Piano Lessons with Claudio Arrau Victoria A. von Arx, 2014 Claudio Arrau 1903-1991 was a Chilean pianist who devoted his life to an international performing and teaching career. As a child prodigy, he gained national recognition from government officials in Chile, including President Pedro Montt, who later funded Arrau's education in Germany. He completed his studies in Berlin with Martin Krause, a pupil of Franz Liszt, and later immigrated to New York City where he began his teaching career and mentored a sizeable group of pupils. His unique and magnetic style impassioned his pupils and motivated them to teach his principles to the next generation of students, including author Victoria von Arx. *Piano Lessons with Claudio Arrau* highlights interviews with Arrau's surviving pupils from his class in New York City, which he taught from 1945 to the early 1970s, that give readers an in-depth description of Arrau's principles of technique and performance. Quotations and lesson transcripts make Arrau's voice and those of his former pupils audible, and detailed references to over one hundred examples from filmed recordings make his famed technique visible. The bulk of the book features edited and previously unpublished transcriptions of lessons Arrau gave his pupils, lavishly illustrated with musical examples. The author, herself a teacher and performer, draws information from numerous interviews with Arrau's pupils from her experience studying with two of them, from videos of Arrau's performances, and from the recorded lessons. By culling these disparate sources of information and presenting them systematically in a single book, von Arx provides an insider's view of the art of piano playing as exemplified by one of the great artists of the twentieth century and offers the reader a virtual piano lesson with Claudio Arrau.

Topics in Musical Interpretation Sezi Seskir, David Hyun-su Kim, 2022-09-29 While interpretation of musical scores is amongst the most frequent of musical activities, it is also strangely one of the least researched. This collection of essays seeks to remedy this deficit by illuminating ways in which today's curious musician, interested in probing beyond the dictates of a faintly understood score, can engage more deeply and thoughtfully with the act of interpretation. Skilful musical interpretation draws on a vast range of knowledges. The chapters of this collection accordingly address a similarly broad set of issues, including notation, rhetoric, theory, historiography, performers, past and present, instrument builders, concert presenters, reception history, and more. Written by leading experts from a variety of musical subdisciplines, these essays are designed to be accessible and practically relevant for musical performance. Many of the chapters utilize case studies and, as such, will be useful for university and conservatory level students as well as music scholars. The chapters in this book were originally published as a special issue of the *Journal of Musicological Research*.

[A Life in Music: Ruth Nye and the Arrau Heritage](#) Roma Randles, 2013-05-23 Claudio Arrau was one of the most distinguished and influential concert pianists of the twentieth century. His particular approach to the creation of sound was legendary. Concert pianist Ruth Nye studied with Arrau in New York and maintained a very active professional and personal relationship with the maestro until his death, some 30 years later. Ruth Nye's performance career continued for

many years until she developed Dupuytren's contracture of the fifth finger of her left hand which left her unable to play professionally Ruth Nye MBE FRCM is now one of the most highly regarded piano teachers in the UK This is the story of her life and her musical philosophy The Danger of Music and Other Anti-Utopian Essays Richard Taruskin, 2010-11-11 Roth Family Foundation music in America imprint Prelim p **Performing Music History** John C.
