Armageddon Again A Reply To Hal Lindsey:

Armageddon Again? Stafford North, 1991-10-01 ARMAGEDDON AGAIN asks why all fail who have predicted when the world will end The book answers they have misused Bible teachings about the end base their predictions on that misunderstanding ARMAGEDDON AGAIN presents an opposing view to such writers as Hal Lindsey to those who gather followers in seclusion to await Christ s return to those who forecast a great war to end the world ARMAGEDDON AGAIN reviews the theory of dispensational pre millenialism presents a refutation in seven chapters the fulfillment of Old Testament Prophecies about Kings Kingdoms Matthew 24 the End of the World The Last Days The Anti Christ The Rapture The Battle of Armageddon The Thousand Year Reign of Revelation 20 The book has been widely accepted as a clear rational approach to these such topics based on careful interpretation of scripture The author Dr Stafford North holds a Ph D degree from the University of Florida teaches the books of Daniel Revelation at Oklahoma Christian University He is a noted authority on the subjects covered in the book having spoken on them widely in person on radio television **ARMAGEDDON: An**

Eschatological Response To Bart Ehrman Craig Lantz, ThD, PhD, 2025-08-16 This book is entitled ARMAGEDDON is a theological and critical response to none other than Dr Bart Ehrman Professor Ehrman questions whether or not the Jesus as presented in the book of Revelation is the same Jesus that is presented in the Gospel accounts He concludes that these are two separate versions of Jesus Therefore the book of Revelation does not represent the Jesus of the Gospels The God of Revelation is a mean wrathful vindictive and blood thirsty God This Jesus in Revelation is not at all merciful forgiving and peaceful There are serious claims and this book is a response to these pejorative claims In this book the author will explain that Jesus is not just a one dimensional being The author will explain the fullness of what Jesus spoke of in the Gospels that will acquit Him of these pejorative charges This book will defend the integrity and character of the Lord Jesus Christ and present the full picture of His nature and character The prophetic passages and parables that Jesus spoke of will find their ultimate fulfillment in the book of Revelation Rather than seeing the book of Revelation as a book that should not have been included in the New Testament the author argues that Revelation is the final capstone and fulfillment of everything Jesus said about Hell and fire in the Final Judgment The righteous have nothing to fear The wealth of the wicked in the Babylon of Revelation is stored up for the righteous Our God will be vindicated and acquitted of these criminal charges that indict His character of love mercy and forgiveness Professor Ehrman an adversary of the truth will be knocked off his ivory tower and proven wrong about his claims and conclusions about Jesus *The Case for Zionism* Thomas Ice, 2017-02-20 The modern

state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really

relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day Why the End of the World is Not in Your Future Gary DeMar,2008 Back to the Future Ralph E. Jr. Bass,Ralph Bass,2004-07 After embracing the theology of Dispensationalism for thirty three years doubts grew in the author s mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something fare different from the usual offerings This book is the result of the author s quest

Armageddon Bart D. Ehrman,2024-03-19 A humane thoughtful and intelligent The New York Times Book Review bestselling Biblical scholar reveals why our popular understanding of the Apocalypse is all wrong and why that matters You ll find nearly everything the Bible says about the end in the Book of Revelation a mystifying prophecy filled with bizarre symbolism violent imagery mangled syntax confounding contradictions and very firm ideas about the horrors that await us all But no matter what you think Revelation reveals whether you read it as a literal description of what will soon come to pass interpret it as a metaphorical expression of hope for those suffering now or only recognize its highlights from pop culture you re almost certainly wrong In Armageddon acclaimed New Testament authority Bart D Ehrman delves into the most misunderstood and possibly most dangerous book of the Bible on a vigilantly persuasive The Washington Post tour through three millennia of Judeo Christian thinking about how our world will end With wit and verve he explores the alarming social and political consequences of expecting an imminent apocalypse considers whether the message of Revelation may be at odds with the teachings of Jesus and offers inspiring insight into how to live in the face of an uncertain future By turns hilarious moving troubling and provocative Armageddon is nothing short of revelatory in its account of what the Bible really says about the end *Paperbound Books in Print* ,1992 **Expecting the End** Kenneth G. C. setting them in historical present day and future manifestations Approaching this fervent expectation from a broad perspective Gribben and Newport explore the contemporary movements with insightful analysis that provokes discussion and even self reflection

the United States Price is an active religious advocate as well as an author and editor **The Age of Sex Crime** Jane Caputi,1987 The sexualized serial murder of women by men is the subject of this provocative book Jane Caputi argues that the sensationalized murders by men such as Jack the Ripper Son of Sam Hillside Strangler and the Yorkshire Ripper represent a contemporary genre of sexually political crimes The awful deeds function as a form of patriarchal terrorism disappearing women at a rate of some four thousand annually in the United States alone Caputi asks us not only to name the phenomenon of sexually political murder but to recognize sex crime in all of its various interconnecting manifestations

The Left Behind Fantasy William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense **American Christians and Islam** Thomas S. Kidd,2018-06-05 In the wake of the September 11 terrorist attacks many of America s Christian evangelicals have denounced Islam as a demonic and inherently violent religion provoking frustration among other Christian conservatives who wish to present a more appealing message to the world s Muslims Yet as Thomas Kidd reveals in this sobering book the conflicted views expressed by today s evangelicals have deep roots in American history Tracing Islam s role in the popular imagination of American Christians from the colonial period to today Kidd demonstrates that Protestant evangelicals have viewed Islam as a global threat while also actively seeking to convert Muslims to the Christian faith since the nation s founding He shows how accounts of Mahometan despotism and lurid stories of European enslavement by Barbary pirates fueled early evangelicals fears concerning Islam and describes the growing conservatism of American missions to Muslim lands up through the post World War II era Kidd exposes American Christians anxieties about an internal Islamic threat from groups like the Nation of Islam in the 1960s and America s immigrant Muslim population today and he demonstrates why Islam has become central to evangelical end times narratives Pointing to many evangelicals unwillingness to acknowledge Islam s theological commonalities with Christianity and their continued portrayal of Islam as an evil and false religion Kidd explains why Christians themselves are ironically to blame for the failure of evangelism in the Muslim world American Christians and Islam is essential reading for anyone seeking to understand the causes of the mounting tensions between Christians and Muslims today **Rethinking Imagination** Gillian Robinson,John F. Rundell,2016-01-28 Pulling together a collection of richly informative essays Rethinking Imagination

addresses competing sets of ideas oscillating between the modern and post modern creativity and sublimity progress and apocalypse democracy and redemption Enlightenment and Romanticism and reason and imagination Aiming to thematise these debates from the perspective of the imagination Rethinking Imagination takes two directions The first addresses a socio cultural interpretation in which the distinguishing figures of modernity can be viewed as continuing differentiation and autonomization of spheres and systems that goes well beyond the divisions of labour The second is an ongoing philosophical discourse about the imagination and its relation to reason which has been present since Enlightenment Divided into two separate yet interconnected parts this book is a highly significant collection of essays and a valuable contribution to the field of philosophical and socio cultural sociology It is a key book for undergraduate postgraduate and academic researchers
