Arrabal Celebrando La Ceremonia De La Confusion

Fernando Arrabal

Arrabal Celebrando La Ceremonia De La Confusion:

El Teatro Pánico de Fernando Arrabal Diego Santos Sánchez, 2014 Este libro es el primero en examinar lo radicalmente nuevo y desafiante Teatro Pánico un grupo de obras compuestas por Arrabal entre 1957 y 1966 en el apogeo del movimiento avant garde

ENGLISH VERSION This book is the first to examine closely the radically new and challenging Panic Theatre a group of plays composed by Arrabal between 1957 and 1966 at the zenith of the avant garde movement El presente libro estudia el Teatro Pánico de Fernando Arrabal un conjunto de textos concebidos durante los primeros años del autor en París entre 1957 y 1966 Escritas en el momento de mayor auge de la vanguardia las obras vehiculan una teatralidad radicalmente innovadora cuya piedra angular la constituye el lenguaje ceremonial La ceremonia pánica que subyace a toda esa dramaturgia es objeto de un profundo análisis a la luz de Le Panique texto programático del propio Arrabal en que el autor identifica los tres conceptos que desencadenan la creación artística memoria azar y confusión El estudio se detiene en los procesos por los que la memoria determina que las obras abandonen la mimesis y el azar articula los materiales recuperados de la memoria en tramas y estructuras hilvanadas con gran precisión Asimismo se incide en cómo los sujetos objetos marcos espacio temporales y palabras se ven sometidos a un proceso de confusión que genera una forma teatral absolutamente innovadora El concepto de lo pánico situado en el epicentro de esta experimentación formal dota de coherencia y unicidad teórica a este aparentemente heterogéneo grupo de obras

Diego Santos Sánchez es Alexander von Humboldt Fellow en la Humboldt Universität en Berlín

ENGLISH VERSION The Panic Theatre is a set of plays conceived by Fernando Arrabal between 1957 and 1966 the author's first years in Paris Composed at the zenith of the avant garde movement they convey a radically new and challenging theatricality whose cornerstone is their ceremonial shape The plays underlying panic ceremony is thoroughly studied in light of Arrabal's programmatic text Le Panique that singles out three key concepts responsible for artistic creation memory chance and confusion This study shows how memory determines the plays departure from mimesis and how chance articulates the materials recalled from memory into precisely arranged plots Furthermore subjects objects spatial temporal frames and words are subject to confusion in an attempt to create an utterly innovative form of theatre This group of seemingly heterogeneous plays is given theoretical coherence and consistency by placing the idea of panic at the centre of a great formal experimentation

Diego Santos Sánchez is an Alexander von Humboldt Fellow at Humboldt Universität in Berlin
