## **Arlene Sardine:**

□□□□□□□□,1961      **Arlene Sardine** Chris Raschka,2013-03-19 So you want to be a sardine Once there was a fish named Arlene who wanted to be a sardine She wanted to be a sardine just like the silvery salty fish that you see in those little tins at the grocery store With the bold brushstrokes of his vibrant illustrations Chris Raschka follows Arlene s journey from a fjord to a big net to a briny bath aboard a fishing boat And he reveals just how to get packed like a sardine This fixed layout ebook which preserves the design and layout of the original print book features read along narration      *Arlene Sardine*

Christopher Raschka,1998 Follows the short life of Arlene from brisling to canned sardine      *The Cambridge Companion to Children's Literature* M. O. Grenby,Andrea Immel,2009-12-10 Some of the most innovative and spell binding literature has been written for young people but only recently has academic study embraced its range and complexity This Companion offers a state of the subject survey of English language children s literature from the seventeenth century to the present With discussions ranging from eighteenth century moral tales to modern fantasies by J K Rowling and Philip Pullman the Companion illuminates acknowledged classics and many more neglected works Its unique structure means that equal consideration can be given to both texts and contexts Some chapters analyse key themes and major genres including humour poetry school stories and picture books Others explore the sociological dimensions of children s literature and the impact of publishing practices Written by leading scholars from around the world this Companion will be essential reading for all students and scholars of children s literature offering original readings and new research that reflects the latest developments in the field      *Nonfiction Craft Lessons* JoAnn Portalupi,Ralph Fletcher,2023-10-10 Writing nonfiction represents a big step for most students yet when they try to create a report or persuasive essay they are often anxious and frustrated JoAnn Portalupi and Ralph Fletcher created Nonfiction Craft Lessons Teaching Information Writing K 8 to help teachers bring the passion from student writing while helping students scaffold their ideas in this challenging genre The authors divided this book into grade specific sections for K 2 3 4 and middle school grades 5 8 students These divisions reflect various differences between emerging competent and fluent writers In each section you ll find a generous collection of craft lessons directed at the genre that s most appropriate for that particular age In the K 2 section for example a number of craft lessons focus on the all about or concept book In the 3 4 section there are several lessons on biography In the 5 8 section a series of lessons addresses expository writing Throughout the book each of the 80 lessons is presented on a single page in an easy to read format Every lesson features three teaching guidelines Discussion A brief look at the reasons for teaching the particular element of craft specifically in a nonfiction context How to Teach It Concrete language showing exactly how a teacher might bring this craft element to students in writing conferences or a small group setting Resource Material Specific book or text referred to in the craft lesson including trade books or a piece of student writing in the Appendixes This book will help students breathe voice into lifeless dump truck writing and improve their nonfiction writing

by making it clearer more authoritative and more organized Nonfiction Craft Lessons gives teachers a wealth of practical strategies to help students grow into strong writers as they explore and explain the world around them Postmodern Picturebooks Lawrence R. Sipe, Sylvia Pantaleo, 2010-04-26 Over the past 15 years there has been a pronounced trend toward a particular type of picturebook that many would label postmodern Postmodern picturebooks have stretched our conventional notion of what constitutes a picturebook as well as what it means to be an engaged reader of these texts The international researchers and scholars included in this compelling collection of work critically examine and discuss postmodern picturebooks and reflect upon their unique contributions to both the field of children s literature and to the development of new literacies for child adolescent and adult readers *The Hidden Adult* Perry Nodelman, 2008-09-30 What exactly is a children s book How is children s literature defined as a genre A leading scholar presents close readings of six classic stories to answer these questions and offer a clear definition of children s writing as a distinct literary form Perry Nodelman begins by considering the plots themes and structures of six works *The Purple Jar* *Alice in Wonderland* *Dr Doolittle* *Henry Huggins* *The Snowy Day* and *Plain City* all written for young people of varying ages in different times and places to identify shared characteristics He points out markers in each work that allow the adult reader to understand it as a children s story shedding light on ingrained adult assumptions and revealing the ways in which adult knowledge and experience remain hidden in apparently simple and innocent texts Nodelman then engages a wide range of views of children s literature from authors literary critics cultural theorists and specialists in education and information sciences Through this informed dialogue Nodelman develops a comprehensive theory of children s literature exploring its commonalities and shared themes *The Hidden Adult* is a focused and sophisticated analysis of children s literature and a major contribution to the theory and criticism of the genre At Arm's Length Mike Cadden, 2021-06-28 Literary critics and authors have long argued about the importance or unimportance of an author s relationship to readers What can be said about the rhetorical relationship that exists between author and reader How do authors manipulate character specifically to modulate the emotional appeal of character so a reader will feel empathy awe even delight In *At Arm s Length* A Rhetoric of Character in Children s and Young Adult Literature Mike Cadden takes a rhetorical approach that complements structural affective and cognitive readings The study offers a detailed examination of the ways authorial choice results in emotional invitation Cadden sounds the modulation of characters along a continuum from those larger than life and awe inspiring to the life sized and empathetic down to the pitiable and ridiculous and all those spaces between Cadden examines how authors alternate between holding the young reader at arm s length from and drawing them into emotional intensity This balance and modulation are key to a rhetorical understanding of character in literature film and television for the young Written in accessible language and of interest and use to undergraduates and seasoned critics *At Arm s Length* provides a broad analysis of stories for the young child and young adult in book film and television Throughout Cadden touches on important topics in children s literature studies

including the role of safety in children's media as well as character in multicultural and diverse literature. In addition to treating traditional works, he analyzes special cases, forms including picture books, verse novels, and graphic novels, and modes like comedy, romance, and tragedy. Bulletin of the Center for Children's Books, 1999. *The Joy of Children's Literature* Denise Johnson, 2023-12-18. This book provides in-depth coverage of children's literature with integrated reading methods in a concise, accessible format. Johnson emphasizes that reading, writing, discussing, and finding pleasure in children's books are essential tools in being able to recognize and recommend literature and being able to share the joy of children's literature with children themselves. This fully updated third edition includes up-to-date research, new book titles within each chapter, a greater focus on diversity and inclusion, and new sections on Activities for Professional Development and Print and Online Resources.

**Craft Lessons** Ralph Fletcher, JoAnn Portalupi, 2023-10-10. Since its publication in 1998, *Craft Lessons* has become a staple in the writing classroom of both new and experienced teachers. Authors Ralph Fletcher and JoAnn Portalupi recognized the need for a succinct resource and teamed together to write the second edition of *Craft Lessons: Teaching Writing K-8*. Teachers pressed for time will appreciate the practical lessons and instructional language geared to three grade-level groupings: K-2, 3-4, and 5-8. This edition includes 17 brand-new lessons, mini-lessons designed from teachers' comments about what is observed, students' writing, revisions to other craft lessons, and the resource materials sections have been expanded. New ways to approach teaching using elements of craft and the reading-writing connection. A subject index to find specific craft lessons with ease. The authors' thoughts about how craft lessons fit into their newest thinking about the qualities of writing: Ideas, Design, Language, and Presentation. The 95 lessons in this book provide a wealth of information for teaching leads, character, endings, stronger verbs, and much more. This new edition reestablishes *Craft Lessons* as the crucial desert island book for harried writing teachers everywhere. Reading Children's Literature: A Critical Introduction - Second Edition Carrie Hintz, Eric L. Tribunella, 2019-03-28. *Reading Children's Literature* offers insights into the major discussions and debates currently animating the field of children's literature. Informed by recent scholarship and interest in cultural studies and critical theory, it is a compact core text that introduces students to the historical contexts, genres, and issues of children's literature. A beautifully designed and illustrated supplement to individual literary works assigned, it also provides apparatus that makes it a complete resource for working with children's literature during and after the course. The second edition includes a new chapter on children's literature and popular culture, including film, television, and merchandising, and has been updated throughout to reflect recent scholarship and new offerings in children's media.

**Stay** John Clute, 2016-11-24. *Stay* gathers together 100,000 words of reviews plus short fiction by John Clute and was originally published to coincide with Loncon3, the 2014 World Science Fiction Convention, at which he was one of the Guests of Honour. Also included is a complete reprint of the text of *The Darkening Garden*.
