various cultures Even though Armenians have succeeded in preserving their original language and culture through the centuries many of their traditions and myths their linguistic peculiarities particularly in Armenian dialects may be explained by an often long lasting influence of other cultures be it occidental Hellenistic Roman later Byzantine and Medieval European or oriental Iranian later Arab Turkic Mongolian etc or even Caucasian The Armenians have also left many traces in the languages and cultures of the Occident Orient and the Caucasus This volume gives an impressive approach to an interdisciplinary view of the linguistic and cultural properties which Armenians share with their neighbours
