Art & Soul, Reloaded Pam Grout, 2017-08-22 With her trademark humor enthusiasm and no nonsense guidance 1 New York Times bestselling author of *E Squared* Pam Grout invites you on a year long apprenticeship to recognize and unleash your innate creativity Making art does not necessarily mean painting a gallery worthy still life or belting out a Grammy winning song It simply means finding a way to give your inner muse a voice in this world Sure there s drawing dancing singing and writing But there s also art to be made from creating your own pair of angel wings or inventing a new toy or curating your own at home film festival Each week features a project of self examination an inspirational message a real world example of a celebrity who has addressed similar obstacles and three zany activities to awaken your infinite creativity It s time to declare the beat of your own drum

Art and Soul Pam Grout, 2000 Art is a tool for living a spiritual calling that all of us must eventually answer Just as athletes aren t the only ones who need exercise artists aren t the only ones who need creativity All of us must exercise creativity on a regular basis to keep our spirit and joy from being diminished In this age of remote controls convenience food and prepackaged everything our souls are crying out for the spiritual replenishment only offered through a creative practice Art and Soul takes readers on a year long journey into their creative souls offering a map for finding and expressing the art that dwells there It encourages readers to recapture their authentic self that many abandoned long ago with their Crayola crayons Even those who swear they can t paint write compose or build can express creativity in everyday activities that revitalize and nourish their spiritual well being Art and Soul is divided into 52 weekly chapters each containing an inspirational message a creative assignment and three or four suggestions for fun projects that encourage us to stretch our creative wings Here are just a few Go to a thrift store and buy the most outrageous outfit you can Learn three little known facts about Martin Luther King Jr Make sugar cookies shaped like body parts Come up with the title of your own autobiography The ideas range from the practical to the ridiculous but all are easy and fun to complete This book will show readers that they don t need fancy art supplies or lessons to be creative and that getting in touch with our creative selves is just as easy as do re me Finally the perfect book for women who have had it with feeling like the dynamic pulse of life has faded and who are looking to recharge their existence The draining stress and hubbub of the modern world can sometimes make a woman feel like she s just a shell of the fun loving vivacious person she once was To solve this common problem author Amy Hall presents *Getting Your Groove Back* a sassy and hip collection of tips and exercises for women who are eager to reinvigorate life by recapturing their lost but innate Grooviness the spunk and special aura that used to set them apart from the crowd This book covers everything a woman needs to know in order to get her career relationships and sense of self back on track by standing up to the evil forces of numbness and mediocrity that have taken root Hall dishes out tough love provoking insights and advice with a biting humor that just doesn t stop At the office A tried but true confidence builder moves from the bedroom to the office place Wear really sexy underwear not only on third dates but also to any dreaded
