Arizona Historic Land:

Land Use History of the San Rafael Valley, Arizona (1540-1960) Diana Hadley, Thomas E. Sheridan, 1995

Arizona's Historic and Unique Hotels Dr. Diane Holloway Cheney, 2022-12-01 The criteria for designation as an American Historic Hotel is to be at least fifty years old The first ten hotels are Historic and the next seventeen are notable for unique features Arizona is a unique state with characteristics not found elsewhere in America or the world There are beautiful natural wonders such as the Grand Canyon early Western history is recreated at dude ranches and there are even historic treatment facilities such as the Castle Hot Springs Resort Historic hotels capture earlier times This comprehensive guide describes rooms rates and amenities It includes details of movie locations famous guests and notable recipes This history of Arizona includes hotels famous for the Five C's of Arizona Cattle Citrus Climate Copper Cotton and even an extra C for Convalescence since doctors prescribed a visit to Arizona as treatment for many ailments Guests armed with this knowledge can better enjoy their visit to all parts of Arizona **Santa Rita Experimental Range--100 Years (1903 to 2003) of Accomplishments and Contributions**, 2003

Arizona's Historic Trading Posts Carolyn O'Bagy Davis, 2014 On the sparsely settled Arizona reservation lands trading posts were important centers for commerce as well as social gathering destinations With a subsistence economy the posts offered opportunities to trade sheep wool and crafts for necessities such as flour coffee sugar known as sweet salt and tools Most often traders were Anglos living as partners among their Indian neighbors They often were the only contact with the outside culture and their stores provided an outlet for local arts such as rugs pottery baskets and jewelry Traders helped with correspondence transportation and sickness and they even buried the dead Trading posts were the sites of marriages and murders they were destinations for artists scientists and adventurous tourists With the coming of roads and automobiles trading posts have all but disappeared but the stories and photographs shared in this volume offer a glimpse into a vanishing time in the Southwest **Secret Phoenix: A Guide to the Weird, Wonderful, and Obscure** Christine K. Bailey, 2017-08-15 Whether you are exploring the rabbit warren of rooms that comprise Mystery Castle hiking the steep jagged face of Piestewa Peak named after the country's first female Native American killed in combat or standing among the towering saguaro cacti found only in the Sonoran Desert it is hard to avoid adventure with a copy of Secret Phoenix A Guide to the Weird Wonderful and Obscure in your backpack This book traverses the historical geographical and cultural landscape of an unlikely city that has risen from the dust of an ancient civilization to be the sixth largest city in the U.S. From the native peoples who first established the vital canals of yore to the lungers plagued with tuberculosis who flocked to the dry dry desert to find some relief to the builders engineers and architects who created the highways and skyline you see today the city's story is one of survival innovation and rugged determination A new and eager city bent on growth Phoenix has often eschewed history for the sake of progress and over time has lost too much of its heritage however for those who look closely ask the probing questions and choose to explore there is a history and a

future to be found From Glendale to Tempe Scottsdale to Goodyear Chandler to Carefree this book is an examination of metropolitan Phoenix through the bits and pieces left behind and the new spaces and places just beginning to take shape

The Trans-Mississippi West, 1804-1912: A guide to records of the Department of the Interior for the territorial period. section 1. Records of the offices of the Secretary of the Interior and the Commissioner of Railroads. section 2. Records of select agencies. 3, pt. 1. Records of the general land office. 3. pt. 2. A guide supplement containing state lists and other appendixes ,1993 Historical Atlas of the American West Warren A. Beck,1989

The 78 maps in this atlas add significant information to the study of the development of the American West Defined for this resources as those 17 continental states west of the Missouri River The maps range in chronology from explorations in the sixteenth century to the location of World War II prisoner of war and Japanese internment camps The atlas includes maps of geographic flora and fauna data Maps are on the left pages and narratives about the maps re on the facing pages Maps are black and white clear and easily read An Appendix shows Spanish Mexican land grants and there is an index This is an excellent atlas for both middle and high schools Includes a section on Arkansas aboriginal setting and Native American tribes Describes European contacts and settlements

The Trans-Mississippi West, 1804-1912: A guide to records of the Department of the Interior for the territorial period, Section 1: Records of the Offices of the Secretary of the Interior and the Commissioner of Railroads. Section 2: Records of select agencies. Section 3. Records of the General Land Office ,1997 *The National Register of Historic Places* ,1991 *The Trans-Mississippi West, 1804-1912* ,1993 History of Arizona and New Mexico, 1530-1888 Hubert Howe Bancroft, Henry Lebbeus Oak,1889

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it Confederate General R.S. Ewell Paul D. Casdorph,2021-12-14 Richard Stoddert Ewell is best known as the Confederate General selected by Robert E Lee to replace Stonewall Jackson as chief of the Second Corps in the Army of Northern Virginia Ewell is also remembered as the general who failed to drive Federal troops from the high ground of Cemetery Hill and Culp s Hill during the Battle of Gettysburg Many historians believe that Ewell s inaction cost the Confederates a victory in this seminal battle and ultimately cost the Civil War During his long military career Ewell was never an aggressive warrior He graduated from West Point and served in the Indian wars in Oklahoma Kansas New Mexico and Arizona In 1861 he resigned his commission in the U S Army and rushed to the Confederate standard Ewell saw action at First Manassas and took up divisional command under Jackson in the Shenandoah Valley Campaign and in the Seven Days Battles around Richmond A crippling wound and a leg amputation soon compounded the persistent manic depressive disorder that had hindered his ability to make difficult decisions on the battlefield When Lee reorganized the Army of Northern Virginia in May of 1863 Ewell was promoted to lieutenant general At the same time he married a widowed first cousin who came to dominate his life often to the disgust of his subordinate officers and he became heavily influenced by the

wave of religious fervor that was then sweeping through the Confederate Army In Confederate General R S Ewell Paul D Casdorph offers a fresh portrait of a major but deeply flawed figure in the Confederate war effort examining the pattern of hesitancy and indecisiveness that characterized Ewell s entire military career This definitive biography probes the crucial question of why Lee selected such an obviously inconsistent and unreliable commander to lead one third of his army on the eve of the Gettysburg Campaign Casdorph describes Ewell s intriguing life and career with penetrating insights into his loyalty to the Confederate cause and the Virginia ties that kept him in Lee s favor for much of the war Complete with riveting descriptions of key battles Ewell s biography is essential reading for Civil War historians *A Green Band in a Parched and Burning Land* Deni J. Seymour,2022-12-21 The result of decades of research *A Green Band in a Parched and Burning Land* presents a thorough and detailed understanding of the Sobaipuri O odham arguably the most influential and powerful Indigenous group in southern Arizona in the terminal prehistoric and early historic periods yet one of the least understood and under studied to have occupied the region Deni J Seymour combines historical sources with fresh archaeological data and oral history to reveal an astonishingly different view of and revise conventional wisdom around the native history of the region First and foremost irrigation farmers the Sobaipuri O odham permanently occupied verdant strips along all the major rivers in the region including the headwaters of the San Pedro and various other areas thought to be beyond their domain Seymour draws on career spanning fieldwork conversations with direct descendants the O odham residents of Wa k and recent breakthroughs in archaeological ethnographic and ethnohistorical research to shed light on their unique forms of landscape use settlement patterns and way of life She details the building materials linear site layout and other elements of their singular archaeological signature newly established dating for individual sites complex building episodes and occupational sequences and evidence of cumulative village occupation as well as the habitation of river valleys and other locales long after supposed abandonment The book also explains the key relationships between site distributions and landscape characteristics Addressing some of the longest standing archaeological and historical questions about the Sobaipuri O odham *A Green Band in a Parched and Burning Land* reorients the discussion of their crucial place in the history of the region in constructive new directions *The Forgotten Founders* Stewart L. Udall,2012-06-30 an impressive new book *The Forgotten Founders* is a gem that encompasses virtually every aspect of the development of our region ROCKY MOUNTAIN NEWS Udall offers a convincing argument that it wasn t the cavalry fur traders prospectors gunslingers or railroad builders who tamed the West it was courageous men and women who made treks into wilderness and created communities in virgin valleys Udall s spare prose adds impact to his words THE SEATTLE TIMES The West is so cluttered with misconceptions that it is hard to have a serious discussion about its history Wallace Stegner For most Americans the Wild West popularized in movies and pulp novels a land of intrepid traders and explorers warlike natives and trigger happy gunslingers has become the true history of the region The story of the West s development is a singular chapter of history but

not according to former Secretary of the Interior and native westerner Stewart L Udall for the reasons filmmakers and novelists would have us believe In *The Forgotten Founders* Stewart Udall draws on his vast knowledge of and experience in the American West to make a compelling case that the key players in western settlement were the sturdy families who travelled great distances across forbidding terrain to establish communities there He offers an illuminating and wide ranging overview of western history and those who have written about it challenging conventional wisdom on subjects ranging from Manifest Destiny to the importance of Eastern capitalists to the role of religion in westward settlement Stewart Udall argues that the overblown and ahistorical emphasis on a wild west has warped our sense of the past For the mythical Wild West Stewart Udall substitutes a compelling description of an Old West the West before the arrival of the railroads which was the home place for those he calls the wagon people the men and women who came camped settled and stayed He offers a portrait of the West not as a government creation or a corporate colony or a Hollywood set for feckless gold seekers and gun fighters but as primarily a land where brave and hardy people came to make a new life with their families From Native Americans to Franciscan friars to Mormon pioneers these were the true settlers whose goals according to Stewart Udall were amity not conquest stability not strife conservation not waste restraint not aggression *The Forgotten Founders* offers a provocative new look at one of the most important chapters of American history rescuing the Old West and its pioneers from the margins of history where latter day mythmakers have dumped them For anyone interested in the authentic history of the American West it is an important and exciting new work *General Technical Report RM.* ,1995 *Timeless Heritage* ,1988 *CRM Bulletin* United States. National Park Service. Cultural Resources Management Division,1991 **FY 82 State Program Overviews** ,1982 **Yuma District Resource Management Plan and Environmental Impact Statement** United States. Bureau of Land Management. Yuma District Office,1985 *San Pedro River Riparian Management Plan, Cochise County* ,1989
