Sederholm,Mark I. West,2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio s missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory **Inspiring Walt Disney: The Animation of French Decorative Arts** Wolf Burchard,2021-12-06 Pink castles talking sofas and objects coming to life what may sound like the fantasies of Hollywood dream maker Walt Disney were in fact the figments of the colorful salons of Rococo Paris Exploring the novel use of French motifs in Disney films and theme parks this publication features forty works of eighteenth century European design from tapestries and furniture to Boulle clocks and S vres porcelain alongside 150 Disney film stills drawings and other works on paper The text connects these art forms through a shared dedication to craftsmanship and highlights references to European art in Disney films including nods to Gothic Revival architecture in Cinderella 1950 bejeweled medieval manuscripts in Sleeping Beauty 1959 and Rococo inspired furnishings and objects brought to life in Beauty and the Beast 1991 Bridging fact and fantasy this book draws remarkable new parallels between Disney s magical creations and their artistic inspirations *Animating Space* J.
