the original expression fade and are eventually forgotten In these pages are accounts of works successful in their own time alongside others that failed to achieve more than a liminal presence among them Schubert's Alfonso und Estrella and his last opera project Der Graf von Gleichen whose libretto was banned even before Schubert set to work composing it Enlivening the narrative are generous music examples reproductions of artwork and facsimiles of autograph material **Puccini's The Girl of the Golden West** Burton D. composers and is brilliantly echoed by Sollers's artful tangle of narrative Staff, 2000-04 $\,$
