

Around Hackney

Ben Bowles

Around Hackney:

George Eliot's English Travels Kathleen McCormack, 2005-11-16 George Eliot's more than fifty long and short journeys within England took her to dozens of sites scattered around the country. Revising the traditional notion that George Eliot drew her settings and characters only from the areas of her Warwickshire childhood, Kathleen McCormack demonstrates that English travel furnished the novelist with a wide variety of originals for the composite characters and settings she would so memorably create. McCormack traces the way in which George Eliot gathered material during her travels and also drafted long sections of the novels while away from her London home. She argues that by examining the choices George Eliot made in transforming, discarding, or directly describing her English originals, we might take a significant step forward in the interpretation of her writings. Where other critics have tried to interpret characters as one-to-one renderings of living or dead models, for example, this study reveals more elaborate blendings of what George Eliot called the widely sundered elements that made up her fiction. McCormack also reaches the fascinating conclusion that the novels were a form of coded communication between the author and people in her life, including other prominent Victorians such as Edward Burne-Jones, Robert Lytton, and Barbara Bodichon. Presenting fresh biographical information and original insights into George Eliot's writing strategies, *George Eliot's English Travels* promises a decisive shift in our understanding of one of the most important figures in Victorian literature.

Taxi, Limousine, and Transport Network Company Regulation James M. Cooper, Jorgen Aarhaug, John Scott, 2023-05-11 The vehicle-for-hire (VFH) market, broadly comprising taxis, limousines, and app-based transport, has faced multiple and significant changes over the years, with the period since 2010 a time of major upheaval. This book documents the development of the market over time, examining its regulation and control structures, exploring its history, trends, and market theories, and discussing how these are both promoted and challenged by the changes affecting the sector. This book reviews recent developments in the VFH industry, from the influx of new market entrants and the emergence of app-based services to their widespread use, comparing international markets and their regulation and drawing on a series of case studies in key locations in North America, Europe, and Asia. It establishes and details economic, market, social, and political theory affecting the VFH industry and devotes its second half to the definition and emergence of transport typologies and markets in which the sector has a role or potential role. The book concludes from a neutral standpoint on the balance between market participants, addressing the immediate future facing the industry, including the impacts of Covid and other external factors. It considers the short and long-term effects of market change, the role played by regulators, and the market conditions imposed upon them. Written for industry practitioners, both suppliers and regulators, as well as the academic community, this book will inform the community and prompt further analysis of a significant and growing field in transportation.

The Rough Guide to London (Travel Guide eBook) Rough Guides, 2023-04-01 This practical travel guide to London features detailed factual travel tips and points of interest, structured lists of all iconic must-see sights, as well

Invisible Ancestor Miriam A. Bibby, 2024-04-01 The outstanding qualities of the Galloway horse landrace are

referenced in literary sources from the late sixteenth century onwards Brief but eloquent and revealing allusions appear in the work of William Shakespeare Thomas Dekker Ben Jonson and other writers with connections to the Tudor Stuart Caroline and Carolean courts The Galloway nag was sufficiently influential for its name to become a generic widely applied to small horses of a certain type speedy enduring and reliable This is still the case in the north of England and Australia where the terms Galloway and Galloway continue to be used today The Galloway contributed to a surprising number of modern horse breeds including the Thoroughbred yet few people are aware of its influence Miriam A Bibby shows how and why its contribution has been overwritten by other narratives In doing so she also reveals previously unexplored sources that indicate the complex role played by the imagined Galloway in Anglo Scottish relations Collectively these represent a unique new genre of commentary that she identifies as Galloway Nag Satire This is the first major study devoted to the history of the Galloway horse

London Bridget Cherry, Nikolaus Pevsner, 2002-01-01 This volume on London architecture covers the boroughs of Barnet Camden Enfield Hackney Haringey and Islington It gives a view of London's expansion northward from formal Georgian squares to the hill towns of Hampstead and Highgate

Boaters of London Ben Bowles, 2024-05-03 London and the Southeast of England is home to an alternative community of people called boaters individuals and families who live on narrowboats cruisers and barges along a network of canals and rivers Many of these people move from place to place every two weeks due to mooring rules and form itinerant communities in the heart of some of the UK's most built up and expensive urban spaces Boaters of London is an ethnography that delves into the process of becoming a boater adopting an alternative lifestyle on the water and the political impact that this travelling population has on the state

FROM THE STREETS TO SCOTLAND YARD GWENTON SLOLEY, 2014-03-30 Growing up in the sunny climes of Jamaica Que had what would be considered a normal childhood This was true until he was separated from his mother at the tender age of eight From this point on his life began to unravel The discovery of a devastating family secret and the subsequent loss of his mother brought about a sudden change in him Something snapped He moved to London a life of crime followed and Que soon became the apprentice of London crime boss Kat In his gripping story Que recounts the events of his life which led to him being shot on his 19th birthday and witnessing first hand the birth of the so called postcode wars He lived the kind of life only afforded by celebrities and faced the lonely road of those leaving the streets behind for good The most beautiful person to have known defeat You've known suffering struggle and loss yet you have always found your way out of the depths You are my one true love

Urban Cosmopolitics Anders Blok, Ignacio Farias, 2016-01-29 Invoking the notion of cosmopolitics from Bruno Latour and Isabelle Stengers this volume shows how and why cities constitute privileged sites for studying the search for and composition of common worlds of cohabitation A cosmopolitical approach to the city focuses on the multiple assemblages of human and nonhuman actors that constitute urban common worlds and on the conflicts and compromises that arise among different ways of assembling the city It brings into view how urban worlds are always in the process of

being subtly transformed destabilized decentred questioned criticized or even destroyed As such it opens up novel questions as to the gradual and contested composition of urban life thereby forcing us to pay more explicit attention to the politics of urban assemblages Focusing on changing sanitation infrastructures and practices emerging forms of urban activism processes of economic restructuring transformations of the built environment changing politics of expert based urban planning as well as novel practices for navigating the urban everyday the contributions gathered in this volume explore different conceptual and empirical configurations of urban cosmopolitics agencements assemblies atmospheres Taken together the volume thus aims at introducing and specifying a novel research program for rethinking urban studies and politics in ways that remain sensitive to the multiple agencies materialities concerns and publics that constitute any urban situation

Museums in Postcolonial Europe Dominic Thomas, 2013-09-13 The history of European nation building and identity formation is inextricably connected with museums and the role they play in displaying the acquired spoils and glorious symbols of geopolitical power in order to mobilize public support for expansionist ventures This book examines the contemporary debate surrounding the museum in postcolonial Europe Although there is no consensus on the European colonial experience the process of decolonization in Europe has involved an examination of the museum's place and ethnic minorities and immigrants have insisted upon improved representation in the genealogies of European nation states Museological practices have been subjected to greater scrutiny in light of these political and social transformations In addition to the refurbishment and restructuring of colonial era museums new spaces have also been inaugurated to highlight the contemporary importance of museums in postcolonial Europe as well as the significance of incorporating the perspective of postcolonial European populations into these spaces This book includes contributions from leading experts in their fields and represents a comparative trans historical and transcolonial examination which contextualises and reinterprets to the legacies and experiences of European museums This book was published as a special issue of *Africa and Black Diaspora: An International Journal*

Out of Space Jim Ottewill, 2024-04-26 Jim Ottewill's exploration of UK club culture and the urban landscapes that have housed it returns in a newly remixed form *Out of Space* plots a course through the different UK towns and cities where club culture has found a home From Glasgow to Margate via Manchester Sheffield and unlikely dance music meccas such as Coalville and Todmorden this book maps where electronic music has thrived and where it might be headed next This extended version features a new chapter exploring hidden histories and untold stories within Birmingham's nocturnal scene to provide more insights into the past present and future of electronic music culture

Dead Man's Fire Thom Reese, 2011-09 A fun filled romp of action and wit The *Marc Huntington Adventures* chronicle the exploits of adventurers Marc and Dana Huntington as they race from one deadly situation to another in search of missing persons stolen prizes and maybe even financial gain That is if they survive the day Marc learns that the son of his former special ops commander has gone missing from a paleontological expedition deep in the Amazon jungle Shots ring out nearly as soon as

he and Dana arrive on the scene Chaos ensues A deadly blaze rages Now they re in a fight for their lives as they seek to uncover the real truth behind the young paleontologist s disappearance

Space, Power and the Commons Samuel Kirwan, Leila Dawney, Julian Brigstocke, 2015-10-23 Across the globe political movements opposing privatisation enclosures and other spatial controls are coalescing towards the idea of the commons As a result struggles over the commons and common life are now coming to the forefront of both political activism and scholarly enquiry This book advances academic debates concerning the spatialities of the commons and draws out the diverse materialities temporalities and experiences of practices of commoning Part one Materialising the Commons focuses on the performance of new geographical imaginations in spatial and material practices of commoning Part two Spaces of Commoning explores the importance of the turn from commons to commoning bringing together chapters focusing on the doing of commons and how spaces materials bodies and abstract flows are intertwined in these complex and excessive processes Part three An Expanded Commons explores the broader registers and spaces in which the concept of the commons is at stake and highlights how and where the commons can open new areas of action and research Part four The Capture of the Commons questions the particular interdependence of the commons and enclosure assumed within commons literature framed by the concept of neoliberalism Providing a comprehensive introduction to the diverse ways in which ideas of the commons are being conceptualised and enacted both throughout the social sciences and in practical action this book foregrounds the commons as an arena for political thought and sets an agenda for future research

Archibald Liversidge, FRS Roy M. MacLeod, 2009 When Archibald Liversidge first arrived at Sydney University in 1872 as reader in Geology and Assistant in the Laboratory he had about ten students and two rooms in the main building In 1874 he became professor of geology and mineralogy and by 1879 he had persuaded the senate to open a faculty of science He became its first dean in 1882 In 1880 he visited Europe as a trustee of the Australian Museum and his report helped to establish the Industrial Technological and Sanitary Museum which formed the basis of the present Powerhouse Museum s collection Liversidge also played a major role in the setting up of the Australasian Association for the Advancement of Science which held its first congress in 1888 For anyone interested in Archibald Liversidge his contribution to crystallography mineral chemistry chemical geology strategic minerals policy and a wider field of colonial science

The Flying Adventures of Charles Green Alastair Goodrum, 2025-04-28 Charles Green an innovative aeronaut revolutionized balloon flight with coal gas inflation contributing to the future of aviation The action packed flying career of aeronaut Charles Green 1785 1870 a working class Londoner in the infancy of aviation who defied death in a career of 35 years and over 500 balloon flights to make a unique contribution to world aeronautical history His decision in 1821 to use domestic coal gas to inflate balloons ran completely contrary to perceived wisdom but his success in doing so revolutionised flying for the remainder of the Georgian and Victorian eras His innovation set the direction of aeronautics for the next 80 years until the Wright brothers changed its course again Inventor innovative balloon constructor shrewd businessman

flamboyant showman and a skilled and courageous pilot he was the first to put into practice the concept of public air travel Charles liked a tippie in the air but never compromised safety and made sure his passengers enjoyed his in flight champagne hospitality This earned him not only the status of a national treasure whose very name was a by word for all things aeronautic but also ensured he became an international legend in his own lifetime

The Pragmatics of Governmental Discourse Ayan-Yue Gupta, 2024-08-02 This book presents a novel methodological framework for analysing governmental discourse It involves combining pragmatist perspectives on language with computational sociolinguistics and large language models LLMs The first half discusses traditional critical approaches to investigating discursive practices principally those employing Critical Discourse Analysis CDA and those based on methods developed by Michel Foucault These are critiqued in terms of pragmatist views on meaning which are rarely taken up in this area It is argued that to understand the grounding of social structures and power relations in discourse we must begin with a systematic account of how meaning is contextually fixed It is proposed that a pragmatist reading of Foucault's arguments about governmentality offers a productive framework for discourse analysis To illustrate the advantages of this framework the book presents a case study of the British government's adoption of resilience sustainability and wellbeing discourses in the period 2000-2020 A dataset of 179 million tokens sampled from approximately 170 000 government documents is used to illustrate how this framework can be combined with natural language processing NLP to make robust inferences This study will be of interest to both sociologists interested in language and in the methodological potential of recent developments in NLP Importantly the book demonstrates how LLMs can be harnessed to bring new perspectives to long standing sociological questions

Queer Footprints Dan Glass, 2023-05-20 A love letter to queer London which reminds us that although we're not always in the mainstream telling of history we have always been here Nathaniel Hall playwright and actor in It's A Sin Dan Glass is London's unofficial queer mayor Peter Staley HIV activist and author of Never Silent Your back pocket guide to our queer histories full of joy and ammunition to claim our beautiful queer futures Tash Walker host of The Log Books podcast and co chair of Switchboard LGBT Helpline This ground breaking guide will take you through the city streets to uncover the scandalous hilarious and empowering events of London's queerstory Follow in the footsteps of veteran activists such as those who marched in London's first Pride parade in 1972 or witnessed the 1999 bombing of the Admiral Duncan pub in Soho Accompanied by a chorus of voices of both iconic and unsung legends of the movement readers can walk through parts of East West South and North London dipping into beautifully illustrated maps and extraordinary tales of LGBTQIA solidarity protest and pride From the Brixton Faeries to Notting Hill Carnival to world changing protests in Trafalgar Square Rebel Dykes to drag queen communes Queer Footprints celebrates the hidden histories of struggle and joy Includes an accessibility guide and a list of queer spaces clubs networks and resources Dan Glass is a healthcare and human rights activist performer presenter writer and author of United Queerdom He was named a BBC Greater Londoner for founding Queer Tours of London Illustrations by

Around Hackney Introduction

In today's digital age, the availability of Around Hackney books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Around Hackney books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Around Hackney books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Around Hackney versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Around Hackney books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Around Hackney books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Around Hackney books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Around Hackney books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Around Hackney books and manuals for download and embark on your journey of knowledge?

FAQs About Around Hackney Books

1. Where can I buy Around Hackney books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
