Imitation and Praise in the Poems of Ben Jonson Richard S. Peterson, 2016-12-05 In the first edition of this now classic text Richard Peterson offered an important revaluation of the poetry of Ben Jonson and a new appreciation of the way in which the classical doctrine of imitation the creative use of the thoughts and words of predecessors permeates and shapes Jonson s critical ideas and his work as a whole The publication of the original book in 1981 led to a reinterpretation of the poems and a coherent view of Jonson s philosophy the resulting portrait of Jonson served as a corrective to earlier views based primarily on the satiric poems and plays This second edition of *Imitation and Praise in the Poems of Ben Jonson* makes Peterson s important scholarship available to a new generation of scholars and students
