Armies And Parties In Africa:

Armies and Parties in Africa Henry Bienen, 1978 Military Marxist Regimes in Africa John Markakis, Michael Waller, 2013-07-23 First published in 1986 This is a collection of editorial and articles covering military Marxist regimes in the African locations of the Horn of Africa Benin the People s Republic of Congo Madagascar and Burkina Faso African Political Parties M. A. Mohamed Salih, 2003-02-20 This book interrogates the political health of African political parties and evaluates the theory and practice of party functions ideology and structure Through fresh analysis using a variety of case studies the authors question the democratic credentials of African political parties and propose new methods for achieving inclusive broad based representation Themes include the evolution and institutionalisation of African political parties the unique historical political and social circumstances that shaped their structures and functions In the governance trajectory the authors question the relationship between African political parties and government political parties and representation political parties and electoral systems and political parties and parliament Case studies include Ethiopia Ghana Kenya Botswana Namibia South Africa Tanzania Zambia Zimbabwe and many others *The French Army and Its African Soldiers* Ruth Ginio, 2017 As part of France s opposition to the independence of its former colonies in the years following World War II its army remained deeply invested in preventing the decolonization of the territories comprising French West Africa FWA Even as late as the 1950s the French Army clung to the hope that it was possible to retain FWA as a colony believing that its relations with African soldiers could offer the perfect model for continued ties between France and its West African territories In *The French Army and Its African Soldiers* Ruth Ginio examines the French Army s attempts to win the hearts and souls of the local population at a time of turbulence and uncertainty regarding future relations between the colonizer and colony Through the prism of the army s relationship with its African soldiers Ginio considers how the army s activities and political position during FWA s decolonization laid the foundation for France s continued active presence in some of these territories after independence This project is the first thorough examination of the French Army s involvement in West Africa before independence and provides the essential historical background to understanding France s complex postcolonial military relations with its former territories in Africa **State Formation and the Structure of Politics in Mamluk Syro-Egypt, 648-741 A.H./1250-1340 C.E.** Winslow Williams Clifford, 2013 Winslow Williams Clifford is one of the few historians so far who have addressed the history and culture of the so called Mamluk Sultanate 1250 1517 on the basis of theoretical models This volume is a posthumous publication of his doctoral thesis submitted in 1995 at the University of Chicago Through his skillful application of social theory Clifford succeeded in providing highly convincing evidence that the Mamluk rulers did not as was maintained for a long time constitute a static form of oriental despotism but was rather a highly differentiated society It was primarily based on compliance with a complex system of order that had established itself during the rule of the first sultans *The Military Intervenes* Henry Bienen, 1968-12-31 Explores the mechanisms of military

intervention and its consequences The contributors examine a succession of coups attempted coups and established military regimes with a view to evaluate the role of the military as a ruling group and an organization fostering political development These studies cast strong doubt on the abilities of the military as a modernizing and stabilizing agent raising important questions about our policies on military assistance and arms sales Bienen makes an especially strong plea for a reassessment of our military and economic political policies in order to determine whether both are working toward the same goals

Africa in the Post-Decolonization Era Richard E. Bissell, Michael S. Radu, 1984-01-01 Addressing the changing problems and perspectives of Africa leading Africanists examine economic political and ideological trends in the sub Saharan region since the time of independence and assess their probable impact on the future of the subcontinent Contributors deal with such essential topics as the influence of ideology on the evolution of African politics the role of the military in African politics the decline in food production and economic crises as a direct threat to the continent's independence the problem of South Africa and the U S position with regard to South Africa and the failure of the African collective security system Armed Forces, Conflict, And Change In Africa Henry S. Bienen, 2019-03-04 Nigeria has not evolved political formulas that explicitly allow religion or religious authorities to define legitimacy There have however been struggles carried out in religious terms over constitutional mechanisms for adjudicating conflict Religion also has been an element in the conflict between ethnic language groups Finally religion provides a language a set of values and institutions through which groups struggle and over which groups contend both within and between religious communities It has been necessary for northern leaders to stress Islam in order to maintain northern unity However Islam itself has worked to intensify fissures opened up by social and economic change in Nigeria Islam in Nigeria continues to be contentious in both domestic and foreign policy Military, Politics and Democratization in Southern Africa Tendai Chari, Patrick Dzimiri, 2023-08-10 This book explores multiple challenges faced by democratization in Southern Africa Applying a wider lens to the concept of political transition and employing a variety of theoretical and methodological approaches the contributions gathered here explore residual political cultural practices that hinder democratic consolidation in Southern Africa Presenting various case studies the book tackles themes such as the military political nexus leadership renewal constitutionalism electoral politics election violence marginalization of women civil society and political transition media framing and transitional justice Written from a multidisciplinary perspective and drawing on empirical data from multiple sources this edited volume challenges orthodox conceptualizations of political transition The book will be of interest to students and scholars of political science African studies and related fields as well as policy makers and professionals interested in the latest political developments in Southern Africa **The ^AOxford Companion to Politics of the World** Joel Krieger, 2001-08-02 The world has seen dramatic changes since the publication of the first edition of The Oxford Companion to Politics of the World in 1993 In the post Cold War world globalization now offers wealth and opportunities on a broader scale as well as greater international

harmony but threatens to reinforce the advantage gap between wealthy and poor regions and intensify environmental degradation Conflict and squalor expressed in brutal brushfire wars epidemics and chronic underdevelopment vie with equally dramatic accounts of growth and democracy associated with a liberal political order and the global diffusion of trade investment and communications Drawing on the breadth of the first edition this updated edition reflects the changing world with a reassessment of many of the core themes of the Companion and new articles on the people concepts and events that have shaped the world since 1993 The second edition includes biographies of Kofi Annan Tony Blair Bill Clinton and Gerhard Schroder articles on events such as the Rwandan Genocide and the war in Kosovo and coverage of international trade developments such as NAFTA and the World Trade Organization Eighty seven of the 672 articles in the Second Edition are completely new most others are thoroughly revised This edition also features a substantial new set of articles a dozen essays on critical issues written by influential figures Recognizing the importance of including varying viewpoints the editors have commissioned these essays to provide an informed and often passionate debate on controversial topics Discussions include Lani Guinier and Glenn Loury on Affirmative Action Francis Fukuyama and Milton Fisk on the Limits of Liberal Democracy and Lloyd Axworthy and John Bolton on the United Nations The contributors discuss nearly every nation in the world including extensive information on institutions political parties leaders and the sources of political mobilization and conflict The volume also includes biographies of more than seventy five political leaders and thinkers who have shaped the contemporary political world Articles include detailed discussions of critical historical developments and events concepts international law and organizations The Oxford Companion to Politics of the World Second Edition is an accessible timely thought provoking and comprehensive reference that captures the complexity and vitality of contemporary world affairs

African American Army Officers of World War I Adam P. Wilson, 2015-04-29 In April 1917 Congress approved President Woodrow Wilson s request to declare war on the Central Powers thrusting the United States into World War I with the rallying cry The world must be made safe for democracy Two months later 1 250 African American men college graduates businessmen doctors lawyers reverends and non commissioned officers volunteered to become the first blacks to receive officer training at Fort Des Moines Iowa Denied the full privileges and protections of democracy at home they prepared to defend it abroad in hopes that their service would be rewarded with equal citizenship at war s end This book tells the stories of these black American soldiers lives during training in combat and after their return home The author addresses issues of national and international racism and equality and discusses the Army s use of African American troops the creation of a segregated officer training camp the war s implications for civil rights in America and military duty as an obligation of citizenship *Political Parties and National Integration in Tropical Africa* James Smoot Coleman, Carl G. Rosberg, 1966

Civil Military Interaction in Asia and Africa Kennedy, Louscher, 2021-11-08 The focus of this book is on the interaction between the civilian government and the military in Asian and African countries The authors have gone to great

lengths to provide an accurate analysis of both the advantages and the shortcomings of the respective countries attempts to reach civil military cooperation Each article provides the reader with the information necessary to make a preliminary judgement on the efficiency of the given country s ability to achieve harmony between their government and their military

The Handbook of African Defence and Armed Forces Evert Kleynhans,Marco Wyss,2025-03-01 The Handbook of African Defence and Armed Forces provides the first in depth and multifaceted analysis of the evolution and current state of national defence policies strategies doctrines capabilities security challenges and strategic responses of African states and their armed forces Geographically these aspects are investigated at the national sub regional and regional levels Chronologically they are analysed against the backdrop of the superpower withdrawal from the continent in the 1990s and the so called New Scramble for Africa which has seen a crescendo of renewed great power interest in the continent s resources as well as its strategic role location and relevance since the 2000s The book takes a bottom up and African centric approach and is organized around five key themes i the differing security outlooks and defence policies of African powers within the region and the different sub regions ii the strategies doctrines transformation and employment of African armed forces iii the relationship between African armed forces with sub regional regional and international organizations iv the challenges that African states and their armed forces have been facing and their strategic responses and v the position of African perspectives and agency in the context of continental and international security and defence Understanding African security and defence especially in terms of each individual nation s ability to contribute to peacekeeping operations counterterrorism border security and internal security requires a focus on the national level of armed forces and defence policies this in turns sheds light on sub regional and regional divergences challenges and cooperation Based on this framework the chapters in this volume offer comprehensive African perspectives on African and international security and defence and in doing so show the agency of the continent s countries and armed forces in International Security and Relations

New Armies from Old Roy Licklider,2014-04-15 Negotiating a peaceful end to civil wars which often includes an attempt to bring together former rival military or insurgent factions into a new national army has been a frequent goal of conflict resolution practitioners since the Cold War In practice however very little is known about what works and what doesn t work in bringing together former opponents to build a lasting peace Contributors to this volume assess why some civil wars result in successful military integration while others dissolve into further strife factionalism and even renewed civil war Eleven cases are studied in detail Sudan Zimbabwe Lebanon Rwanda the Philippines South Africa Mozambique Bosnia Herzegovina Sierra Leone Democratic Republic of the Congo and Burundi while other chapters compare military integration with corporate mergers and discuss some of the hidden costs and risks of merging military forces New Armies from Old fills a serious gap in our understanding of civil wars their possible resolution and how to promote lasting peace and will be of interest to scholars and students of conflict resolution international affairs and peace and security studies
