Army Life In The 90s:

Army Life in the '90s Philip Warner, 1975 Billedbog med tekst om livet i den britiske hær 1895 1900 Illustrationerne viser både livet hjemme i garnisonen som ude i overskisk tjeneste herunder Omdurman Khartoum og Boerkrigen **Scottish Soldier and Empire, 1854-1902** Edward M. Spiers, 2006-07-20 The Scottish Soldier and Empire 1854 1902 reflects upon the iconic role of the Scottish soldier as an empire builder from the Crimean War to the end of the nineteenth century It examines how the soldier commented on this imperial experience largely through letter diaries and poems published in the provincial press how his exploits were reviewed in Scotland and how military achievements contributed to both a growing sense of national identity and a deepening degree of imperial commitment Sport and Militarism Michael L. Butterworth, 2017-06-14 The institutional relationship between sport and the military appears to be intensifying In the US for example which faced global criticism for its foreign policy during the war on terror militaristic images are commonplace at sporting events The growing global phenomenon of conflating sport with war calls for closer analysis This critical interdisciplinary and international book seeks to identify intersections of sport and militarism as a means to interrogate interrupt and intervene on behalf of democratic peaceful politics Viewing sport as a crucial site in which militarism is made visible and legitimate the book explores the connections between sport the military and the state and their consequent impact on wider culture Featuring case studies on sports such as association football baseball and athletics from countries including the US UK Germany Canada South Africa Brazil and Japan each chapter sheds new light on the shifting significance of sport in our society This book is fascinating reading for all those interested in sport and politics the sociology of sport communication studies the ethics and philosophy of sport or military sociology **Resource Management**, 1987-05 *A Trained and Ready Army* Carl E.
