Anderson,2024-02-12 Hosea Joel and Obadiah Through the Centuries The first book devoted solely to the reception history of Hosea Joel and Obadiah How

have readers through the centuries understood the prophet Hosea's marriage to an unfaithful woman. Does the prophet Joel really speak about a locust invasion or is he referring to invading armies? How should we understand the harsh rhetoric that Obadiah uses about Judah's neighbor Edom? In *Hosea, Joel and Obadiah Through the Centuries*, Bradford A. Anderson provides historical context for these prophetic texts and traditions while offering original insights into their interpretation, use, and impact. Chapter by chapter commentary examines the use of these texts in different religious communities, surveys various commentaries and interpretive traditions, and addresses the social and cultural employment of these prophetic works in literature, music, the visual arts, and more. Each prophetic text is introduced by a chapter containing a brief history of interpretation and discussion of key historical, literary, issues, theological, thematic, and rhetorical issues, as well as the religious, social, and cultural reception of the prophet and the book. Throughout the text, recurring conversation partners highlight important and interesting trajectories in the afterlives of the prophetic books. Encompassing Christian, Jewish, and modern critical reception, *Hosea, Joel and Obadiah Through the Centuries* is an excellent textbook for advanced undergraduate and postgraduate students working on these prophetic works and a must-have resource for scholars, clergy, and religious leaders interested in how the prophets have been employed over the millennia.

Farāmarz, the Sīstāni Hero Marjolijn van Zutphen, 2014-09-25 In *Far marz, the Sīstāni Hero*, Marjolijn van Zutphen discusses the manuscripts, storylines, and main themes of the shorter and the longer *Far marz* manuscripts in relation to Ferdowsi's *Shāhnām* and several other later manuscripts about the warriors from Sīstān in the Persian Epic Cycle. *Far marz*, a secondary figure of the *Shāhnām*, gained importance in later epic traditions, and as the invincible protagonist of both *Far marz* manuscripts reached a status that equalled if not surpassed that of his famous father Rostam. Van Zutphen further shows how *Far marz* displays parallels to the fictional figures of Garshasp, his ancestor, and Iskandar, and argues that some story elements of *Far marz*'s Indian conquest may be rooted in historical events from both the Parthian and the Ghaznavid period.

Rio Grande's Last Race and Other

Verses Andrew Barton Paterson, 1904 *Give Us This Day Devotionals, Volume 7* Charles Erlandson, 2024-03-29 *Give Us This Day* is a unique daily devotional commentary for the entire New Testament based on the ancient method called *lectio divina*. *Lectio divina*, or divine reading, is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul, more than merely to inform the mind. *Give Us This Day* deals in depth with entire passages and their contexts. Rather than selecting only certain portions of the New Testament to write about, Fr. Charles has written a devotional for each and every passage of the New Testament. Fr. Charles writes for the whole person; he is not afraid to use his sense of humor, and he carefully relates the Bible not only to the individual's life but also to the life of the Church. At the end of each day's devotional, an appropriate Prayer is offered, as well as Points for Further Reflection on the day's lesson. Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading, meditation, and prayer.

Assembled by bestselling prophecy teachers Tim LaHaye and Ed Hindson along with a team of highly qualified contributors, this is a must-have for every Christian library. Rerelease of *The Popular Bible Prophecy Commentary* **Verses of Many Days** William Osborn Stoddard, 1875 **The Writings in Prose and Verse of Rudyard Kipling ...: Verses, 1889-1896** Rudyard Kipling, 1897 *Representing Zion* Frederik Poulsen, 2015-05-15 The prophetic books of the Old Testament offer a fascinating collection of oracles, poetic images, and theological ideas. Among the most prominent themes are those of judgment and salvation, especially concerning the fate of Zion. This place where the people of God dwell is alternately presented as either the object of divine wrath or the image of a salvific ideal. *Representing Zion* provides a thorough and critical study of the images of Zion in the entire prophetic literature of the Old Testament. The book challenges traditional interpretations of Zion and offers a fresh exploration of the literary and theological nature of the biblical writings. Zion has largely been treated by scholars as an image of the inviolable city, consistently and unambiguously used by Old Testament authors. *Representing Zion* reveals the Zion motif to be contested, complex, and profoundly theological, a reflection of the ambiguous role of YHWH as judge and saviour. Military Review, 2004 *My Country and Other Verses* Robert Whitaker, 1904
