Drs. Potts and Wainwright. With a preface by the latter, and an introduction and notes by an Anti-Sectarian** George POTTS (D.D.),1844 **No Church Without a Bishop** Jonathan Mayhew Wainwright,1844 *Intellect Encounters Faith - A Synthesis* J. Harold Ellens,John Tracy Greene,2014-10-21 *Intellect Encounters Faith A Synthesis* is a Festschrift crafted to honor a renaissance man a literary tribute to Dr Jay Harold Ellens that has been long overdue While attending the 2014 International Meeting of the Society of Biblical Literature at the University of Vienna July 6 10 Professor Ellens celebrated his eighty second birthday

He is still a most engaged and active scholar practicing clinical psychologist and military chaplain with the rank of Colonel. He publishes widely in Second Temple Judaism and works that are on the cusp between religious studies, history of religions and psychology as well as spirituality. He is a marvel to behold and is an excellent indefatigable Vorbild for both professional colleagues as well as an ever growing number of aspiring scholars he mentors. He is the model of the modern peripatetic scholar. The Festschrift acknowledges the major foci of Professor Doctor Ellens own work: Psychology, Religious Literature and Military History. Moreover, there are included in this volume several personal reflections by some of his friends and colleagues also. The essays/chapters contained herein are works of deep and broad scholarship. Yet they are deeply personal tributes to a master pedagogue who has touched many lives in many walks of life. All however reflect Professor Ellens influence on the contributors as if one is looking at them through their writings and seeing him. The reader will find this a most informative volume and will return to it often as an up to date reference work on trends in religious studies, psychology, psychology of religion s and even the archaeology of the Second Jewish Temple period. One will discover between these covers a rare and valuable reference work that honors a rare prolific and generous man. **University of Arkansas at**

Keith Mascord, 2025-02-06 An Honest Faith tackles the thorny question of whether Christian faith is compatible with the questing and questioning spirit of philosophy. The author argues that a mutually productive friendship between Athens (philosophy/science) and Jerusalem (theology/faith) is possible and in fact necessary, given that various forms of the faith resist questioning and therefore end up holding onto outdated, unsupported and damaging beliefs, for example on matters of gender and sexuality. The author draws upon his own experiences in the conservative Anglican Diocese of Sydney and his teaching career in philosophy to issue a challenge to Christians to have an honest faith and not hold back from the quest for answers.

which lies at the heart of religion philosophy and science The book s first half which can be characterized as an exercise in faith deconstruction lays out a number of the more serious challenges to historic or traditional Christian faith while noting its rapid demise in Australia the US the UK and throughout the Western world The book s second half recommends a careful reconstruction or reformation of the faith Puseyism ,1841 **The Nation** ,1887 **A New Family Bible ... with Notes, Illustrations, and Practical Improvements: Selected from the Exposition of the Rev.
