Arnold Van Gennep The Creator Of French Ethnography:

Arnold Van Gennep Nicole Belmont, **Arnold Van Gennep** Nicole Belmont, 1979 **The Enigma of Arnold Van Gennep (1873-1957)** Rosemary Lévy Zumwalt, 1988 *The Evil Eye* Alan Dundes, 1992 The evil eye the power to inflict illness damage to property or even death simply by gazing at or praising someone is among the most pervasive and powerful folk beliefs in the Indo European and Semitic world It is also one of the oldest judging from its appearance in the Bible and in Sumerian texts five thousand years old Remnants of the superstition persist today when we drink toasts tip waiters and bless sneezers To avert the evil eye Muslim women wear veils baseball players avoid mentioning a no hitter in progress and traditional Jews say their business or health is not bad rather than good Though by no means universal the evil eye continues to be a major factor in the behavior of millions of people living in the Mediterranean and Arab countries as well as among immigrants to the Americas This widespread superstition has attracted the attention of many scholars and the twenty one essays gathered in this book represent research from diverse perspectives anthropology classics folklore studies ophthalmology psychiatry psychoanalysis sociology and religious studies Some essays are fascinating reports of beliefs about the evil eye from India and Iran to Scotland and Slovak American communities others analyze the origin function and cultural significance of this folk belief from ancient times to the present day Editor Alan Dundes concludes the volume by proffering a comprehensive theoretical explanation of the evil eye Anyone who has ever knocked on wood to ward off misfortune will enjoy this generous sampling of evil eye scholarship and may never see the world through the same eyes again **Rites of Passage in Postcolonial Women's Writing** Pauline Dodgson-Katiyo, Gina Wisker, 2010 Pauline Dodgson Katiyo is Head of Humanities at Sheffield Hallam University Her research focus is on African literature particularly Zimbabwean contemporary women's writing and postcolonial cinemas *Fifty Key Anthropologists* Robert Gordon, Harriet Lyons, Andrew Lyons, 2010-11-15 A survey of the life work ideas and impact of some of the most influential anthropologists from classic thinkers through to figures working now *Revisiting the Colonial Past in Morocco* Driss Maghraoui, 2013-07-18 Exploring the concept of colonial cultures this book analyses how these cultures both transformed and were transformed by their various societies Challenging both the colonial vulgate and the nationalist paradigm *Revisiting the Colonial Past in Morocco* examines the lesser known specificities of particular moments practices and institutions in Morocco with the aim of uncovering a new colonial history By examining society on a micro level this book raises the profiles of the mass of Moroccans who were highly influential in the colonial period yet have been excluded from the historical record because of a lack of textual source material Introducing social and cultural history gender studies and literary criticism to the more traditional economic political and military studies the book promotes a more complex and nuanced understanding of Moroccan colonial history Employing new theoretical and methodological approaches this volume encourages a re assessment of existing work and promotes a more interdisciplinary approach to the colonial history of Morocco *Revisiting the*

Colonial Past in Morocco is a highly topical and useful addition to literature on the subject and will be of interest to students and scholars of History Imperialism and more generally Middle Eastern Studies

Inconsistencies in Greek and Roman Religion H. S. Versnel, 1990 This second volume of a two part collection of studies on inconsistencies in Greek and Roman religion focuses on the ambiguities in myth and ritual of transition and reversal

Monsters of the Gévaudan Jay M. Smith, 2011-03-15 In 1764 a peasant girl was killed and partially eaten while tending sheep Eventually over a hundred victims fell prey to a mysterious creature whose deadly efficiency mesmerized Europe Monsters of the Gévaudan revisits this spellbinding tale and offers the definitive explanation for its mythic status in French folklore

In the Museum of Man Alice L. Conklin, 2013-10-15 In the Museum of Man offers new insight into the thorny relationship between science society and empire at the high water mark of French imperialism and European racism Alice L Conklin takes us into the formative years of French anthropology and social theory between 1850 and 1900 then deep into the practice of anthropology under the name of ethnology both in Paris and in the empire before and especially after World War I and finally into the fate of the discipline and its practitioners under the German Occupation and its immediate aftermath Conklin addresses the influence exerted by academic networks museum collections and imperial connections in defining human diversity socioculturally rather than biologically especially in the wake of resurgent anti-Semitism at the time of the Dreyfus Affair and in the 1930s and 1940s Students of the progressive social scientist Marcel Mauss were exposed to the ravages of imperialism in the French colonies where they did fieldwork as a result they began to challenge both colonialism and the scientific racism that provided its intellectual justification Indeed a number of them were killed in the Resistance fighting for the humanist values they had learned from their teachers and in the field A riveting story of a close knit community of scholars who came to see all societies as equally complex In the Museum of Man serves as a reminder that if scientific expertise once authorized racism anthropologists also learned to rethink their paradigms and mobilize against racial prejudice a lesson well worth remembering today

Liminality and the Modern Bjørn Thomassen, 2016-05-06 This book provides the history and genealogy of an increasingly important subject liminality Coming to the fore in recent years in social and political theory and extending beyond its original use as developed within anthropology liminality has come to denote spaces and moments in which the taken for granted order of the world ceases to exist and novel forms emerge often in unpredictable ways Liminality and the Modern offers a comprehensive introduction to this concept discussing its development and laying out a conceptual and experiential framework for thinking about change in terms of liminality Applying this framework to questions surrounding the implosion of non spaces the analysis of major historical periods and the study of political revolution the book also explores its possible uses in social science research and its implications for our understanding of the uncertainty and contingency of the liquid structures of modern society Shedding new light on a concept central to social thought as well as its capacity for pushing social and political theory in new directions this book will be of interest to scholars across the social

sciences and philosophy working in fields such as social political and anthropological theory cultural studies social and cultural geography and historical anthropology and sociology **Zoroastrian Rituals in Context** Michael

Stausberg,2018-08-14 Rituals it is agreed play a prominent role in Zoroastrianism one of the oldest continuous traditions of mankind In this book scholars from a broad range of disciplines make the first ever collective effort to address this issue From a historical and geographical perspective texts and contexts studied in these pages range from antiquity to modernity all the way from Japan China India Iran Europe to California The essays touch on questions of theory ritual texts change and performances gender and professional religion priesthood lay people The rituals studied are placed in a broad scope of social and local settings ranging from the royal court to the needy from the rural village to the urban metropolis from the domestic to the public *Rites of Passage* Nicola McDonald,W. M. Ormrod,2004 A substantive introduction by Miri Rubin draws

together the ideas and materials discussed in the book to illustrate the relevance and importance of anthropology to the study of medieval culture Jacket **Elgar Encyclopedia of Political Anthropology** Arpad Szakolczai,Paul

O'Connor,2025-09-10 This Encyclopedia explores the anthropological underpinnings of politics Featuring biographical entries that reconstruct the life works of key theorists from across the globe alongside topical entries on a range of issues in political anthropology it poses the question what does it mean to be human in contemporary times **International Folkloristics**

Alan Dundes,1999 International folkloristics is a worldwide discipline in which scholars study various forms of folklore ranging from myth folktale and legend to custom and belief Twenty classic essays beginning with a piece by Jacob Grimm reveal the evolving theoretical underpinnings of folkloristics from its nineteenth century origins to its academic coming of age in the twentieth century Each piece is prefaced by extensive editorial introductions placing them in a historical and intellectual context The twenty essays presented here including several never published previously in English will be required reading for any serious student of folklore *The Hebrew Folktale* Eli Yassif,2009-04-16 The most comprehensive

account of its subject now available this impressive study lives up to the encyclopedic promise of its title Choice The Hebrew Folktale seeks to find and define the folk elements of Jewish culture Through the use of generic distinctions and definitions developed in folkloristics Yassif describes the major trends structural thematic and functional of folk narrative in the central periods of Jewish culture *Witchcraft continued* Willem De Blecourt,Owen Davies,2018-07-30 This electronic version has

been made available under a Creative Commons BY NC ND open access license The study of witchcraft accusations in Europe during the period after the end of the witch trials is still in its infancy Witches were scratched in England swum in Germany beaten in the Netherlands and shot in France The continued widespread belief in witchcraft and magic in nineteenth and twentieth century France has received considerable academic attention The book discusses the extent and nature of witchcraft accusations in the period and provides a general survey of the published work on the subject for an English audience It explores the presence of magical elements in everyday life during the modern period in Spain The book

provides a general overview of vernacular magical beliefs and practices in Italy from the time of unification to the present with particular attention to how these traditions have been studied By functioning as mechanisms of social ethos and control narratives of magical harm were assured a place at the very heart of rural Finnish social dynamics into the twentieth century The book draws upon over 300 narratives recorded in rural Finland in the late nineteenth and early twentieth centuries that provide information concerning the social relations tensions and strategies that framed sorcery and the counter magic employed against it It is concerned with a special form of witchcraft that is practised only amongst Hungarians living in Transylvania From Anthropology to Social Theory Arpad Szakolczai, Bjørn Thomassen, 2019-01-17 A rethinking of

contemporary social theory that provides a vision about the modern world through key ideas developed by maverick anthropologists **Approaches to Greek Myth** Lowell Edmunds, 2021-04-27 A handy introduction to some of the more useful methodological approaches to and the previous scholarship on the subject of Greek myths Phoenix Since the first edition of *Approaches to Greek Myth* was published in 1990 interest in Greek mythology has surged There was no simple agreement on the subject of myth in classical antiquity and there remains none today Is myth a narrative or a performance Can myth be separated from its context What did myths mean to ancient Greeks and what do they mean today Here Lowell Edmunds brings together practitioners of eight of the most important contemporary approaches to the subject Whether exploring myth from a historical comparative or theoretical perspective each contributor lucidly describes a particular approach applies it to one or more myths and reflects on what the approach yields that others do not Edmunds's new general and chapter level introductions recontextualize these essays and also touch on recent developments in scholarship in the interpretation of Greek myth Contributors are Jordi P. Mias on the reception of Greek myth through history H. S. Versnel on the intersections of myth and ritual Carolina Lopez Ruiz on the near Eastern contexts Joseph Falaky Nagy on Indo-European structure in Greek myth William Hansen on myth and folklore Claude Calame on the application of semiotic theory of narrative Christiane Sourvinou Inwood on reading visual sources such as vase paintings and Robert A. Segal on psychoanalytic interpretations A valuable collection of eight essays Edmunds's book provides a convenient opportunity to grapple with the current methodologies used in the analysis of literature and myth *New England Classical Newsletter and Journal* Theorizing Rituals Jens Kreinath, Michael Strausberg, 2006 Volume two of *Theorizing Rituals* mainly consists of an annotated bibliography of more than 400 items covering those books edited volumes and essays that are considered most relevant for the field of ritual theory Instead of proposing yet another theory of ritual the bibliography is a comprehensive monument documenting four decades of theorizing rituals
