Armenian Genocide In Perspective:

The Armenian Genocide in Perspective Terrence des Pres, Israel W. Charny, 2017 Seven decades after the destruction of the Armenian population in the Ottoman Empire the Armenian genocide remains largely ignored by governments and forgotten by the world public even though the annihilation of Armenians was headlined around the world in 1915 Scholarly investigation of the Armenian genocide is just beginning made more difficult by the tendency of many establishment figures to rationalize the past and the attempt of perpetrator governments and their successors to deny the past This volume is a pioneering collective attempt to assess and analyze the Armenian genocide from differing perspectives including history political science ethics religion literature and psychiatry Focusing on the general implications of denial rationalization and responsibility it is particularly important as a precursor to the study of the Holocaust and other genocides Provided by publisher

The Armenian Genocide in Perspective Richard G. Hovannisian, 2009-05-31 World War I was a watershed a defining moment in Armenian history Its effects were unprecedented in that it resulted in what no other war invasion or occupation had achieved in three thousand years of identifiable Armenian existence This calamity was the physical elimination of the Armenian people and most of the evidence of their ever having lived on the great Armenian Plateau to which the perpetrator side soon gave the new name of Eastern Anatolia The bearers of an impressive martial and cultural history the Armenians had also known repeated trials and tribulations waves of massacre captivity and exile but even in the darkest of times there had always been enough remaining to revive rebuild and go forward This third volume in a series edited by Richard Hovannisian the dean of Armenian historians provides a unique fusion of the history philosophy literature art music and educational aspects of the Armenian experience It further provides a rich storehouse of information on comparative dimensions of the Armenian genocide in relation to the Assyrian Greek and Jewish situations and beyond that paradoxes in American and French policy responses to the Armenian genocides The volume concludes with a trio of essays concerning fundamental questions of historiography and politics that either make possible or can inhibit reconciliation of ancient truths and righting ancient wrongs

The Armenian Genocide in Perspective Stephen R. Graubard, 2017-07-05 Seven decades after the destruction of the Armenian population in the Ottoman Empire the Armenian genocide remains largely ignored by governments and forgotten by the world public even though the annihilation of Armenians was headlined around the world in 1915 Scholarly investigation of the Armenian genocide is just beginning made more difficult by the tendency of many establishment figures to rationalize the past and the attempt of perpetrator governments and their successors to deny the past This volume is a pioneering collective attempt to assess and analyze the Armenian genocide from differing perspectives including history political science ethics religion literature and psychiatry Focusing on the general implications of denial rationalization and responsibility it is particularly important as a precursor to the study of the Holocaust and other genocides

Genocide Perspectives VI Nikki Marczak, Kirril Shields , 2020-12-21 Genocide

Perspectives VI grapples with two core themes the personal toll of genocide and processes that facilitate the crime From political choices governments and leaders make through to denialism and impunity the crime of genocide recurs again and again across the globe At what cost to individuals and communities What might the legacy of this criminality be This collection of essays examines the personal sacrifice genocide takes from those who live through the trauma and the generations that follow Contributors speak to the way visual art and literature attempt to represent genocide hoping to make sense of problematic histories while also offering a means of reflection after years of slow violence or silenced memories Some authors generously allow us into their own histories or contemplate how they may have experienced genocide had they been born in another time or place What facets contribute to the processes that lead to or enable the crime of genocide This collection explores those processes through a variety of case studies and lenses How do nurses whose role is inherently linked to care and compassion become mass killers How do restrictions on religious freedom play a role in advancing genocidal policies and why do perpetrators of genocide often target religious leaders Why is it so important for Australia and other nations with histories of colonial genocide to acknowledge their past Among the essays published in this volume we have the privilege and the sorrow of publishing the very last essay Professor Colin Tatz wrote before his passing in 2019 His contribution reveals yet again the enormous influence of both his research and his original ideas on genocide He reflects on continuing legacies for Indigenous Australian communities with whom he worked for many decades and adds nuance to contemporary understanding of the Armenian Genocide and the Holocaust two other cases to which he was deeply committed

The History of the Armenian Genocide United States. Congress. House. Committee on International Relations,1996 **The United States and the Armenian Genocide** Julien Zarifian,2024 This is the first book to examine how and why the United States refused to officially acknowledge the 1915 17 Armenian Genocide until the early 2020s Drawing from congressional records rare newspapers and interviews with lobbyists and decision makers historian Julien Zarifian reveals how genocide recognition became such a complex politically sensitive issue **The Armenian Genocide** Seda Gasparyan,2014 **The Greek Genocide, 1913-1923: New Perspectives** George Shirinian,Asia Minor and Pontos Hellenic Research Center,2019-01-01 The deportation mass killing and ultimate expulsion of citizens of the Ottoman Empire of Greek ethnicity during the waning years of that empire and its transition to the Turkish Republic are well documented but perhaps not widely known The numerous archival sources and secondary works cited in these carefully researched studies are rich source of evidence and testimony many not available in the English language This collected research by a group of scholars young and old of different countries and different ethnicities strives to delve more profoundly into this history to explore new aspects of it to broaden our knowledge of what happened and to deepen our understanding of its significance

Genocide Perspectives IV Colin Tatz,2012-01-01 Genocide isn t past tense and the Nazi and Bosnian eras are not yet closed The demonising of people as unworthy and expendable is ever present and the consequences are all too evident in the

daily news These fourteen essays by Australian scholars confront the issues the need for a measuring scale that encompasses differences and similarities between seemingly divergent cases of the crime the complicity of bureaucracies the healing professions and the churches in this crime of crimes the quest for historical justice for genocide victims generally following the Nuremberg Trials the fate of children in the Nazi and postwar eras the worthiness of Armenians Jews and Romani people in twentieth century Europe and the imperative to tackle early warning signs of an incipient genocide Colin Tatz is a founding director of the Australian Institute for Holocaust and Genocide Studies visiting fellow in Politics and International Relations at the Australian National University and honorary visiting fellow at the Australian Institute of Aboriginal and Torres Strait Islander Studies He teaches and publishes in comparative race politics youth suicide migration studies and sports history

Genocide Perspectives V Nikki Marczak, Kirril Shields, 2017-01-01 Despite the catch cry bandied about after the Holocaust Never Again genocides continue to destroy cultures and communities around the globe In this collection of essays Australian scholars discuss the crime of genocide examining regimes and episodes that stretch across time and geography Included are discussions on Australia's own history of genocide against its Indigenous peoples mass killing and human rights abuses in Indonesia and North Korea and new insights into some of the core twentieth century genocides such as the Holocaust and the Armenian Genocide Scholars grapple with ongoing questions of memory and justice governmental responsibility the role of the medical professions gendered experiences artistic representation and best practice in genocide education Importantly genocide prevention and the role of the global community is also explored within this collection This volume of Genocide Perspectives is dedicated to Professor Colin Tatz AO an inspirational figure in the field of human rights and one of the forefathers of genocide studies in Australia

Andrew Demirdjian, Ph.D.,2015-11-03

The young Republic of Armenia is transitioning from adolescence into maturity The country s growing pains are many but manageable due toour committed government officials and the ever helpful hand of the vast Armenian Diaspora As always the Diaspora has been the shock absorbers of Armenia and Artsakh Unfortunately all are experiencing the loss of population through either debilitating immigration from Armenia or through the irreversible trend of assimilation in the Diaspora Perspectives on Armenian Prospects treats both subjects in depth Additionally the book tackles other important problems and prospects such as the unity of the Armenians the Genocide the economy the looming conflict with Azerbaijan and ways to improve the twin republics to mention a few This book is full of energy enthusiasm and innovative ideas and practical strategies to suggest ways to strengthen Armenia and Artsakh in the face of being landlocked and blockaded See also the other books by Z S Andrew Demirdjian Ph D Challenges and Opportunities in Exponential Times The Viability of a Worldwide Armenian Organization Questing for Western Armenia and Cilicia The Triangle of Trade In the Cradle of Civilization Challenges and Opportunities in a Changing World Insights Innovations and Trends The Demon in Diplomacy Alliances Based on Affinity **Multidisciplinary Perspectives on Genocide and Memory** Jutta Lindert, Armen T. Marsoobian, 2018-02-12

This book explores the memory and representation of genocide as they affect individuals communities and families and artistic representations It brings together a variety of disciplines from public health to philosophy anthropology to architecture offering readers interdisciplinary and international insights into one of the most important challenges in the 21st century The book begins by describing the definitions and concepts of genocide from historical and philosophical perspectives Next it reviews memories of genocide in bodies and in societies as well as genocide in memory through lives mental health and transgenerational effects The book also examines the ways genocide has affected artistic works From poetry to film photography to theatre it explores a range of artistic approaches to help demonstrate the heterogeneity of representations This book provides a comprehensive and wide ranging assessment of the many ways genocide has been remembered and represented It presents an ideal foundation for understanding genocide and possibly preventing it from occurring again The Armenian Genocide Richard G. Hovannisian, 2007 World War I was a watershed a defining moment in Armenian history Its effects were unprecedented in that it resulted in what no other war invasion or occupation had achieved in three thousand years of identifiable Armenian existence This calamity was the physical elimination of the Armenian people and most of the evidence of their ever having lived on the great Armenian Plateau to which the perpetrator side soon gave the new name of Eastern Anatolia The bearers of an impressive martial and cultural history the Armenians had also known repeated trials and tribulations waves of massacre captivity and exile but even in the darkest of times there

had always been enough remaining to revive rebuild and go forward This third volume in a series edited by Richard Hovannisian the dean of Armenian historians provides a unique fusion of the history philosophy literature art music and educational aspects of the Armenian experience It further provides a rich storehouse of information on comparative dimensions of the Armenian genocide in relation to the Assyrian Greek and Jewish situations and beyond that paradoxes in American and French policy responses to the Armenian genocides The volume concludes with a trio of essays concerning fundamental questions of historiography and politics that either make possible or can inhibit reconciliation of ancient truths and righting ancient wrongs

Century of Genocide Samuel Totten, William S. Parsons, Israel W. Charny, 2004 The Rwandan government forces as well as Cambodia's Khmer Rouge and German Bosnian and U S governments have all been guilty of the destruction of their indigenous cultures This book analyses the major atrocities of our times including recent cases of genocide in Yugoslavia and Iraq

The Globalization of Christianity Gordon L. Heath, Steven M. Studebaker, 2015-01-20 While Christianity appears to be in decline in the West it is growing robustly in the global South What does this mean for the Christianity that was once considered to be the religion of the West The new contexts and trajectories require innovative responses and relevant theological reflection in the church This volume addresses these changes through identifying and analyzing global shifts highlighting practical innovations in the church that attempt to deal with new trajectories and proposing theological positions intended to help face the issues and challenges of the twenty first century Contributors to this volume include Philip Jenkins The Next Christendom The New Faces of Christianity God's Continent Steven M Studebaker Gordon L Heath Bradley K Broadhead Christof Sauer Lee Beach Michael P Knowles Peter Althouse Michael Wilkinson John H Issak David K Taurus and Seongho Kang
