A Journey of Discovery All Around Our House Robert Kemp Philp, 1867 **Around the House and in the Garden**
Dominique Browning, 2003-04-02 Presents a collection of essays about home life covering home decoration gardening domestic life and the intimate relationship between self and home *Our Homes and their Adornments* Almon Clothier Varney, 2024-05-01 Reprint of the original first published in 1882 **Our Home**, 1873 *Framed By Our Houses* William R. Marshall, 2025-10-06 What s it like being the only Anglophones settling into the rural Beauce region south of Qu bec City where no one keeps a lock on their door What kind of struggles does one encounter as a young adult living in communal housing in Peterborough Ontario in the era of love peace and rock and roll How does it feel to eke out a rugged living in a remote cabin in Brighton Beach BC without any experience of that lifestyle Author William R Marshall can tell you the answers since these are all lives he s lived Full of warmth heart and a delightful sense of humour Framed by Our Houses is a gorgeous collection of stories of Marshall s time spent in different houses across Canada from farm to sea and city Recounting stories of his life living in staying in and visiting these houses across the nation and across the span of his life Marshall paints a charming portrait of Canadian life touching on all manner of rites and rituals of childhood adolescence adulthood and aging as he does as well as gesturing to wider issues of settler Indigenous relations immigration and the increasing loss of community roots in the modern world In such a world we might all be better off doing as Marshall has trading roots for webs finding our place amidst a sprawling network of relationships spanning space and time *Sell Your House and Buy a Sailboat: Then Sail Halfway Around The World* Ray Emerson, 2019-04-30 The idea for this sailing adventure was planted with Tinkerbelle a book by Robert Manry about a solo voyage across the Atlantic Ocean in a thirteen and a half foot sailboat which I read in 1967 That seed lay dormant for thirty six years until the one day when I came home from my job as a marine biologist Raymond my darling wife Judy said I have spent twenty five years here This is my last winter in Alaska I am leaving She paused I hope you will come with me I considered her words and after a few moments said Yes I then asked Would you live on a sailboat She quietly considered my question then replied Yes It was as simple as that the rest is history It was soon after this conversation in December 2002 that we purchased a forty foot sailboat in Bellingham Washington and moved from a 3 200 square foot home to a space forty feet by twelve feet that tapered at each end to a usable space of about 200 square feet Much of the stuff we had accumulated over the years was dispersed like it would be at an estate sale as if someone had died In a sense we had died but as the stuff went away we began to feel reborn **Official Reports of the Debates of the House of Commons of the Dominion of Canada** Canada.
