can deal damage in a wide range Once a group damage skill is used to bombard the bats Count Dracula will definitely take the brunt However at this point Count Dracula can confirm that those people do not have any group attack skills or tools so he can rest assured to boldly use it At this moment several hundred bats simultaneously dispersed and attacked everyone crazily starting to bite at them Everyone quickly fought back but could not withstand the large number of bats and were continuously injured **House documents** ,1877 **Annual Report of the Secretary of the Navy** United States.
