R. Roberts,2004-12 The Gunsmith reckons he s seen these mean faces before On the open trail Clint Adams sees two killers on horseback gun down a fellow traveler So when they reach their small town destination the Gunsmith moseys over to the victim s digs only to find some very unwelcoming new tenants **Longarm**

This important and highly informative collection of studies on nonresident fathers and child support should be of great value to scholars and policymakers alike American Journal of Sociology Over half of America s children will live apart from their fathers at some point as they grow up many in the single mother households that increasingly make up the nation s poor Federal efforts to improve the collection of child support from fathers appear to have little effect on payments and many critics have argued that forcing fathers to pay does more harm than good Much of the uncertainty surrounding child support policies has stemmed from a lack of hard data on nonresident fathers *Fathers Under Fire* presents the best available information on the financial and social circumstances of the men who are at the center of the debate In this volume social scientists and legal scholars explore the issues underlying the child support debate chief among them on the potential repercussions of stronger enforcement Who are nonresident fathers This volume calls upon both empirical and theoretical data to describe them across a broad economic and social spectrum Absentee fathers who do not pay child support are much more likely to be school dropouts and low earners than fathers who pay and nonresident fathers altogether earn less than resident fathers Fathers who start new families are not significantly less likely to support previous children But can we predict what would happen if the government were to impose more rigorous child support laws The data in this volume offer a clearer understanding of the potential benefits and risks of such policies In contrast to some fears stronger enforcement is unlikely to push fathers toward But it does seem to have more of an effect on whether some fathers remarry and become responsible for new families In these cases how are subsequent children affected by a father s pre existing obligations Should such fathers be allowed to reduce their child support orders in order to provide for their current families Should child support guidelines permit modifications in the event of a father s changed financial circumstances Should government enforce a father s right to see his children as well as his obligation to pay support What can be done to help under or unemployed fathers meet their payments This volume provides the information and insight to answer these questions The need to help children and reduce the public costs of welfare programs is clear but the process of achieving these goals is more complex *Fathers Under Fire* offers an indispensable resource to

those searching for effective and equitable solutions to the problems of child support *Longarm* 373 Tabor Evans,2009-11-24 Longarm tracks a killer to the Four Corners When a beautiful Indian woman drops into Deputy Marshal Custis Long s arms with a bullet hole in her head he vows to find her murderer But it s the dead of winter and Longarm s cold is bordering on pneumonia until that is he receives a home remedy from Swedish nurse Olga Swenson Once he s fit as a fiddle Longarm boards a train bound for Flagstaff He s trailing the shooter to Navajo country in Arizona but first there is a little federal matter of someone going postal on the Flagstaff postmaster Taking on twin outlaws Longarm dispenses some double barreled justice never losing sight of his single minded purpose catching the coward who took a woman s life *The Long Arm of the Law* J.R. Roberts, THREE LEGENDS ONE LAW When Clint Adams gets caught in a town that makes its money off murdering strangers like him he finds an unlikely ally in a lightning handed shootist known as Slocum Luckily they both get out alive Unluckily for the Gunsmith when he heads to Denver he finds himself a wanted man But not for murder A hard nosed deputy federal marshal by the name of Custis Long needs his help to bring in Aaron Caulfield whose vile depredations upon men women and children are the stuff of nightmares Now with a badge he doesn t want and a partner he wants even less the Gunsmith is going to walk the line between upholding the law and unleashing his own brand of justice THE GUNSMITH S 300TH ADVENTURE A SPECIAL GUNSMITH NOVEL FEATURING GUEST APPEARANCES BY THE LEGENDARY LONGARM AND SLOCUM **Grand Canyon National Park, Arizona** United States. National Park Service,1936 *Longarm* 394 Tabor Evans,2011-08-30 Longarm faces four femme fatales Down West Texas way a girl gang of gorgeous grim reapers has been leaving a bloody trail of bullet riddled corpses They call themselves the Four Horsewomen of the Apocalypse and they like to let men whimper a while before they blast them to kingdom come The Santa Clara town council would like nothing better than to string up the quartet of killers but someone has to bring them in first That someone would be Deputy U S Marshal Custis Long But these bodacious banshees have plans for the lawman and they don t include going quietly Stripped of his defenses Longarm figures if four wild women are going to try to take him out he d rather go with a bang Official Gazette of the United States Patent Office United States. Patent Office,1907 **Official Gazette of the United States Patent Office** ,1904 *Murder & Mayhem in Tucson* Patrick Whitehurst,2021 Tucson is a vibrant growing city but beneath the sunny surface lies a dark history Eva Dugan was convicted of murder and hanged here the first woman to be executed in the state of Arizona Gangsters like Joe Bonanno and bank robber John Dillinger were drawn to this corner of the Southwest and it was home to killers like Robert John Bardo and Charles Schmid a serial killer nicknamed the Pied Piper of Tucson In 1892 William Elliott stabbed by a notorious criminal became the first Tucson police officer to lay down his life in pursuit of justice but he wouldn t be the last Join author Patrick Whitehurst as he delves into the chilling history of Tucson Longarm #393 Tabor Evans,2011-07-26 A crazed killer has been nursing a grudge The friendly nurses tending to a wounded Deputy U S Marshal Custis Long give a whole new meaning to working the night shift But despite the

bedside manner of these angels dressed in white Longarm has serious business to attend to Rogue lawman Eli Pittman put a slug in Marshal Billy Vail before using Longarm for target practice as well Now the deranged deputy has lit out for Arizona Territory and Longarm s hell bent on catching the man But he won t be making this journey alone the very lovely Nurse Danby has fled her fianc to run off with Longarm And if Pittman is as good with a gun as they say he is Longarm may just need a nurse at his side **Longarm 409** Tabor Evans,2012-11-27 A she wolf in sheep s clothing pulls the wool over Longarm s eyes Longarm has tangled with some dirty double crossers in his day but the luscious Lacy Sackett may be the dirtiest of them all She s used her feminine wiles to hoodwink a long list of men her banker father the outlaws who ve robbed her father s bank clueless cavalry Captain Dickie Shafter and even U S Deputy Marshal Custis Long The lawman is determined to bring in the curvaceous catamount no matter how many scratches he gets and recover the loot she s hidden from her partners in crime But until he s turned her in he d better not turn his back on her Longarm #303: Longarm and the Grand Canyon Gang Tabor Evans,2004-01-27 This time Longarm s really in deep They ve kept the Santa Fe Railroad off track with three holdups They ve sent the marshal of Flagstaff Arizona to a higher justice with a well placed bullet They ve pulled the wool over the eyes of the Navajo by rustling their sheep They re the Grand Canyon Gang and they re lower than a rattlesnake sunbathing at the bottom of their namesake It s Deputy Marshal Custis Long s duty to bring these cutthroats to justice But after encountering a jewel named Emerald Alexander he s been cursed with a string of bad luck that includes being robbed conned and wrongly imprisoned Now that his temper has been riled Longarm is going to give this gang a tour of the Canyon they ll never forget
