Tall Ships George Quasha, Charles Stein, 1997 You enter a long dark corridor Indistinct luminous shapes seem to move in place on the walls Then a human figure rises walks towards you stands and gazes at you becomes almost

intimate with you before turning back whence it came In this award winning interactive installation created by video projection world renowned artist Gary Hill presents an underworld like journey from which each visitor returns to daylight somehow transformed The second book in an ongoing series of the Quasha Stein dialogue on Gary Hill leads you on an initiatory journey that parallels the experience of the installation itself The book is beautifully illustrated in duotone to give a living sense of the actual installation as it appeared in the Whitney Museum New York and many other museums throughout the US and Europe
