Islam, Nationalism, and 1000 Years of European Poetry David Aberbach, 2025-08-29 Islam Nationalism and 1000 Years of European Poetry considers the long history of Islam and European poetry and its central importance in the development of European culture David Aberbach offers a panoramic history of European poetry as it was affected by the centuries long conflict between Islam and Christianity from the early medieval Old French chanson de geste The Song of Roland set against the Muslim invasion of France in the eighth century to Fishta s The Highland Lute the early twentieth century Albanian epic of the struggle for independence from Ottoman rule achieved in 1912 Aberbach surveys some of the outstanding poetry set against Islamic conquests and domination particularly in Spain and the Balkans The book includes detailed comparisons between medieval and modern Arabic and Hebrew poetry closely linked in technique and subject matter but moving apart after 1789 A result of constant religious warfare in Europe was disillusionment with religion increasing focus on humanistic concerns and the evolution of a secular State separate from religion This captivating history of Islam and European poetry will be of great interest to any scholars of nationalism Jewish and Islamic Studies history comparative literature and cultural studies

The Festal Works of St. Gregory of Narek Abraham Terian, 2016-03-08 Saint Gregory of Narek a monk of the tenth century knew how to express the sentiments of your people more than anyone He gave voice to the cry which became a prayer of a sinful and sorrowful humanity oppressed by the anguish of its powerlessness but illuminated by the splendor of God s love and open to the hope of his salvific intervention which is capable of transforming all things Pope Francis April 12 2015 This is the first translation in any language of the surviving corpus of the festal works of St Gregory of Narek a tenth century Armenian mystic theologian and poet par excellence d 1003 Composed as liturgical works for the various Dominical and related feasts these poetic writings are literary masterpieces in both lyrical verse and narrative Unlike Gregory s better known penitential prayers these show a jubilant author in a celebratory mood In this volume Abraham Terian an eminent

scholar of medieval Armenian literature provides the nonspecialist reader with an illuminating translation of St Gregory of Narek's festal works. Introducing each composition with an explanatory note Terian places the works under consideration in their author's thought world and in their tenth century landscape.

The Hebrew Bible, Nationalism and the Origins of Anti-Judaism David Aberbach, 2022-10-31 In the attempts to unify divided peoples on the basis of a shared past both historical and mythical this book illumines aspects of cultural nationalism common since the Middle Ages. As an edited work the Bible includes texts mostly depicting long gone historical eras extending over several centuries. Following on from Aberbach's previous work *National Poetry: Empires and War* this book argues that works of this nature notably the Mujo Halil songs in Albania the Irish stories of Cuchulain the songs of the Nibelungen in Germany or the Finnish legends collected in The Kalevala have an ancient precedent in the Hebrew Bible to which national literatures often allude and refer a subject largely neglected in biblical studies. The self critical element in the Hebrew Bible common in later national literature is examined as the basis of later anti-Semitism as the Bible was not confined to Jews but was adopted in translation by many other national groups. With several dozen original translations from the Hebrew this book highlights how the Bible influenced and was distorted by later national cultures. Written without jargon this book is intended for the general reader but is also an important contribution to the study of the Bible nationalism and Jewish history.

Bialik, the Hebrew Bible and the Literature of Nationalism David Aberbach, 2023-05-25 This book explores the life and poetry of Chaim Nachman Bialik 1873-1934 in the context of European national literature between the French Revolution and World War I showing how he helped create a modern Hebrew national culture spurring the revival of Hebrew as a spoken language. The author begins with Bialik's background in the Tsarist Empire contextualizing Jewish powerlessness in Eastern Europe in the late nineteenth century. As European anti-Semitism grew Bialik emerged at the vanguard of a modern Hebrew national movement building on ancient biblical and rabbinic tradition and speaking to Jewish concerns in neo-prophetic poems love poems poems for children and folk poems. This book makes accessible a broad but representative selection of Bialik's poetry in translation. Alongside this a variety of national poets are considered from across Europe including Solomos in Greece Mickiewicz in Poland Shevchenko in Ukraine Njego in Serbia Petfi in Hungary and Yeats in Ireland. Aberbach argues that Bialik as Jewish national poet cannot be understood except in the dual context of ancient Jewish nationalism and modern European nationalism both political and cultural. Written in clear and accessible prose this book will interest those studying modern European nationalism Hebrew literature Jewish history and anti-Semitism.
