records and documents including the Justice Department s internal investigation into Starr new details concerning the death of Vince Foster and evidence from lawyers on both sides Gormley sheds new light on a dark and divisive chapter the aftereffects of which are still being felt in today s political climate The New Encyclopedia of American Scandal George C. Kohn,2001 Covering people and events from the 1630s to the present day this reference offers 455 entries on such topics as dirty politics white collar scams botched cover ups tawdry love affairs and despicable acts of corruption **Warmonger** Jeremy Kuzmarov,2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband s support for mass incarceration banking deregulation and free trade agreements that led many U S jobs to be shipped overseas Warmonger How Clinton s Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton s foreign policy was just as bad as his domestic policy Cultivating an image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan s two terms Clinton further expanded America s covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton s malign foreign policies and U S complicity in terrorist acts In so many ways Clinton s presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton s administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent **Worldmark Encyclopedia of the States** Gale Group,2001 All the information you need on the states of the U S in one large oversized volume of 800 pages **Bill Clinton** Nigel Hamilton,2011-06-08 Nigel Hamilton brings all the magisterial authority he brought to his Whitbread winning biography of Monty and all the talent for tracking down and verifying hidden controversial material that he showed in JFK Reckless Youth

which topped the American bestseller charts for months in this new biography of Bill Clinton Born into a white trash family in backwoods racially segregated Arkansas he suffered under an alcoholic violent stepfather on one occasion having to fight him physically in order to protect his mother As a youth he would become inspired by the civil rights movement particularly Martin Luther King and as a student became a long haired hippy musician involved in radical politics and also discovering free love Hamilton tells the story of how Clinton s sexual and political career developed hand in hand This is a book about sexual politics on many levels showing how Clinton s life was formed by changing attitudes Here is a man who far from being a sexual predator or exploiter of his position like JFK was swept to power because women adored him whether Democratic party helps the women of the American electorate or indeed Hilary Clinton whose powerfully manipulative personality is shown to have been vital to his success Clinton has been polygamous throughout his adult life and Hamilton s fascinating portrait of a marriage examines Hilary s relationship with his quite astonishing number of girlfriends The book also covers his time at Oxford as a Rhodes scholar his political apprenticeship and his rise to power culminating in his election as President in 92

*Big Government and Affirmative Action* Jonathan Bean,2021-10-21 David Stockman Ronald Reagan s budget director proclaimed the Small Business Administration a billion dollar waste a rathole and set out to abolish the agency His scathing critique was but the latest attack on an agency better known as the Small Scandal Administration Loans to criminals government contracts for minority fronts the classification of American Motors as a small business Whitewater and other scandals the Small Business Administration has lurched from one embarrassment to another Despite the scandals and the policy failures the SBA thrives and small business remains a sacred cow in American politics Part of this sacredness comes from the agency s longstanding record of pioneering affirmative action Jonathan Bean reveals that even before the Civil Rights Act of 1964 the SBA promoted African American businesses encouraged the hiring of minorities and monitored the employment practices of loan recipients Under Nixon the agency expanded racial preferences During the Reagan administration politicians wrapped themselves in the mantle of minority enterprise even as they denounced quotas elsewhere Created by Congress in 1953 the SBA does not conform to traditional interpretations of interest group democracy Even though the public and Congress favors small enterprise there has never been a unified group of small business owners requesting the government s help Indeed the SBA often has failed to address the real problems of Mom and Pop shop owners fueling the ongoing debate about the agency s viability

*Bill Clinton* Allan Metz,2002-03-30 Bill Clinton s administration was filled with new policies and achievements for the nation s future but those achievements were easily overshadowed by personal flaws and scandal Despite his personal problems Clinton captured the American public and served two terms as one of our more memorable presidents This comprehensive bibliography on Clinton will provide students with information from his childhood his pre presidential career presidency including assessments of it and the beginning of his post presidential life Key access points to this information are provided in the Table of Contents and detailed author and subject indexes Also
