Around a Spring Gustave Droz,1871 **Around a Spring / Translated from the French of Gustave Droz by MS**
Gustave Droz,2004-01-01 **The Atlantic Monthly** ,1871 *Henry James: Literary Criticism Vol. 2 (LOA #23)* Henry
James,1984-12-31 Henry James renowned as one of the world s great novelists was also one of the most illuminating
audacious and masterly critics of modern times This Library of America volume is one of two volumes of the most extensive
collection of his critical writings ever assembled with many pieces never before available in book form It includes reviews of
a great number of European writers especially French writers along with more general essays and the Prefaces Henry James
wrote for the New York Edition of his works published between 1907 and 1909 More than one hundred reviews and essays
are gathered by author so that readers can trace the development of James s complex meditative and highly volatile attitudes
toward a wide spectrum of literature James reviews the formidable Honor de Balzac with his huge all encompassing all desiring
all devouring love of reality Gustave Flaubert a pearl diver breathless in the thick element while he groped for the priceless
word and Ivan Turgenev the Russian visitor in Paris with whom James felt great personal affinity even though Tugenev
lacked the immense charm of absorbed inventiveness James delivers his critical judgments with great elegance and point
especially when he discusses the performance of other critics like Hippolyte Taine and Augustin Sainte Beuve and of course
he can be wonderfully acerbic An early moralistic essay on Baudelaire finds Poe vastly the greater charlatan of the two and
the greater genius James brings his critical zest exhilaration and independence of judgment to bear on writers as diverse as
Alphonse Daudet George Sand Victor Hugo Guy de Maupassant Th ophile Gautier J W von Goethe and Gabriele D Annunzio
Readers will find in the complete collection of the Prefaces one of literature s most revealing artistic autobiographies a
wholly absorbing account of how writing gets written and a vision of the possibilities for fiction which critics and novelists of
later times will find immensely instructive and liberating LIBRARY OF AMERICA is an independent nonprofit cultural
organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print
America s best and most significant writing The Library of America series includes more than 300 volumes to date
