Art The Religious Experience The Language Of The Sacred:

Art and the Religious Experience: the "language" of the Sacred F. David Martin, 1972 The motif of this study is the participative in contrast to the merely spectator experience with the arts as the principal path into the depth or religious dimension 37 illustrations

The Oxford Handbook of Religion and the Arts Frank Burch Brown, 2014-02 This volume offers 37 original essays from leading scholars on the crucial topics issues methods and resources for studying and teaching religion and the arts

Art and the Church: A Fractious Embrace Jonathan Koestle-Cate, 2016-04-20 A vibrant critical exchange between contemporary art and Christianity is being increasingly prompted by an expanding programme of art installations and commissions for ecclesiastical spaces Rather than religious art reflecting Christian ideology current practices frequently initiate projects that question the values and traditions of the host space or present objects and events that challenge its visual conventions In the light of these developments this book asks what conditions are favourable to enhancing and expanding the possibilities of church based art and how can these conditions be addressed What viable language or strategies can be formulated to understand and analyse art s role within the church Focusing on concepts drawn from anthropology comparative religion art theory theology and philosophy this book formulates a lexicon of terms built around the notion of encounter in order to review the effective uses and experience of contemporary art in churches The author concludes with the prognosis that art for the church has reached a critical and decisive phase in its history testing the assumption that contemporary art should be a taken for granted element of modern church life

Art and the Church A Fractious Embrace uniquely combines conceptual analysis critical case studies and practical application in a rigorous and inventive manner dealing specifically with contemporary art of the past twenty five years and the most recent developments in the church s policies for the arts

Religious Aesthetics Frank Burch Brown, 1993-05-09 In this groundbreaking work Brown shows how aesthetics no less than ethics can play a central role in the study of religion and in the practice of theology An important book wide ranging often very witty showing an impressive grasp of the current state of aesthetics and possible new directions Nick McAdoo *British Journal of Aesthetics*

Iconography of Religions Albert C. Moore, 1977

Religion and the Arts: History and Method
Diane Apostolos-Cappadona, 2017-11-06 In Religion and the Arts History and Method Diane Apostolos Cappadona presents an overview of the 19th century origins of this discrete field of study and its methodological journey to the present day through issues of repatriation museum exhibitions and globalization Apostolos Cappadona suggests that the fluidity and flexibility of the study of religion and the arts has expanded like an umbrella since the 1970s and the understanding that art was simply a visual exegesis of texts to now support the study of material popular and visual culture as well as gender She also delivers a careful analysis of the evolution of thought from traditional iconographies to the transformations once scholars were influenced by response theory and challenged by globalization and technology Religion and the Arts History and Method offers an indispensable introduction to the questions and perspectives essential to the study of this field

Religion and Art Davor Džalto, 2019-06-18 How can we think of the aura of sacred contexts and sacred works How to think of individual and collective esthetic religious experiences What to make of the manipulative dimension of religious and esthetic auratic experiences Is the work of art still capable of mediating the experience of the sacred and under what conditions What is the

significance of the eschatological dimension of both art and religion the sense of ending Can theology offer a way to reaffirm the creative capacities of the human being as something that characterizes the very condition of being human This Special Issue aspires to contribute to the growing literature on contemporary art and religion and to explore the new ways of thinking of art and the sacred in their esthetic ideological and institutional dimensions in the context of contemporary culture

On Holy Ground: The Theory and Practice of Religious Education Liam Gearon, 2013-07-18 Religion has had notable and renewed prominence in contemporary public and political life Religious questions have also been freshly examined in philosophy and theology the natural sciences the social sciences psychology phenomenology politics and the arts These fields reflect complex multi disciplinary understandings of religion some hostile some accommodating For religious education this has all contributed to its own international renaissance Religious education in ensuring it is contemporary shares with these fields the same criticality the same distance between the study of religion and the religious life Yet what are the grounds of this modern religious education Through a systematic historical and contemporary cross disciplinary analysis answering this question is the ambitious task of the book Chapters include philosophy theology and religious education the natural sciences and religious education the social sciences and religious education psychology spirituality and religious education phenomenology and religious education the politics of religious education the aesthetics of religious education The central problem of all modern religious education remains this what are the grounds of religious education when religious education is no longer grounded in the religious life in the life of the holy Although this primarily appears to be an epistemological problem it soon becomes a moral and existential one The book will be of key interest to teachers theorists and researchers working in religious education *New Paths Toward the Sacred* Catherine McCann, 2008 Using Bernard Lonergan's categories of experience *New Paths Toward the Sacred* highlights the intimate connection between human experience and an awareness of the Sacred analyzed by the author's practical research based on studying people's reactions and experiences in a sculpture garden A movement from *ah* to *awe* in everyday living is emphasized This is presented by the author's reliance upon the reflective insights into the thoughts of the best theological scholars

BOOK JACKET On the Strange Place of Religion in Contemporary Art James Elkins, 2004 Can contemporary art say anything about spirituality Answering this question and more *On the Strange Place of Religion in Contemporary Art* explores the curious disconnection between spirituality and current art **The Philosopher's Index**, 1978 *The Review of Metaphysics*, 1973 Media, Religion and Culture Jeffrey H. Mahan, 2014-06-05 Religion has always been shaped by the media of its time and today we live in a media culture that informs much of what we think and how we behave Religious believers communities and institutions use media as tools to communicate but also as locations where they construct and express identity practice religion and build community This lively book offers a comprehensive introduction to the contemporary field of religion media and culture It explores the religious content of media texts and the reception of those

texts by religious consumers who appropriate and reuse them in their own religious work how new forms of media provide fresh locations within which new religious voices emerge people reimagine the task of religion and develop and perform religious identity Jeffrey H Mahan includes case study examples from both established and new religions and each chapter is followed by insightful reflections from leading scholars in the field Illustrated throughout the book also contains a glossary of key terms discussion questions and suggestions for further reading **Encyclopedia of Global Religion** Mark
