

Arizona Rough Riders

Donald H. Akenson

Arizona Rough Riders:

The Arizona Rough Riders Charles Herner, 1965 **Theodore Roosevelt and the Arizona Rough Riders, 1898 to 1919** Marty F. Feess, 1999 **They Were the Rough Riders** Richard E. Killblane, 2022-06-08 After just four weeks of training Colonel Theodore Roosevelt's Rough Riders a regiment of cowboys recruited into the First U S Volunteer Cavalry fought in Cuba during the Spanish American War with the skill of seasoned regulars The unit reflected the future president's character as a wealthy Ivy Leaguer who went west to experience frontier life Most of the Rough Riders were seasoned cowhands from the Southwest but Ivy League athletes sons of millionaires and lawmen filled out the ranks Roosevelt molded this diverse group into a cohesive efficient fighting force and led them to victory on San Juan Hill Told from the perspective of the men in the regiment this book traces the history of the Rough Riders from conception to disbanding and Roosevelt's transformation into an American hero Team of Giants Matthew Bernstein, 2024-12-17 If not for an unlikely alliance among a bespectacled cowboy a former Confederate general and a millionaire newspaper publisher the Spanish American War might never have been How these three outsize characters Theodore Roosevelt Joseph Wheeler and William Randolph Hearst helped ignite the war that established the United States offshore empire is the rousing tale that Matthew Bernstein tells in Team of Giants From his days as a Dakota deputy sheriff Theodore Roosevelt had dreamed of leading a cowboy regiment into battle With a little help from his friends in 1898 he got his wish While Roosevelt raised the Rough Riders in San Antonio Congressman Wheeler delivered bellicose speeches from the US Capitol and Hearst pulled out all the stops in the San Francisco Examiner and New York Journal With the destruction of the USS Maine in Havana Harbor and President William McKinley's call for war the two greatest star reporters of the era rivals Richard Harding Davis and Stephen Crane headed for Cuba to do their part In Bernstein's sweeping history these towering figures come to life as they set in motion events that would put a period on the Civil War era transform the global media landscape and alter geopolitics for the twentieth century with the plight of the Cuban people serving as a backdrop for a world class contest of wills and wiles A stirring narrative built on rigorous research Team of Giants is a fresh account of the role the martial ambitions of these men played in a war that would launch the American Century and set each man on the path to his own place in history Rough Rider Dale L. Walker, Buckey O'Neill was famous in Arizona Territory as a gambler lawyer newspaperman miner sheriff and politician This fast moving narrative takes him from the streets of Tombstone all the way to Cuba where he won Theodore Roosevelt's admiration as the wildest and bravest of the Rough Riders *The Spanish-American War and Philippine Insurrection, 1898-1902* Mark Barnes, 2010-09-13 An often overshadowed event in American military history the Spanish American War began as a humanitarian effort on the part of the United States to provide military assistance for the liberation of Cuba from Spanish domination At the time no one knew that this simple premise would result in an American empire Through extensive research Mark Barnes has created a comprehensive annotated bibliography detailing this globally

significant conflict and its aftermath. Insightful notes are included for every title in each chronologically organized chapter. By drawing together an impressive collection of sources including some previously not readily available to English language readers, Barnes has created an invaluable resource for scholars of this conflict. Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history. With the inclusion of brief critical annotations after each entry, the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency. Comprehensive, concise, and current, Routledge Research Guides to American Military Studies are an essential research tool for any historian.

Tucson

C. L. Sonnichsen, 1987. A history of Tucson, Arizona traces the development of this great southwestern city from its beginning as a mud village in northern Mexico two centuries ago to its emergence as an American metropolis.

The Crowded Hour

Clay Risen, 2020-06-16. The gripping The Washington Post story of the most famous regiment in American history, the Rough Riders, a motley group of soldiers led by Theodore Roosevelt whose daring exploits marked the beginning of American imperialism in the 20th century. When America declared war on Spain in 1898, the US Army had just 26,000 men spread around the country, hardly an army at all. In desperation, the Rough Riders were born. A unique group of volunteers ranging from Ivy League athletes to Arizona cowboys and led by Theodore Roosevelt, they helped secure victory in Cuba in a series of gripping, bloody fights across the island. Roosevelt called their charge in the Battle of San Juan Hill his crowded hour, a turning point in his life, one that led directly to the White House. The instant I received the order, wrote Roosevelt, I sprang on my horse and then my crowded hour began. As The Crowded Hour reveals, it was a turning point for America as well, uniting the country and ushering in a new era of global power. A revelatory history of America's grasp for power. Kirkus Reviews starred review. Both a portrait of these men, few of whom were traditional soldiers, and of the Spanish American War itself, The Crowded Hour dives deep into the daily lives and struggles of Roosevelt and his regiment. Using diaries, letters, and memoirs, Risen illuminates an influential moment in American history, a war of only six months' time that dramatically altered the United States' standing in the world. Fast-paced, carefully researched, Risen is a gifted storyteller who brings context to the chaos of war. The Crowded Hour feels like the best type of war reporting told with a clarity that takes nothing away from the horrors of the battlefield. The New York Times Book Review.

Teddy Roosevelt at San Juan Peggy Samuels, Harold Samuels, 1997. Termed a Southern gothic musical, Ghost Brothers of Darkland County was scripted by novelist Stephen King with the music coming from maverick heartland rocker John Mellencamp, a collaboration a bit left field for both artists. This set includes Mellencamp's songs interspersed with key dialogue from King's libretto, and while the story might be too complex, essentially it's the tale of two brothers involved in a murder-suicide whose ghosts haunt an isolated cabin and whose tragic deeds and consequent fate seems about to be repeated by their living nephews. To be truly appreciated in single-disc form like this, so it's Mellencamp's songs sung by the likes of Elvis Costello, Neko Case, Sheryl Crow, Dave and Phil Alvin, real

life brothers whose estrangement with each other ended while working on this project Taj Mahal Ryan Bingham Clyde Mulroney Rosanne Cash and Kris Kristofferson Mellencamp only sings on one song here the summing it up last track Truth that are really left to carry things They certainly work as songs and may well be among the best Mellencamp has ever written while the overall sound of the whole musical suite crafted by T Bone Burnett is kind of like a sparse and shined up version of a late period Tom Waits album due in part to the presence of multi instrumentalist Marc Ribot on most of the tracks and the tight spare rhythm section of Jay Bellerose on drums and David Piltch on bass The performances Elvis Costello sounds gleeful and sinful on That s Me identity and fulfillment are key themes of Ghost Brothers of Darkland Country that and history s tendency to repeat itself Neko Case is sassy and sure on That s Who I Am Kris Kristofferson sounds old wise and weary on How Many Days Taj Mahal rages through Tear This Cabin Down and Sheryl Crow is confident and cocky on Jukin while Rosanne Cash turns in a delicately worn and wise reading of You Don t Know Me and for a story that spans decades and generations it s obvious that everyone is singing about who they are who they ought to be and who they ended up becoming It s difficult to say how good this musical is just from the songs and pieces of dialogue presented here but the songs have a weary inevitable flow to them as if fate forced them into a dark room with little light or air or chance of redemption Redemption comes with acceptance of who one is the songs and story here seem to say and only then can the real truth about what has happened to anyone really be revealed It s a ghost story after all Steve Leggett **Leonard Wood** Jack McCallum, 2006 Army Chief of Staff Medal of Honor winner commander of the Rough Riders in the Spanish American War Governor General of the Philippines and presidential candidate Wood was one of a select cadre of men that transformed the American military at the turn of the century turning it into a modern fighting force and the nation into a world power A *Rough Ride to Redemption* Robert K. DeArment, Jack DeMattos, 2012-11-09 He may be little known today but Ben Daniels was a feared gunman who typified the journeyman gunfighter every bit as much as those whose names have become legend Yet his story has eluded researchers and yarn spinners alike until now Two prominent western historians have teamed up to tell the story of Ben Daniels s rise from outlaw and convict to presidential protégé and high ranking officer of the law Tracing his life from jailhouse to White House from Dodge City to San Juan Hill Robert DeArment and Jack DeMattos present a full length biography of Daniels the most controversial of Teddy Roosevelt s White House Gunfighters The book faithfully traces Daniels s early years the time he spent in the Wyoming Territorial Penitentiary his rebirth as a Dodge City lawman including the controversy over his shooting a man in the back and his part in the Battle of Cimarron Following military service with the Rough Riders in the Spanish American War Daniels was appointed by President Roosevelt as U S marshal for turbulent Arizona Territory Daniels was as quick with his mind as with a gun but he had a rough ride to redemption This original biography belongs on the shelf of every gunfighter buff and anyone interested in the broader story of the Old West It rescues Daniels from the footnotes of history and shows us the amazing life of one of the West s most intriguing gunmen **An Irish**

History of Civilization Donald H. Akenson, 2005 **The Far Southwest, 1846-1912** Howard Roberts Lamar, 2000 Traces the history of New Mexico Colorado Utah and Arizona from 1846 to 1912 *Inside the Spanish-American War* James M. McCaffrey, 2009-04-22 This is the story of the Spanish American War told not from the perspective of generals policy makers or politicians but from that of the soldiers sailors and marines in the field and the reporters who covered their efforts Concentration on the daily lives of these people provides insight into the often overlooked facets of a soldier's life detailing their training and interaction with weaponry their food clothing and medical supplies and their personal interactions and daily struggles While the Spanish American War set the stage for America's emergence as a global power this is its history on an individual scale as seen through the eyes of those upon whom the war had the most immediate impact **A Soldier to the Last** Edward G. Longacre, 2007 One of only two Confederate generals who are buried in Arlington National Cemetery

Oklahoma Rough Rider Billy McGinty, 2008 Into action with the Rough Riders The push to Santiago and San Juan Hill Surrender occupation and homeward bound Footloose and free The Buffalo Bill Show Cowboys characters and show shenanigans Back home in Oklahoma To the last man REFLECTIONS OF A "B"- MOVIE JUNKIE Jim Driscoll, 2008-12-30 Reflections Of A B Movie Junkie is a tribute to the old B Movies of the Saturday Matinees of yesteryear Actually it is more of a homage to them or at least 6 genres of those film types that were so prevalent back in primarily the 40's and 50's Their research and discussion however in some instances dates all the way back to the beginning of the talkies of motion picture content and can extend in the other direction into the early 70s These 6 genres include the popular B Western The Comedy Teams The Jungle Adventures Sci Fi Fantasy Horror and the Serial or Chapter Plays so popular with the week end Matinee crowds back then These film types filled up our Saturday afternoons and evenings with exciting adventure curious wonder spine tingling horror and non stop action Often filmed on a shoe string budget and in a limited time frame many of these classics came to be looked upon by many fans as being so truly bad that they were good in a bad sort of way They are thus categorized reviewed and discussed for the most part in a lovingly personal style especially when compared to the film types we are subjected to in today's market They had their place in film history and that time is long since gone But for some of us they have never been equaled which for others may indeed be a good thing *Arizona* Bill Weir, 2022-09-13T00:00:00+02:00 The National Geographic Traveler guidebooks are in tune with the growing trend toward experiential travel Each book provides inspiring photography insider tips and expert advice for a more authentic enriching experience of the destination These books serve a readership of active discerning travelers and supply information historical context and cultural interpretation not available online From the Grand Canyon to its desert landscapes the American Southwest has always held an irresistible appeal for visitors from all over the world who want to experience the fascination of its untamed nature Its boundless territory makes it perfect for road trip adventures where visitors will discover scenery and nature that make the journey as enjoyable as the destination So that they can make the best of their time in Arizona the

author Bill Weir who has written more than 16 books about the state offers visitors itineraries that lead to the most significant destinations and reveal the must see features hidden at every stop With the advice of authors photographers and National Geographic experts the guide provides the curious visitor with an essential competent view of the aspects of modern life the history and the culture of the Grand Canyon State as well as walks and guided tours both on and off the beaten path

Arizona's Historic and Unique Hotels Dr. Diane Holloway Cheney,2022-12-01 The criteria for designation as an American Historic Hotel is to be at least fifty years old The first ten hotels are Historic and the next seventeen are notable for unique features Arizona is a unique state with characteristics not found elsewhere in America or the world There are beautiful natural wonders such as the Grand Canyon early Western history is recreated at dude ranches and there are even historic treatment facilities such as the Castle Hot Springs Resort Historic hotels capture earlier times This comprehensive guide describes rooms rates and amenities It includes details of movie locations famous guests and notable recipes This history of Arizona includes hotels famous for the Five C s of Arizona Cattle Citrus Climate Copper Cotton and even an extra C for Convalescence since doctors prescribed a visit to Arizona as treatment for many ailments Guests armed with this knowledge can better enjoy their visit to all parts of Arizona **The US Army and the Spanish-American War Era, 1895-1910** US Army Military History Research Collection,1974
