

The Army of the German Empire 1870–88

Albert Seaton • Illustrated by Michael Youens

Army Of German Empire 1870 1888

War office

Army Of German Empire 1870 1888:

First Reich David Stone,2018-10-26 Because it lasted only seven months the Franco Prussian War has sometimes been ignored by historians and yet it merits study for the fact that it was the first deployment of a ruthlessly efficient and superbly organised German Army a phenomenon that was to be seen twice more in the next 75 years Indeed military professionals and history students have long sought a thorough account of this conflict for the very reasons of its significance in both military development and European evolution The war machine of the expansive Prussians used organisational strength and modern techniques to prevail over the more antiquated French and yet the battles were keenly fought and brought awesome casualties The lessons learned by both sides and onlookers had a mighty impact the emergence of a dominant German land force a German nation and a German Empire determined the course of European and world history for a century and beyond The story of the war is told with vigour and accuracy and will be a significant contribution to military history and to our understanding of the development of Europe as we see it today

The Imperial German Army Between Kaiser and King Gavin Wiens,2023-03-28 This book provides a reappraisal of Germany's military between the mid nineteenth century and the end of the First World War At its core is the following question how German was the imperial German army This army which emerged from the Wars of Unification in 1871 has commonly been seen as the school of the nation After all so this argument goes tens of thousands of young men passed through its ranks each year with conscripts undergoing an intense program of patriotic education and returning to civilian life as fervent German nationalists and ardent supporters of the German emperor or Kaiser This book reexamines this assumption It does not deny that devotion to the Fatherland and loyalty to the Kaiser were widespread among German soldiers in the decades following unification It nevertheless shows that the imperial German army was far less homogenous and far more faction ridden than has hitherto been acknowledged

Twentieth Century Limited Douglass C. Horstman,2009-09-29 Seventeen year old Henry Horstman was one of 1 4 million Germans who braved the Atlantic Ocean to immigrate into the United States during the 1880s with the hope of achieving a better life Twentieth Century Limited details the compelling life story of Horstman who pursued his boyhood dream in one of the most dangerous industries in America only to lose it in the prime of his life Douglass Horstman the grandson of Henry Horstman draws on memories and historical accounts as he chronicles his grandfather's fascinating *lebengeschichte* life story while also highlighting the carnage on the rails that devastated the lives of thousands of railroad workers and their families during a time when railroad corruption was rampant As a youth in Germany Henry was faced with the possibility of conscription into the Prussian Army but chose instead to follow the example of his uncle a *lokomotivfuhrer* engineer in America The author pieces together a captivating story that follows Henry from his Prussian youth to his first steps onto American soil and his fateful job on a railroad in upstate New York At a time when thousands of trainmen were being killed or injured Henry Horstman displayed insurmountable determination and courage turning his journey through life and on the

in parts s *Military Aviation of the First World War* Alan Sutton,Alan C. Wood,2017-04-21 over 470 black and white
photographs This beautifully illustrated book provides details of every power that took part in Military aircraft activity during
the First World War The war was a global conflict with 57 nations involved but with aviation being in its infancy only eight
nations had a major air arm to their fighting Services The Allies Britain America Italy Belgium France and Russia and then
the Central Powers comprising Germany and Austria Hungary The book covers the formation establishment and wartime
exploits of all the major air powers during the war as well as providing thumbnail sketches of all the major aces for each
country giving full coverage to The Allies The Royal Flying Corps The French Military Air Service The United States Air
Service Aeronautica de Region Esercito Italy The Belgian Air Arm The Russian Imperial Air Services The Central Powers The
Imperial German Air Service and the Austro Hungarian flying service However smaller powers at the time like Australia
Canada and Japan as well as Portugal Serbia Romania and South Africa are all featured is this fascinating book *Standing*
orders for the Army medical staff [afterw.] Royal army medical corps. [With] Amendments War office,1896 **The Gait as**
Political Choreography Ami Kobayashi,2024-12-30 This book explores the entangled relationship between marching and
political ceremonies in schools for the consolidation of the nation state in Germany and Japan in the nineteenth and twentieth
centuries Through addressing the relationship between the individual marching body gymnastics classes in schools and
political ceremonies in public spaces this book aims to crystalize the ways in which the authorities choreographed the ideal
gait transmitted it to students and deployed it in political ceremonies By analyzing archived sources written in German and
Japanese Ami Kobayashi investigates the transnational character of the marching ceremony and the knowledge transfers
behind it She explores the process of nation state building primarily in terms of cultural performance arguing that the
collective upright gait was a form of political choreography orchestrated by political authorities and performed by youth
