America Sold Out Ray Hope, 2003-12 **Gundamentalism and Where It Is Taking America** James E. Atwood, 2017-01-09 Gundamentalism and Where It Is Taking America is the work of James Atwood a retired Presbyterian pastor and an avid deer hunter for half a century who has also been in the forefront of the faith community's fight for two constitutional rights the right to keep and bear arms and the right to live in domestic tranquility free of gun violence He explains why guns mystically control so many Americans and exposes the fallacies of the gun industry's spurious claim that firearms actually protect us He argues there are no bona fide scientific studies that show defensive guns save us from harm while there is voluminous research showing a defensive gun puts the owner and his or her family at greater risk Atwood's book which details his learning of a lifetime in the struggle for reasonable gun laws in America puts dependable social and theological analysis of our unique national epidemic into your hands along with scientific data that will provoke honest reflection and discussion for the building of a safer and saner America Questions for group discussion and suggestions for action are included *America's Victories* Larry Schweikart, 2015-09-18 In *America's Victories* Professor Larry Schweikart restores the truth about our amazing military heritage Just as he did in his acclaimed previous book *A Patriot's History of the United States* Professor Schweikart cuts through the distortions passed along by academia and the media **American Studies** Jack Salzman, American Studies Association, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 *Fast And Furious: A Comprehensive Collection Of U.S. Government Documents To 2017* , 2018-12-11 Over 26 000 total pages Background The Fast and Furious operation was responsible for allowing approximately 2 000 firearms to illegally flow into the hands of criminals including Mexican drug cartel associates On December 14 2010 Customs and Border Patrol Agent Brian Terry a United States Marine was killed while on patrol just miles from the Mexican border The firearms found at the scene were semi automatic rifles that were allowed to walk as part of Operation Fast and Furious Congressional Republicans have investigated Fast and Furious since January 2011 Over the course of the investigation the Justice Department has provided false information stonewalled document requests produced scores of blacked out pages and duplicate documents and refused to comply with two congressional subpoenas In August 2012 the U S House of Representatives Office of General
