

THE ARMCHAIR DETECTIVE®

Armchair Detective Volume 20 Number 1

Alexander McCall Smith

Armchair Detective Volume 20 Number 1:

The Armchair Detective, 1997 **Mystery Fanfare** Michael L. Cook, 1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre **Sherlock Holmes - The Hero With a Thousand Faces: Volume 1** David MacGregor, 2022-06-07 Sherlock Holmes The Hero With a Thousand Faces ambitiously takes on the task of explaining the continued popularity of Arthur Conan Doyle's famous detective over the course of three centuries In plays films TV shows and other media one generation after another has reimagined Holmes as a romantic hero action hero gentleman hero recovering drug addict weeping social crusader high functioning sociopath and so on In essence Sherlock Holmes has become the blank slate upon which we write the heroic formula that best suits our time and place Volume One looks at the social and cultural environment in which Sherlock Holmes came to fame Victorian novelists like Anthony Trollope and William Thackeray had pointedly written novels without a hero because in their minds any well ordered and well mannered society would have no need for heroes or heroic behavior Unfortunately this was at odds with a reality in which criminals like Jack the Ripper stalked the streets and people didn't trust the police who were generally regarded as corrupt and incompetent Into this gap stepped the world's first consulting detective an amateur reasoner of some repute by the name of Sherlock Holmes who shot to fame in the pages of The Strand Magazine in 1891 When Conan Doyle proceeded to kill Holmes off in 1893 it was American playwright director and actor William Gillette who brought the character back to life in his 1899 play Sherlock Holmes creating a sensation on both sides of the Atlantic with his romantic version of Holmes and cementing his place as the definitive Sherlock Holmes until the late 1930s By that point Sherlock Holmes had developed a cult following who facetiously maintained that Holmes was a real person formed clubs like The Baker Street Irregulars and introduced the idea of cosplay to the embryonic world of fandom These well educated fanboys subsequently became the self assigned protectors of Sherlock Holmes anxious that their version of the character not be besmirched or defamed in any way In spite of this there was considerable besmirching and defaming to be seen in the early silent films featuring Sherlock Holmes which effectively turned him into an action hero due to the lack of sound When sound films took the industry by storm in the late 1920s there were a numbers of pretenders who reached for the Sherlock Holmes crown including Clive Brook Reginald Owen and Raymond Massey but it took more than a decade before a new definitive Sherlock Holmes would be crowned in 1939 in the person of Basil Rathbone *Yesterday's Faces* Robert Sampson, 1983 For the fourth volume of this series Robert Sampson has selected more than fifty magazine series characters to illustrate the development of the character of the detective Included here are both the amateur and professional detective female investigators deducting doctors brilliant amateurs and equally brilliant professional police There are private detectives

reflecting Holmes and hard boiled cops from the parallel traditions of realism and melodramatic fantasy Characters include Brady and Riordan Terry Trimble Glamorous Nan Russell J G Reeder plus many others *Yesterday's Faces, Volume 2* Robert Sampson,1984 The second volume within this series presents more than fifty series characters within pulp fiction selected to represent four popular story types from the 1907 1939 pulps scientific detectives occult and psychic investigators jungle men and adventurers in interplanetary romance Some characters Tarzan John Carter of Mars Craig Kennedy Anthony Buck Rogers became internationally known Others are now almost forgotten except by collectors and specialists *The Mystery Fancier (Vol. 2 No. 1) January 1978* Guy M. Townsend,2010-08-01 The Mystery Fancier Volume 2 Number 1 January 1978 contains The Professorial Sleuth of Roy Winsor by Larry L French The Vengeance Novels of Brian Garfield by George Kelley Miscellaneous Mystery Mis Mash by Marvin Lachman Chance and Illogic and The Black Box Murder by E F Bleiler An Index of Books Reviewed in TMF Volume 1 Including the Preview Issue compiled by Jeff Meyerson and The Nero Wolfe Saga Part V by Guy M Townsend *Books in Print* ,1994 **Paperback Quarterly (Vol. 5 No. 3)** Philip K. Dick,2010-09-01 Paperback Quarterly Fall 1982 Volume 5 Number 3 contains Remembering Ellery Queen by Angela Andrews The Paperback Hall of Fame of Miscellaneous Curiosities Part II Cover Printing Variations by Daniel G Roberts Vardis Fisher and His Books by M C Hill Reprints Reprints The Hound of the Baskervilles by Bill Henderson The Paperback Originals of Philip K Dick by Don Z Block and More on P K Dick by Shawn Loudermilk *The Mystery Fancier (Vol. 4 No. 3)* Guy M. Townsend,2010-09-01 The Mystery Fancier May June 1980 Volume 4 Number 3 contains The Nero Wolfe Saga Part XIX by Guy M Townsend Vladimir Gull by Theodore P Dukeshire and Spy Series Characters in Hardback Part II by George Kelley Sherlock Holmes - The Hero With a Thousand Faces: Volume 2 David MacGregor,2022-06-22 Picking up the trail with the incredibly influential films of Basil Rathbone and Nigel Bruce Volume II goes on to explore the antiheroic Sherlock Holmes films of the 1970s and then the somewhat rocky journey of Holmes into the medium of television actors Alan Wheatley Douglas Wilmer and Peter Cushing all declared their respective TV series as the worst experience of their professional careers Television finally found its definitive Holmes in Jeremy Brett s portrayal for Granada Television and then the BBC s Sherlock had flashed brilliantly across the cultural sky before crashing and burning in spectacular fashion Still despite its ignominious end Benedict Cumberbatch s version of Sherlock Holmes quite literally changed the face of Sherlockian fandom overnight as studious middle aged white men now found themselves sharing uneasy ground with a younger more diverse and more female audience Now a full fledged transmedia phenomenon Sherlock Holmes can be any gender ethnicity or species and is celebrated in fan fiction and fanvids as well as conventions that are far more inclusive than Sherlock Holmes societies of the past Vincent Starrett s poetic notion that Sherlock Holmes is a character who never lived and so can never die has never been more true and the Digital Age promises any number of new versions of Sherlock Holmes to come The Story of Jazz Justine Tally,2001 Since its publication in 1992 Jazz probably Toni Morrison s most difficult novel to date has illicit a

wide array of critical response Many of these analyses while both thoughtful and thought provoking have provided only partial or inherently inconclusive interpretations The title and certain of the author s own pronouncements have led other critics to focus on the music itself both as medium and aesthetic support for the narration Choosing an entirely different approach for *The Story of Jazz* Justine Tally further develops her hypothesis first elaborated in her study of *Paradise* that the Morrison trilogy is undergirded by the relationship of history memory and story and discusses jazz not as the music but as a metaphor for language and storytelling Taking her cue from the author s epigraph for the novel she discusses the relevance of storytelling to contemporary critics in many different fields explains Morrison s choice of the hard boiled detective genre as a ghost text for her novel and guides the reader through the intricacies of Bakhtinian theory in order to elucidate and ground her interpretation of this important text finally entering into a chapter by chapter analysis of the novel which leads to a surprising conclusion

Clues: A Journal of Detection, Vol. 36, No. 1 (Spring 2018) Elizabeth Foxwell, 2018-03-23 For over two decades *Clues* has included the best scholarship on mystery and detective fiction With a combination of academic essays and nonfiction book reviews it covers all aspects of mystery and detective fiction material in print television and movies As the only American scholarly journal on mystery fiction *Clues* is essential reading for literature and film students and researchers popular culture aficionados librarians and mystery authors fans and critics around the globe

Dorothy L. Sayers Eric Sandberg, 2021-12-31 Dorothy L Sayers was one of the Queens of Crime Alongside writers like Agatha Christie she perfected the whodunnit but also used the genre to explore social ethical and emotional matters Her characters particularly Lord Peter Wimsey and his investigative partner Harriet Vane struggle with the complexities of life and love in a rapidly changing world while solving some of the most intricate and complex mysteries ever offered to the reading public Sayers was also an important theoretician of detective fiction a religious dramatist a public intellectual and one of the 20th century s most important translators of Dante While focusing on her mystery fiction this companion offers a full view of all aspects of Sayers s career It is an ideal introduction for readers new to Sayers s diverse and rewarding body of work and an invaluable companion for her many fans

The Gentle Art of Murder Earl F. Bargainnier, 1980 This study of the technique of Agatha Christie s detective fiction sixty seven novels and over one hundred short stories is the first extensive analysis of her accomplishment as a writer Earl F Bargainnier demonstrates that Christie thoroughly understood the conventions of her genre and with seemingly inexhaustible ingenuity was able to develop for more than fifty years surprising variations within those conventions

Exporting Perilous Pauline Marina Dahlquist, 2013-06-01 Exceptionally popular during their time the spectacular American action film serials of the 1910s featured exciting stunts film tricks and effects set against the background of modern technology often starring resourceful female heroines who displayed traditionally male qualities such as endurance strength and authority The most renowned of these serial queens was Pearl White whose career as the adventurous character Pauline developed during a transitional phase in the medium s evolving production strategies

distribution and advertising patterns and fan culture In this volume an international group of scholars explores how American serials starring Pearl White and other female stars impacted the emerging cinemas in the United States and abroad Contributors investigate the serial genre and its narrative patterns marketing and cultural reception and historiographic importance with essays on Pearl White's life on and off the screen as well as the serial queen genre in Western and Eastern Europe India and China Contributors are Weihong Bao Rudmer Canjels Marina Dahlquist Monica Dall Asta Kevin B Johnson Christina Petersen and Rosie Thomas *Forthcoming Books* Rose Arny,1995-02 *Anthony Boucher* Jeffrey Marks,2015-02-16 American author editor and critic William Parker White better known to most as Anthony Boucher made countless contributions to the fields of mystery and science fiction After beginning his career as a mystery writer at 16 Boucher went on to become a New York Times mystery critic a host for several radio programs and the founding editor of *The Magazine of Fantasy and Science Fiction* This comprehensive biobibliography places particular emphasis on the writings and edited publications that established his reputation among readers of science fiction Several appendices include complete bibliographic citations for Boucher's novels articles short stories unpublished works reviews radio plays anthologies translations and other written works **Clues: A Journal of Detection, Vol. 38, No. 2 (Fall 2020)** Elizabeth Foxwell,2020-08-11 For over two decades *Clues* has included the best scholarship on mystery and detective fiction With a combination of academic essays and nonfiction book reviews it covers all aspects of mystery and detective fiction material in print television and movies As the only American scholarly journal on mystery fiction *Clues* is essential reading for literature and film students and researchers popular culture aficionados librarians and mystery authors fans and critics around the globe *The Annotated Innocence of Father Brown* G. K. Chesterton,2012-04-26 Father Brown an ordinary priest whose unremarkable exterior conceals extraordinary crime solving ability is celebrated for his solutions to metaphysical mysteries a genre perfected by his creator G K Chesterton More than lighthearted comedies built around puzzling crimes these superbly written tales contain deeply perceptive philosophical reflections *The Innocence of Father Brown* 1911 was the first collection of stories featuring the ecclesiastical sleuth and is widely considered the best In this annotated edition of the collection the Chesterton scholar Martin Gardner provides detailed notes and background information on various aspects of such stories as *The Blue Cross* *The Secret Garden* *The Invisible Man* *The Hammer of God* *The Eye of Apollo* and seven more as well as an informative introduction and an extensive bibliography Included also are eight illustrations reproduced from the first edition The result is an indispensable companion for all Chesterton enthusiasts and a perfect introduction for anyone who has yet to meet the incomparable Father Brown *American Mystery and Detective Novels* Larry Landrum,1999-05-30 Mystery and detective novels are popular fictional genres within Western literature As such they provide a wealth of information about popular art and culture When the genre develops within various cultures it adopts and proceeds to dominate native expressions and imagery American mystery and detective novels appeared in the late nineteenth century This reference

provides a selective guide to the important criticism of American mystery and detective novels and presents general features of the genre and its historical development over the past two centuries Critical approaches covered in the volume include story as game images myth criticism formalism and structuralism psychonalysis Marxism and more Comparisons with related genres such as gothic suspense gangster and postmodern novels illustrate similarities and differences important to the understanding of the unique components of mystery and detective fiction The guide is divided into five major sections a brief history related genres criticism authors and reference This organization accounts for the literary history and types of novels stemming from the mystery and detective genre A chronology provides a helpful overview of the development and transformation of the genre
