Army Life:

Army Life A. O. Marshall, 2009-09-01 In 1884 when Albert O Marshall published *Army Life* a memoir of his service as a private in the Thirty Third Illinois Regiment twenty years had passed since his 1864 discharge Marshall left the journal untouched at publication and today it is a journal that is rare in what it is not This memoir is not a complete story of the Thirty Third known as the Normal Regiment because many of its soldiers were from Illinois State Normal University nor is it a complete roster of regiment members nor a list of killed and wounded *Army Life* is not even a purely military account written from an officer s point of view It is the story of a twenty year old private whose engaging writing belies his age but also allows his youth to shine through Marshall tells of the battles he fought and the games he played of his friends fellow soldiers and officers and of the regiment s activities in Missouri and Arkansas at Vicksburg and in Louisiana and on the Texas Gulf Coast Enhanced with careful editing and thorough annotations this journal Marshall carried faithfully to every mustering out is a rich and important Civil War memoir

Army Life Ramon Carrasco, 2005-11 I never saw myself as a soldier I always imagined myself doing many different things but this one was not one of them My senior year in high school I planned everything out It was nothing like this *Life* has a funny way of changing your plans Author Ramon Carrasco joined the U S Army as a last resort eager to leave the boring normalcy of Big Lake Texas and to make a fresh start But he struggles to find his place in the military Shipped off to Seoul Korea he must learn to deal with the absence of important people in his life mainly his family and come to terms with old relationships while making new ones *Army Life* details Carrasco s quest to discover his purpose in life In doing so he finds out that the Army is not what he thought it would be and that people are not always who they appear to be Faced with new challenges Carrasco learns more about who he is and why his life has led him to this point Will Carrasco s personal struggles and being in the Army overwhelm him or will his strong spirit see him through

Army Life and United States Army Recruiting News ,1942

The Second World War Through Soldiers' Eyes James Goulty, 2020-05-30 What was it really like to serve in the British Army during the Second World War Discover a soldier s view of life in the British Army from recruitment and training to the brutal realities of combat Using first hand sources James Goulty reconstructs the experiences of the men and women who made up the citizen s army Find out about the weapons and equipment they used the uniforms they wore how they adjusted to army discipline and faced the challenges of active service overseas What happened when things went wrong What were your chances of survival if you were injured in combat or taken prisoner While they didn t go into combat thousands of women also served in the British Army with the ATS or as nurses What were their wartime lives like And when the war had finally ended how did newly demobilised soldiers and servicewomen cope with returning home The British Army that emerged victorious in 1945 was vastly different from the poorly funded force of 865 000 men who heard Neville Chamberlain declare war in 1939 With an influx of civilian volunteers and conscripts the army became a citizens force and its character and size were transformed By D Day Britain had a well

equipped disciplined army of over three million men and women and during the war they served in a diverse range of places across the world This book uncovers some of their stories and gives a fascinating insight into the realities of army life in wartime **Army Host** ,1979 **School Life** ,1920 **What We Know about Army Families** Mady Wechsler Segal,Jesse J. Harris,1993 *Army History* ,1989 **Provincial Life and the Military in Imperial Japan** Stewart Lone,2009-10-23 The book challenges the long standing view of prewar Japan as a militaristic society Instead of relying on the usual accounts about senior commanders and politics at the heart of government it shows the realities of provincial society s relations with the military in Japan at ground level **Military Review** ,1967 **A Comparison of the FY03 and FY99 First Term Attrition Study Cohorts** , **British Military Spectacle** Scott Hughes Myerly,1996 In the theater of war how important is costume And in peacetime what purpose does military spectacle serve This book takes us behind the scenes of the British military at the height of its brilliance to show us how dress and discipline helped to mold the military man and attempted to seduce the hearts and minds of a nation while serving to intimidate civil rioters in peacetime Often ridiculed for their constrictive splendor British army uniforms of the early nineteenth century nonetheless played a powerful role in the troops performance on campaign in battle and as dramatic entertainment in peacetime Plumbing a wide variety of military sources most tellingly the memoirs and letters of soldiers and civilians Scott Hughes Myerly reveals how these ornate sartorial creations combining symbols of solidarity and inspiration vivid color and physical restraint enhanced the managerial effects of rigid discipline drill and torturous punishments but also helped foster regimental esprit de corps Encouraging recruitment enforcing discipline within the military and boosting morale were essential but not the only functions of martial dress Myerly also explores the role of the resplendent uniform and its associated gaudy trappings and customs during civil peace and disorder whether employed as public relations through spectacular free entertainment or imitated by rioters and rebels opposing the status quo Dress drills parades inspections pomp and order as this richly illustrated book conducts us through the details of the creation design functions and meaning of these aspects of the martial image it exposes the underpinnings of a mentality and vision that extends far beyond the military subculture into the civic and social order that we call modernity *Soldiers* ,1983 *Translog* ,1974 *Military Literature in the War Department Library Relating Chiefly to the Participation of the Individual States in the War for the Union* United States. War Department. Library,1899 **Subject Headings Used in the Dictionary Catalogs of the Library of Congress** Library of Congress,Library of Congress. Subject Cataloging Division,1966 **Library of Congress Subject Headings** Library of Congress,Library of Congress. Subject Cataloging Division,1975 [Military Construction Appropriations for 2002](#) United States. Congress. House. Committee on Appropriations. Subcommittee on Military Construction Appropriations,2001 *Redcoats to Tommies* Kevin Linch,Matthew Lord,2021 This book surveys and examines the history of Britain s soldiers from the eighteenth to the twentieth century It focuses on the lifecycle of a soldier including enlistment and experience and

on identity representations and place in society It covers the diverse military forces of the British crown the regular army home defence forces part time soldiers auxiliaries officers non commissioned officers and rank and file across times of conflict and peace and their wider relationship to families communities government and society Additionally it considers both British troops and recognising Britain s soldiers as a transnational phenomenon forces raised outside of Britain and Ireland By assessing the evolution of Britain s soldiers across three centuries the book highlights continuity and change and gauges how far the basic fundamentals principles and priorities of army life have endured or been transformed during the existence of a continual standing army The book includes up to date research from a new generation of early career researchers and reflections from established scholars *Department of the Army Pamphlet* ,1954

Immerse yourself in the artistry of words with is expressive creation, Immerse Yourself in **Army Life** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
