Armed Robbers Their Crimes:

Armed Robbery Roger Matthews, 2013-01-11 Armed robbery is regarded as one of the most serious crimes and is widely reported in the media This book provides an account of armed robbery based on research with 350 robbers in prison and on work with two police armed response units Armed Robbers Emmeline Taylor (Convenor of criminology), 2022 This title offers a frank account of the experiences of convicted armed robbers suffused with moral ambiguities Notoriously difficult to access armed robbers have mostly eluded the attempts of authors to access their lives Aside from biographies of the most infamous the stories of armed robbers as varied bizarre and captivating as they are have rarely been told This has resulted in robbers being considered as largely homogenous their unique pathways to crime ignored or lumped into ill defined stereotypes Yet their routes into one of the most serious violent crimes could not be more varied Written by a leading female criminologist *Armed Robbers* relays the powerful sometimes amusing often harrowing stories of 42 convicted criminals in Australia **Armed Robbers and Their Crimes** Rosemary J. Erickson, 1996-01-01 This is powerful significant study of armed robbers their crimes From street muggers to bank robbers they tell why they do it how they do it why people get hurt The study explores the thinking motives of the robbers examines what they look for when they plan to rob Special attention is given to how convenience store robbers differ from other robbers For the study 310 armed robbers were surveyed in 1995 in 20 prisons in three states Maryland Washington Texas A follow up of a survey conducted ten years earlier the findings are compared the changes in society crime during that time are reflected Erickson a sociologist who has contributed to the research literature on robbery for over twenty years adds her insight to the experience of these robbers offers suggestions for the persistent always difficult problem of commercial crime Published by Athena Research Corporation 2508 11th Avenue W Seattle WA 98119 Tel 206 298 9315 FAX 206 298 9346 **Armed Robbery** Roger Matthews, 2013-01-11 Despite the significance of armed robbery in the criminal justice system the media and in the public mind there has been little systematic research or writing on the subject beyond the popular accounts In both the USA and the UK there remains a large gap in the literature on the subject which this book aims to fill It provides a comprehensive account of armed robbery based on extensive research with 350 armed robbers in prison and on work with two police armed response units Despite the significance of armed robbery in the criminal justice system the media and in the public mind there has been little systematic research or writing on the subject beyond the popular accounts from the Metropolitan and South Yorkshire Police This is the book on the subject Criminal Behavior Elaine Cassel, Douglas A. Bernstein, 2007-04-03 *Criminal Behavior* explores crime as a developmental process from birth through early adulthood It further examines the role that legal political and criminal justice systems play in the development of criminal behavior **Encyclopedia of Crime and Punishment** David Levinson, 2002 Authoritative and comprehensive this multivolume set includes hundreds of articles in the field of criminal justice Impressive arrays of authors have contributed to this resource addressing such diverse topics as racial profiling

money laundering torture prisoner literature the KGB and Sing Sing Written in an accessible manner and attractively presented the background discussions definitions and explanations of important issues and future trends are absorbing Interesting sidebars and facts reference lists relevant court cases tables and black and white photographs supplement the entries Appendixes cover careers in criminal justice Web resources and professional organizations A lengthy bibliography lists relevant works The Best of the Best Reference Sources American Libraries May 2003 **The Sexual Murderer** Eric Beauregard,Melissa Martineau,2016-10-04 Sexual homicide continues to be one of the most widely reported and sensationalised forms of murder attracting fascination from the public and scholars alike Despite this continued interest few empirical studies have been conducted on this particular form of sexual crime The Sexual Murderer provides an analytical review of the state of knowledge on the sexual murderer and his offense and presents new data that confronts some of the accepted ideas and myths surrounding this type of homicide The authors draw on original data stemming from both offenders and the police to present an exhaustive and accurate picture of the sexual murderer and his offense and compare the sex offenders who do kill with sex offenders who despite being very violent do not Each chapter includes a section on the practical implications of the findings and what the findings mean for professionals working with these cases and for the criminal justice system This book explores themes including the role of fantasies paraphilias and personality criminal career context of the crime journey to murder modus operandi and crime scene sex trade workers avoiding detection body disposal pathways and whether we can predict sexual homicide occurrence This book is a comprehensive resource for academic and professionals involved in sexual homicide cases such as psychologists psychiatrists investigators and profilers as well as individuals working in the field of sexual violence This book will also be of interest to students taking courses on homicide sexual homicide and serial homicide *The International Criminal Tribunal for the Former Yugoslavia 2001* André Klip,2005 *The Crime of Robbery in the United States* Arnold Sagalyn,1971 **Piracy and Armed Robbery at Sea** Robin Geiss,Anna Petrig,2011-02-24 Piracy is no longer an archaic problem This analysis of the legal issues surrounding the repression of piracy and armed robbery at sea assesses whether the existing legal regime can effectively counter piracy in the modern age **Crime Types and Criminals** Frank E. Hagan,2010 A good introduction to crime types and criminology to provide students with a grounding to the start of their studies *Task Force Report: Crime and Its Impact--an Assessment* United States. Task Force on Assessment of Crime,United States. Task Force on Assessment,1967 An overview of the urban crime problem containing the results of a number of research studies and consultant papers This volume makes use of the results of three major public surveys to examine the problem of unreported crime public attitudes toward crime and law enforcement the characteristics of victims and victim offender relationships and a variety of other crime problems Chapters are devoted to the special problems of the economic burden of crime white collar crime and an appraisal of the current national system of statistical accounting on crime and criminal justice matters There are three appendices prepared

Armed Robbers Their Crimes Introduction

In the digital age, access to information has become easier than ever before. The ability to download Armed Robbers Their Crimes has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Armed Robbers Their Crimes has opened up a world of possibilities. Downloading Armed Robbers Their Crimes provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Armed Robbers Their Crimes has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Armed Robbers Their Crimes. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Armed Robbers Their Crimes. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Armed Robbers Their Crimes, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Armed Robbers Their Crimes has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
