Art City Making It In Manhattan:

Art City Ashley Bickerton, Louise Bourgeois, Chuck Close, Neil Jenney, Brice Marden, George McNeil, Elizabeth Murray, 2002 The Art of City Making Charles Landry, 2012-05-16 City making is an art not a formula The skills required to re enchant the city are far wider than the conventional ones like architecture engineering and land use planning There is no simplistic ten point plan but strong principles can help send good city making on its way The vision for 21st century cities must be to be the most imaginative cities for the world rather than in the world This one change of word from in to for gives city making an ethical foundation and value base It helps cities become places of solidarity where the relations between the individual the group outsiders to the city and the planet are in better alignment Following the widespread success of The Creative City this new book aided by international case studies explains how to reassess urban potential so that cities can strengthen their identity and adapt to the changing global terms of trade and mass migration It explores the deeper fault lines paradoxes and strategic dilemmas that make creating the good city so difficult **New York Magazine** ,1997-05-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Louise Bourgeois: Paintings** Clare Davies, Briony Fer, 2022-04-12 Louise Bourgeois 1911 2010 is celebrated today for her sculptures Less known are the paintings she produced between her arrival in New York in 1938 and her turn to three dimensional media in 1949 Crucial to her artistic practice these early works the focus of this groundbreaking publication show how Bourgeois evolved her deeply personal artistic lexicon and how the themes and motifs she explored in her paintings coalesced into symbols of her sculptural practice Informed by new archival research and the artist s extensive diaries Louise Bourgeois Paintings explores Bourgeois s relationship to the New York art world of the 1940s and her development of a unique pictorial language adding a key element to our understanding of this crucial artist s career *Art Now Gallery Guide* ,1996-10 **Manhattan in Maps 1527-2014** Paul E. soxers swooned at the Paramount over Frank Sinatra a sexy skinny substitute for the boys who had gone to war Richard Goldstein's *Helluva Town* is a kaleidoscopic and compelling social history that captures the youthful electricity of wartime and recounts the important role New York played in the national war effort This is a book that will prove irresistible to anyone who loves New York and its relentlessly fascinating saga Wartime Broadway lives again in these pages through the plays of Lillian Hellman Robert Sherwood Maxwell Anderson and John Steinbeck championing the democratic cause Irving Berlin's *This Is the Army* and Moss Hart's *Winged Victory* with their all servicemen casts Rodgers and Hammerstein's *Oklahoma* hailing American optimism the Leonard Bernstein Jerome Robbins production of *On the Town* and the Stage Door Canteen And these were the days when the Brooklyn Navy Yard turned out battleships and aircraft carriers when troopships bound for Europe departed from the great Manhattan piers where glamorous ocean liners once docked where the most beautiful liner of them all the *Normandie* caught fire and capsized during its conversion to a troopship Here too is an unseen New York physicists who fled Hitler's Europe spawning the atomic bomb the FBI chasing after Nazi spies the Navy enlisting the Mafia to safeguard the port against sabotage British agents mounting a vast intelligence operation This is the city that served as a magnet for European artists and intellectuals whose creative presence contributed mightily to New York's boisterous cosmopolitanism Long before 9 11 New York felt vulnerable to a foreign foe *Helluva Town* recalls how 400 000 New Yorkers served as air raid wardens while anti-aircraft guns ringed the city in anticipation of a German bombing raid Finally this is the story of New York's emergence as the power and glory of the world stage in the wake of V J Day underlined when the newly created United Nations arose beside the East River climaxing a storied chapter in the history of the world's greatest city
