Around the World in 80 Words Paul Anthony Jones, 2020-09-01 What makes a place so memorable that it survives forever in a word In this captivating round the world tour Paul Anthony Jones acts as your guide through the intriguing stories of how eighty places became immortalized in the English language You ll discover why the origins of turkeys limericks Brazil nuts and Panama hats aren t quite as straightforward as you might presume If you ve never heard of the tiny Czech mining town of J chymov or Joachimsthal as it was known until the late 1800s you re not alone which makes its claim to fame as the origin of the word dollar all the more extraordinary The story of how the Great Dane isn t all that Danish makes the list as does the Jordanian mountain whose name has become a byword for a tantalizing glimpse We ll also find out what the Philippines has given to your office inbox what Alaska has given to your liquor cabinet and how a speech given by a bumbling North Carolinian gave us a word for impenetrable nonsense Surprising entertaining and illuminating this is essential reading for armchair travelers and word nerds Our dictionaries are full of hidden histories tales and adventures from all over the world if you know where to look
