Army Of Tennessee A Military History:

The Army of Tennessee Stanley F. Horn, 1993 Nowhere in the annals of United States military history is there a more tragic yet valorous story than that of the Army of Tennessee Unlike its companion fighting unit the Army of Northern Virginia which was commanded throughout the Civil War by one of the great military figures of all time Robert E Lee the history of the Army of Tennessee is one of ever changing commanders of bickering and wrangling among its leaders and a discouraging succession of disappointments and might have been **Training, Tactics and Leadership in the Confederate Army of Tennessee**

Andrew R.B. Haughton, 2012-12-06 This assessment of the performance of the southern soldiers in the American Civil War of 1861 deals with every aspect of an army from its senior officer to the lowliest private following every process as the soldier tried to adapt to military life train and overcome the enemy **The Army of Tennessee** Stanley F. Confederate Military History Clement Anselm Evans, 1899 **Military Record of Army and Civilian Appointments in the United States Army** Guy V. Henry, 2025-08-28 Reprint of the original first published in 1873 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Army of the Heartland* Thomas Lawrence Connelly, 2001-08-01 A companion volume to Autumn of Glory Most of the Civil War was fought on Southern soil The

responsibility for defending the Confederacy rested with two great military forces One of these armies defended the heartland of the Confederacy a vital area which embraced the state of Tennessee and large portions of Alabama Georgia Mississippi and Kentucky This is the story of that army the first detailed study to be based upon research in manuscript collections and the first to explore the military significance of the heartland The Army of Tennessee faced problems and obstacles far more staggering than any encountered by the other great Confederate force Lee s Army of Northern Virginia Lee s army was charged with the defense of an area considerably smaller in size And while Lee s line of defense extended only about 125 miles the front defended by the Army of Tennessee stretched for some 400 miles Yet the Army of the Heartland has heretofore been given relatively slight attention by historians With this volume Thomas Lawrence Connelly a native Tennessean has brought Confederate military history more nearly into balance Throughout the war the Army of Tennessee was plagued by ineffective leadership There were personality conflicts between commanding generals and corps commanders and breakdowns in communications with the Confederate government at Richmond Lacking the leadership of a Lee the Army of Tennessee failed to attain a real esprit at the corps level Instead the common soldiers sensing the quarrelsome nature of their leaders developed at regimental and brigade levels their own peculiar brand of morale which sustained them through continuous defeats Connelly analyzes the influence and impact of each successive commander of the Army His conclusions regarding Confederate command and leadership are not the conventional ones *The Military History of Ohio* A.
